Dedication

Reverend N.B. Phillips was born May 21, 1876 in Madison County, Mars Hill, N.C. He was the oldest of five children born to Mr. and Mrs. R.Y. Phillips. He was converted at eleven years of age, and baptized at the age of twelve.

He graduated from Mars Hill College, entered Wake Forest College to study law, but God had other plans for him. He made his decision to enter the ministry while there.

He was appointed as a State Missionary in Bland County, Va. in 1902. He served as pastor of the Clear Fork Baptist Church besides the other duties on the field. Three churches were organized under his leadership while serving there. After seven years he resigned and returned to his native state. He went to serve the Fairview Baptist Church in Buncombe Association where he served eight years as pastor. During that time a new edifice was built. Then he went to serve the Barnardsville Baptist Church in Barnardsville. He served other smaller churches part time during this time. Forks of Ivey was one of these churches in Madison County. This was where he preached his first sermon when he started preaching in 1899. Later he came back to the Fairview Baptist Church where he served five more years.

Reverend Phillips became the pastor of the East Flat Rock Baptist Church in the Carolina Association in 1925. He served this church until retiring in 1963. It had a membership of 219. Missions gifts (home & foreign) was only $28.00. In 1962 the membership had grown to 453 and the offering to missions had grown to $10,457.00. During his pastorate, a new building was completed. Before his retirement, he led the church in building a new pastorium for the pastor and family who would be his successor.

Reverend Phillips was married to the former Zenora Lee Hunter. To this union was born eight children, five sons and three daughters. He lived ten years after his retirement at East Flat Rock. He went to be with the Lord April 18, 1973. Mrs. Phillips followed him March 5, 1976.

She then invited the Brotherhood to attend the World Day of Prayer, November 1, 1976. The Mud Creek Association will meet with us. 15. Latt Beshears presented the Director of Missions Report. He then spoke to the report. He referred to the Calendar of Activities prepared by the Calendar Committee. He expressed appreciation for the support of the churches this past year, reporting a four or five thousand dollar increase in gifts for associational expenses. He gave an explantion of the Digest of Letters, stating that Total Association Expenses did not include special offerings such as the Offset Printer, minutes, or day camp. He then read a statement from one of the churches in the association reporting an increase to 16 percent for Cooperative Program and 4 percent for Associational Missions giving with plans to raise these amounts each year. He gave praise to the Lord for this action. He stated there had been confusion regarding the 2 percent offering requested of the churches. That is 2 percent of all the regular offering that comes into the church, not just that at the morning worship offering.

He expressed deep appreciation for the faithful, efficient service of Mrs. John Rymer, office secretary for the past six years. He announced that she had resigned and is now employed as secretary to Rev. Ian Walker of Hendersonville, First. Mrs. Roy Duncan will serve as office secretary. Dean Weaver expressed heartfelt appreciation to the cast for a job well done.

19. Dean Weaver then called for prayer to adjourn the evening session until nine o'clock in the morning at Mt. Moriah Baptist Church. Roy Bradford dismissed in prayer.

MORNING SESSION

20. The session was called to order at 9:00 a.m. by the moderator. W. W. Willingham led in singing the hymn, "Come Thou Fount." Rev. Henry Mitchell, Oak Forest Church, led the devotion. He read from Luke 7; John 15; and Acts 4, then led in prayer.

Mr. Cannon said he had been asked to help raise the first million dollars for the new home to be built in Asheville. He said the first million has almost been raised in cash, pledges, and bonds. However, due to increasing costs, one and one-quarter million will be needed. Each church wanting a part in this work was urged to contribute.

26. W.W. Willingham led in singing the hymn, "The Church's One Foundation."

27. Dean Weaver stated that we were running ahead of schedule. He then gave time for Jim Langford, representing the Baptist Hospital at Winston-Salem, to speak to that report. He related several personal experiences when there was a need and very little or no money available. The needs were met regardless of the ability to pay. He said, "God helps those who cannot help themselves."

28. Sam Padgett presented the Treasurer's Report for the year ending August 31, 1976. The report was adopted. Mr. Padgett then presented the proposed budget for 1976-77. He noted that the Finance Committee and Executive Committee had approved the increases in the budget before the body. 29. Dean Weaver presented the Executive Committee Report. The report was adopted.

30. W.W. Willingham gave the Report on Enrollment. There were 98 messengers and 39 visitors giving a total attendance of 137.

31. Dean Weaver called for miscellaneous business. Sam Padgett was recognized. He brought a recommendation which had been discussed in detail by the Missions Committee. Mr. Padgett had recently attended the dedication of a home for Wayward Children in Henderson, N.C. This home is operated by the Cullum Association as a non-denominational work for children who did not have a home and could not find any relatives. He stated that the same problem exists in our area. He then made the following recommendation: That we have a committee appointed by the Missions Committee, to look into the possibility of establishing in Carolina Baptist Association a Children's Shelter Home, which would be non-denominational, to take care of wayward children from broken homes after separation of parents and other emergencies such as loss of the home by fire. This home would be operated by the churches of the Carolina Baptist Association. The recommendation was voted on and carried.

32. Dean Weaver recognized George Roberts for other items of miscellaneous business. Roberts made the following recommendations: 1. That the operator of the Baptist Mission Center be given two weeks vacation each year with pay. 2. That the Carolina Baptist Association hereby makes application for an annual appropriation of $1,800 to assist in support of association work for the calendar year 1977, to the Baptist State Convention. The recommendations were adopted.

33. The moderator recognized Bill Blalock. He stated that the Membership Committee had received a request from Bethel Baptist Church for membership in our association. He said according to the Constitution, they would be accepted under watchcare of the association this year and presented next year for membership. A motion was made to accept Bethel Baptist Church under the watchcare of the association. The motion was adopted.

34. Bill Blalock brought information concerning a Camp Retreat Area. The Missions Committee appointed a committee to look into the possibilities of a Camp Retreat. The Executive Committee instructed the Camp and Retreat Committee to present this as information at the annual meeting. A 55 acre tract in the Saluda area of Henderson County became available. The property contains two houses, three lakes, and wooded areas. This property could be used by all organizations of the churches. It could be purchased for $132,000, with a $8,000 contribution back to the association by the owner. It could be financed at 7%. Future plans included development, projected building plans and maintenace. George Roberts brought the following motion from the floor: That the Committee proceed along these same lines with plans for purchasing

and developing. Discussion included questions about the committment of the churches, the need for information to take back to the churches to get their response, and the need for a special meeting. The moderator stated that the committee would proceed in working out a full program that could be brought to the churches, after such if advisable to come back to a called meeting to decide on purchasing. The motion was voted on and carried.

35. The moderator called for election of officers. Lamar Wakefield presided for the election of the moderator. Dean Weaver was nominated. A motion was made that the nominations cease and Weaver be elected by acclamation. The motion carried. Dean Weaver returned to the chair and opened the floor for nominations for vice-moderator. Lamar Wakefield was nominated. A motion that nominations cease was made and Wakefield also elected by acclamation. The moderator called for nominations for treasurer. Latt Beshear was recognized and brought this information. Since the Association and the Mission Store had consolidated, there was no need for two treasurers. He ask if it would be in order to elect two people to co-sign checks? It was ruled out of order at this time. But would be taken after the treasurer was elected. The floor was then opened for nominations for treasurer. Sam Padgett was nominated. Padgett was elected by acclamation. The question of co-signers was again discussed. Also if it was necessary to have a change in the constitution. The body decided no constitution change was necessary since they would be co-signers: Leonard Lemmons and Mrs. Roy Duncan. The motion was adopted.

36. Dean Weaver announced that Charles Magnet requested the Time, Place and Preacher Committee meet with him as soon as possible.

37. W.W. Willingham led in singing the hymn, "I Love To Tell The Story."

42. Robert Sullivan presented the Temperance and Public Morals Report. The report was adopted.

43. Dean Weaver presented the Christian Literature report in the absence of Sam Reese. The report was adopted. Woodrow Hill with the BIBLICAL RECORDER was recognized to speak to the report. He said the purpose of the BIBLICAL RECORDER was to lift the veil of ignorance from the people. Through the BIBLICAL RECORDER and thirty-three other State papers, Southern Baptists are the best informed as well as largest denomination. Every Baptist home receiving the BIBLICAL RECORDER is our goal.

44. Leon Nicholson presented the American Bible Society Report. The report was adopted.

45. Dean Weaver again noted that we were running ahead of schedule. He then recognized Nathan Brooks, Baptist State Convention of N.C. who firmly stated that he believed in the Cooperative Program. He analyzed the attitudes of people toward the Cooperative Program as critical, cynical, and committed.

46. W.W. Willingham sang "When We See Christ."

47. Rev. R.P. Hamby brought the annual sermon. He used Hebrews, Romans, and other New Testament references of the doctrine of Christ as our intercessor.

48. Dean Weaver ask everyone to stand for prayer and that this prayer serve as the blessing for the noon meal. The session was adjourned until 1:15 p.m.

She challenged those present to lift up our eyes to see the world white to harvest. The challenge is to double the number of missionaries and reach 125 countries by the end of the century.

54. Allen Jewett presented the State Missions Report. The report was adopted.

62. Harold McKinnish presented the Baptist Foundation Report. The report was adopted. He then introduced Edwin Coates, Executive Secretary of the Baptist Foundation and a member of Forest Hills Baptist Church, Raleigh, N.C. W.W. Willingham sang "Each Step I Take." Mr. Coates read Matthew 28:19-20. His title was Teach New Disciples What I Have Taught You. He spoke on the importance of communicating the message of Christ. It is not enough to read the Bible or listen to the message of Christ, there must be a response. Communication is not complete until there is a response. He told of the Baptist Foundation's operating budget from the Cooperative Program and gifts from individuals. The Baptist Foundation of N.C. is the oldest Baptist Foundation in the United States. GENERAL BOARD

Your General Board has had a busy and fruitful year under the capable leadership of our new General Secretary-Treasurer, Dr. Cecil Ray, and our General Board President, Rev. Bob Shepherd.

Our first meeting was on the campus of Meredith College, January 27-28, 1976. Dr. Ray was presented to us and Rev. Bob Shepherd, pastor of First Baptist Church, Sanford, was elected President. Richard Smith reported that Cooperative Program gifts were up 7.48% from 1975 and the books were in balance.

After approving several reports and recommendations, Dr. Ray presented his recommendations concerning the appointments of two commissions--Church Growth and Mission Support. Their task includes studying recent trends and current situations

relating to church growth and mission support and formulating goals, challenging the churches and giving guidelines to achieve these goals.

The next meeting was July 13-14, 1976, on the campus of Campbell College. The following things were discussed:

1. The Baptist State Convention of N.C. be requested to empower Wake Forest University to borrow a sum not in excess of $4,250,000 to be used for the Medical Center Challenge Program. This is not an indebtedness or obligation of the Baptist State Convention.

2. It was recommended that the Convention provide a fleet of cars for use by their staff.

3. It was also recommended that the major 1977-78 emphasis of the State Missions Offering be on debt retirement, and that the WMU and the Brotherhood join the Secretary in promoting the offering. The breakdown would be: Special Mission Ministries--$10,000; Basic General Board Programs--$175,000; Convention Debt Retirement--$1,200,000.

4. Wingate College was granted permission to proceed with plans for bachelors' degrees in church music, business and human services.

BAPTIST FOUNDATION

Paul, in II Corinthians 12:4, says "I seek not yours but you." As we think of Christian Stewardship, we are accustomed to thinking first about giving or raising money. Christian stewardship is not primarily a means for raising money, but a plan for making the right kind of men.

During the 1975-1976 fiscal year, the North Carolina Baptist Foundation has continued to be used as a channel for Baptists of our state to provide a tangible support for missions in a perpetual way for the years to come. Through a will of a person who had received financial assistance years ago from our Baptist Hospital, a $29,950 trust was established with the Baptist Foundation to provide income for the hospital's needy patients. The income of the investment for one year will repay what the hospital provided in financial assistance to this person.

New additions during the 1975-1976 year to the North Carolina Baptist Foundation assets held for our institutions and missions totaled $210,147.17. This amount combined with the market value of real estate (including the Yanceyville Unit of the N.C. Baptist Homes, Inc.), annuity trusts, and the Foundation Common Trust Fund brings the total market value of assets, as of June 30, 1976 to $2,946,044.49.

The income from Foundation trust funds paid to beneficiaries during 1975-1976 was $1,018,414.76. The total paid through June 30, 1976 now has reached $1,175,484.04.

Wills still account for a major portion of the assets of the Foundation, but presently the annuity trust accounts comprise $480,270.73 of the total value of the Foundation assets.

MUSIC

The associational Music Department has very little to report this year. Several special musical programs for our churches were discussed, however, these did not materialize because of conflicting activities. It is our prayer that more can be done in the line of music for our Association this coming year.

Under the leadership of God's Spirit let us work with diligence and enthusiasm to have a strong, worshipful musical program in our churches.

BROTHERHOOD REPORT

This year the Royal Ambassadors, grades one-eight had the opportunity to camp at Jackson Park on an overnight campout. Both boys and counselors learned much about God and man through worship, missions, first aid, cooking meals, and crafts.

Thanks to all who helped to make the campout a success.

Also, the Day Camp held for boys, grades one-three proved to be very beneficial in many ways. The camp was held at Fruitland Baptist Conference Center. Royal Ambassadors, Girls in Action, and the counselors worked hard at all they accomplished. Only God can know and can reward the efforts put forward for Christ and his glory. There were 69 enrolled in Day Camp. Mrs. Latt Beshears directed the Girls in Action, and Preston Capps the R.A.s, along with the assistance of our Director of Missions.

It has been a good year in Brotherhood work, but not good enough. We had four (4) reorganized and two (2) new units. We have had four (4) R.A. groups organized in the association. Brother Preston Capps is our Associational R.A. Director. Thanks is in order to many of the Baptist men who helped with the R.A. work along with our Director of Missions, Latt Beshears.

We had a Brotherhood supper with a good program at the Main Street Baptist Church. We had a workshop for all leaders in Brotherhood and R.A. work. These meetings were informative and worthwhile to those who attended.

COMING UP SOON! We are planning a Brotherhood Weekend Retreat at Camp Lutheridge in Arden on December 3-4. Men let's get together for a period of rest and fellowship. Make plans now to attend. Complete information will be sent to you soon.

Avery Simpson

WOMAN'S MISSIONARY UNION

Sometimes we feel like panicking when we are asked to do the out-of-ordinary things. However, because we didn't panic, because of faith and because we faced a challenge, we saw the glory of God. The women were called upon to spearhead the project of purchasing the Offset Printer. We are happy to report that it is paid for. This was one of our goals in long-range planning for our association.

The membership and the efficiency of Baptist Women have grown this year due to intensive specialized leadership training. An additional training clinic was held to specialize on the three thrusts of our mission program--Mission Support, Mission Action and Mission Study.

Our Baptist Young Women have enjoyed two special speakers this year: Mrs. Wayne White, Missionary to Mexico, at the fall meeting; and Mrs. Gilmer Cross, immediate past president of North Carolina WMU, at their banquet.

Acteens report that two churches in our association had recognition services. Upward crowned eight Queens and one Queen Regent. Mud Creek crowned six girls as Queens.

A week of Day Camp was held at Fruitland for GA's (Grades 1-3). Thirty four girls registered and ten leaders from various churches led in the camp. A GA Jamboree for Grades 4-6 was held at Etowah. Cross Roads organized their GA's this year.

A Mission Friends organization was begun at Upward.

We urge you to begin to cultivate the young minds in your church. This is where the foundation is laid for mission concern, awareness and involvement.

Respectfully submitted,
Mrs. Dan Blackwell
WMU Director

REPORT OF MISSIONS COMMITTEE

Your Missions Committee met several times during the year. Some of these meetings were given to the discussion of ways to better serve our Lord through Associational Missions. We kept before us some of the ideas handed down to us as, "Long Range Plans for our Association." Some of these plans we have tried to put into action in some small way.

One of the long range plans of the Association was to acquire an Off-Set Printing Machine. We now have such a machine. The WMU Organizations of the Association were largely responsible for raising the money to purchase this machine. Some monies were also given by individuals and other groups in the Association.

Our Association has long expressed the desire to secure, whenever possible, some suitable property for an Associational Camp Retreat. Some discussion was given to this. At the request of the pastors, a committee was appointed by your Missions Committee to look into this matter.

Other matters pertaining to missions were discussed by your committee. We, along with you, would like to see a healthy, Christ-honoring, growing, Associational Missions Program. We feel we are headed in the right direction. However, we must realize that such a program calls for dedication, prayer, cooperation and financial support from all of our churches.

To pray for and cooperate with a Christ-honoring Associational Mission Program is both a responsibility and a privilege. We can easily support such a program financially if our churches would give an amount equal to two percent of the regular plate dollar offerings to this cause.

Your committee makes the following recommendation. We, the Missions Committee, Recommend that the operator of the BAPTIST MISSION STORE be given two weeks vacation each year with pay. The weeks to be at different intervals.

Respectfully submitted,
George A. Roberts, Chairman

MISSION STORE

The Mission Store continues to help needy persons in our area. Last year we gave away 558 used items of clothing and furniture which would be valued at $667.97

At Christmas we gave: 52 boxes of used toys valued at $1.00 each, or $52.00 total; 30 boxes of items of clothing valued at $2.00 each, or $60.00 total; 15 boxes of special items valued at $2.50 each, or $37.50 total; and $50.00 worth of children's games.

We had a good year; and we urge you to continue to give your good used articles such as clothing, household items, and used furniture to our store.

DIRECTOR OF MISSIONS

Carolina Baptists, this report is more than giving you some statistical numbers. It is more than just a report; it is a deep concern of my heart. It is a challenge I place before you. The inspiration of this report started when I was at the Southern Baptist Convention in Norfolk, this past June.

The moving of God's Spirit caused Southern Baptists to move and adopt plans for taking the gospel to every living person on the earth by the year 2000. Does this do anything to you or for you? Does it make you want to have a part in it? The moving of His Spirit is so real that we dare not miss this opportunity.

Will you as a church consider how you can be a part of this great movement?

Many of our great spiritual leaders believe that the entire free world is in danger of collapse. Let us not only pray for God to change our direction as a nation and turn our hearts toward Him, but let us start doing something about it. Our Lord is ready when we are. It is not His will that any should perish, but that all come to repentance. When and where shall we start? Start NOW, BEGINNING HERE IN CAROLINA BAPTIST ASSOCIATION.

We here in the Carolina Baptist Association need to be on our knees thanking God for His goodness toward us. Then, ask Him for more compassion for people in our association. We get all worked up about a person in some far-away place and let our next door neighbors die in their sins, or fail to develop those already won.

I challenge and plead with you to share at least 2 cents out of your regular offering plate dollar to be used in our association. How little this is, but how much it can help if all churches will do it.

SOME OF MY WORK EMBRACED THE FOLLOWING: I have made 148 visits to churches for some kind of services; attended 176 conferences and committee meetings in and outside the association; conducted two revivals; conducted two Sunday School Enlargement Campaigns on the state level. Attended Southern Baptist and State Conventions along with the Evangelistic Conference; attended the State Vacation Bible School Clinic in Wingate along with the State Director of Missions Conference. Many other events in our churches such as, teaching Sunday School, Home Mission studies, conducting prayer meetings, Ridgecrest events, helping in migrant ministries, and promotional activities in the churches and at pastors' conferences. Driven 28,307 miles, 39 sermons.

Feel free to call on me for assistance in any field you might need my help in the life of your church. Pray for me as I lead in the great work that is before the Carolina Baptist Association.

Latt Beshears

COOPERATIVE PROGRAM

The faithful stewardship of individual Christians and the missionary vision of our churches enables Southern Baptists to maintain a growing World Missions Program. The stewardship theme for this year is "Bold Believers in Giving."

For the Christian, commitment to the task that Jesus set forth involves a total way of life. One man said that as he turned his life over to the Lordship of Christ, he suddenly realized that his house, his possessions, and his occupational skills belonged to Christ literally, and they were to be used in trust to accomplish Christ's mission. Such commitment cannot be a "do-it-yoursef" matter. Our Lord has given us the Holy Spirit as our Guide, Counselor, and "Empowerer."

For the church, as a body, commitment to the bold mission task calls for a specific life style. Churches are stewards, too! The church must demonstrate a commitment to the mission task of all possessions if it is to be true to the command of Jesus. Each church should consider prayerfully the 15 percentage increase suggested by the state convention for Cooperative Program and the increase suggested by the association for associational ministries.

Last year, 1126 churches increased their gifts through Cooperative Program by 15% or more; and 4 associations in our state had 100 percent of their churches giving through Cooperative Program.

WE RECOMMEND:

1. That a stewardship chairman be elected in every church in our association.
2. That a stewardship conference or Stewardship Decision Night be held for interested churches in order to make available to them guidance materials for use in their stewardship programs.
3. That every church conduct a stewardship emphasis this year.
4. Every church in the association giving something through the Cooperative Program for world mission support, EVERY MONTH!
5. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
6. Every church in the association giving the suggested amount for the support of associational missions, EVERY MONTH!
7. Special prayer for some Cooperative Program ministry during every service in each church during the month of October.

MIGRANT MISSIONS

Director of Missions Latt Beshears and Raymond Byrd attended a special conference on migrant work in Georgia in the spring. Interested pastors and students of Fruitland Institute were asked to help conduct evangelistic services at seven camps this summer.

The following camps were served:

1. Sunset Hill (Alverson's Camp) is north of Balfour. Bill Evans, pastor of Mills River, and his members conducted Bible School, and Garland Franklin of First Baptist Church, Hendersonville, conducted Sunday morning services.
2. Kenneth Justus Camp on the Fruitland Road was served by Pastor Lamar Wakefield and members of the Fruitland Church, and Latt Beshears.
3. M.A. Paxton Camp on Ridge Road was served by Pastor W.W. Willingham and members of his church of Mt. Moriah.
4. Tatum and Jones Camp located on the Clear Creek Road housed 40 Mexican workers this year. Pastor Bobbie Arrowood of Mt. Gilead Church and Garland Franklin of Hendersonville First Baptist ministered to this camp.
5. Johnson Camp is a new camp near the Tatum & Jones Camp. Calvin Frady, pastor of Holly Springs Church, and Garland Franklin held services on Sunday afternoons.
6. Flaughn Lamb Camp on Sugar Loaf Road was served by Dan Blackwell, pastor of Upward Church, and Jerry Tyre.

7. Garrison Camp on Upward Road was served by Raymond Byrd, pastor of Mountain Page Church, and his church members, and Luther Campbell, a Fruitland student, on Thursday nights.

Spanish and English New Testaments and tracts were given out. Approximately 150 health kits were distributed to the women in the camps. There were a number of decisions made. We believe we had an unusually good year in ministering to the needs of the workers.

BAPTIST HOSPITAL

Our Baptist Hospital staff with all its helpers makes no claim of infallibility. With many years of specialized training and experience, they are still mortals of earth. We can be assured that they are ever striving for the mastery in the field of medical science.

A recent development has been a Department of Family Medicine. This will help balance the trend toward increased specilization in the practice of medicine. Renovation of the west and south wings has been completed. Construction has been completed on an addition to the water-chilling facilities. Construction has begun on a four-level parking deck in front of Reynolds Tower which will provide parking for 800 automobiles.

The Pastoral Care Department continues in the scope of stewardship. There is a chaplain in each area of the hospital to promote a pastoral ministry to patients, staff and visitors.

Mother's Day gifts for the fiscal year ending June 30, were $405,946.52 compared to a total of $390,000 for the preceding fiscal year. Twenty-four churches in our association gave $2,787.20 during the past year. This is a decrease of $883.34 with five churches less participating.

BAPTIST CHILDREN'S HOMES

Would you help a little girl with a broken doll? a little boy with a broken tricycle? Yes, you would, and you would help boys and girls with broken homes. North Carolina Baptists have a great program for needy children, and you are a part of it.

Western North Carolina has provided many fine foster homes for children. We are constantly in need of more good foster homes and welcome an opportunity to talk with people who would like to work with us in this program.

After several years of careful planning, generous giving, and hard work, Broyhill Home became a reality in 1971. People rose to the challenge and provided funds to develop a campus with buildings and facilities for sixty children.

Many children find themselves in emergency situations in which they need help immediately. To serve this child, the Thermal Belt Youth Shelter at Forest City is proving beneficial to numbers of children.

The Maternity Home in Asheville, opened in 1970, became the first agency-owned group facility in Western North Carolina. This has proved to be a much-needed and well-received service. Girls have been served from throughout North Carolina and even beyond.

Special gifts, income through the Cooperative Program, and the Thanksgiving Offering are vital to our existence. We thank you for every expression of your faith and confidence.

W.W. Worley

BAPTIST HOMES FOR THE AGING

North Carolina Baptist Homes have completed 25 years of growth and development. These have been years filled with abundant blessings and goodness from the Lord. He has brought us from one Home in March of 1951, to five Homes and an excellent Nursing Facility. Hundreds have been ministered to during these years.

The past year has been one of special excitement as we entered into the Fund-Raising Effort to raise $1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. Since September 1975, Ralph Cannon has been leading the fund-raising program for the Home. The response from our Baptist pastors and people in Western North Carolina has been most encouraging. There is every indication we will reach the goal.

When completed, the Western North Carolina Home in Asheville will accommodate 50 people, and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280.

The love gifts of Christians through the Cooperative Program and the Special Offering for the Homes each February make this Christian care possible. Through these sources more than 35% of the Homes' total income is provided, and the majority of the residents who cannot pay the full cost of care are supplemented.

Gifts this year have been greater than ever before; and if we are to meet the overwhelming needs of older people in our midst, we must double and triple our efforts.

Another venture is the building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed by the fall of 1977.

Joseph Godwin

EXECUTIVE COMMITTEE

In the November meeting the Executive Committee received letters from the Barnwell and Macedonia Baptist Churches, asking that their churches be removed from the membership of the Carolina Baptist Association. Their requests were acknowledged with a letter from the Executive Committee complying with their request.

The need for constitutional changes was discussed and a study for revisions in the constitution of the Carolina Baptist Association was referred to the Constitution Committee.

In the March meeting we recommended the purchase of an A.B. Dick table top Offset Press from Fruitland Bible Institute at the cost of $900.00, plus $95.00 for repairs. The W.M.U. of the Association promoted a campaign to raise the needed money for its purchase, since funds for such were unbudgeted and unavailable through the budget. It was raised quickly. The Offset Press is a unique value and quite versatile.

In the June meeting, the Ordination Committee reported that Jack Gallagher and Ray Ledford had been ordained to the ministry in the services of Dana and Pleasant Grove Baptist Churches, respectively.

Latt Beshears was asked to direct the summer migrant ministry with the aid of Fruitland students in that service.

In the September meeting the annual budget was presented and approved. The financial report for the year 1975-76 had a happy note--a good balance in the Association and Associational store accounts. This presented a little concern at the beginning of the 1975 Associational year.

There was an extended discussion concerning the possibility of a campsite for the Association. Need for such is that the expense for the conference grounds are beyond what many of our churches can afford. This is in reference to long range goals adopted at the 1975 Annual Meeting. It is still under investigation.

The calendar and reports of existing committees were approved for presentation.

Respectively submitted,
Dean M. Weaver, Moderator

EVANGELISM

There was an overflow in attendance of more than 2,600 pastors and lay persons at the 30th Statewide Evangelism Conference at the Civic Center Auditorium, Asheville, February 2-4, 1976. The theme was "Freedom in Christ." This conference was one of the best in several years.

Baptists continue to respond to lay witness training through Lay Evangelism Schools. During the past 4½ years, 14,284 youth and adults have participated in these schools from 1,150 churches and 62 associations.

Nearly 525 youth and adults attended the Youth Ministry Week, June 14-18, at North Carolina Baptist Assembly with the emphasis on youth evangelism, vocational guidance and recreation. Fifty-three different types of decisions for Christ were made by youth.

An estimated 12,000 youth, pastors and adult leaders attended the sixth annual Youth Evangelism Night, August 13, in the Greensboro Coliseum. Barry Wood of

Lubbock, Texas, was the guest preacher; and Larry McFadden of Gainesville, Florida, was the guest soloist. The offering received was $4,282.34 and will be used to support 1977 Summer Youth Evangelism teams. All types of decisions totaled 422, according to Richard Everett.

Two summer youth evangelism teams directed youth revivals and youth witness training in eighteen churches across the state for a one-week period in each church. A new area of work will be Youth Evangelism Strategy with an emphasis on four phases: Leadership Family, Touch Ministry, Discipleship Groups, and Joy Explosion. W.O.W.--Win Our World--involves specific witness training for youth.

The Division of Evangelism is continuing to cooperate with the Brotherhood Department in Lay Renewal Weekends and Ministry Evangelism Weekends.

The 31st Statewide Evangelism Conference will be February 7-9, 1977, at War Memorial Auditorium in Greensboro.

AMERICAN BIBLE SOCIETY

The Bicentennial of the American Revolution is here, and churches across the country are participating in the great celebration.

The American Bible Society is helping them, through translations, publications, and distribution of the scriptures in the languages of the people without doctrinal note or comment and without profit. As a vital resource agency to the churches, the American Bible Society works with the United Bible Societies around the world to provide the scriptures to more people than ever. At least one book of the Bible has now been translated into 1577 languages.

With as many as 20 million people in the United States who can't read God's word, Scripture Literacy Selections are being brought to more readers in the first three levels of English. In other areas a total of 109,469,781 copies of scripture was distributed in the United States during 1975. This represents an increase of 11,181,000 over 1974. World Scripture distribution by the United Bible Societies totaled 156,445,597 copies of scripture in 1975.

We ask your continued prayers and support, that the Bible Society in partnership with the Southern Baptist Convention and with all willing Christians may fulfill more effectively its task of bringing the Word of God to all those who ask for it and need it.

SUNDAY SCHOOL REPORT

This year in the Carolina Association we have placed special emphasis on Outreach. Several clinics were held to inform and prepare churches for ACTION--a program of enrolling people in Bible study. This is done by a house-to-house canvass of an area asking the families if they are enrolled in Bible study. If they are not, the person making the canvass tries to enroll them in Bible study in his church. Over 40% of the people enrolled in this manner usually attend the Bible study and eventually become church members.

We had 6,274 people in Sunday School on High Attendance Sunday, November 2, 1976. This was 1,000 more than we had in 1975.

Vacation Bible School Clinic was held for directors and workers in the month of April at East Flat Rock Baptist Church. A Pastor-Director Workshop was held at Valley Hill with Latt Beshears and Jim Byrd leading the workshop.

Briefing meetings at Ridgcrest were attended by the director of missions and associational Sunday School director. Plans for a nation-wide effort to reach out to people and to improve the quality of Bible Teaching-Learning were emphasized. Special emphasis will be placed on reaching Youth in 1976-77.

VACATION BIBLE SCHOOL

In March, a team of eight Vacation Bible School workers from our association attended the State Vacation Bible School Clinic at Wingate College. The workers studied the 1976 VBS materials and new and better ways to present the materials to those who would be attending the associational clinic.

The Associational VBS Clinic was held in April, at First Baptist Church, East Flat Rock. The total attendance was 173 with 30 churches represented.

Our churches reported excellent Vacation Bible Schools. Those 20 churches turning in reports, show 68 professions of faith, total enrollment of 2019, average attendance of 1629, offering for missions through Cooperative Program $723.92, and offering for other missions $165.64. We want to thank every person in the association who had a part in Vacation Bible Schools this summer.

Mrs. Alex Booth, Director

CHURCH TRAINING

The theme for 1975-76, "Church the Sunday Night Place," is geared to getting more people out on Sunday night.

You and I live in a day of rapid changes. We have seen the horse and buggy give way to a computerized space age. The one-room school house has given way to large post-graduate universities. We have been developing our mental capacity and a faster means of getting place; but spiritually speaking, some of us are still riding around in a horse and buggy and going to a one-room school house.

We have 53 churches in the Carolina Baptist Association with only 27 churches involved in Church Training. We have a grand total of 15,728 church members in our association and out of these 1603 attend Church Training. Somewhere we have lost our perspective.

On November 24, "M" Night was held at the West Hendersonville Baptist Church with Rev. Tom Jones, pastor of First Baptist Church, Travelers Rest, S.C., as the guest speaker. Our hearts were challenged as we were encouraged to place more emphasis on "Church the Sunday Night Place."

On February 17 and 18, Dr. Nathan Brooks, director of state programs, held a Deacon's School at the First Baptist Church, Hendersonville.

Bill Evans, Director

TEMPERANCE AND PUBLIC MORALS

In this Bicentennial year of 1976, the attention of the nation has been focused on Christian citizenship and moral issues. Both are of continuing concern to Southern Baptists and the Christian Life Commission in a morally confused world where Christian morality is desperately needed.

Concern for Christian morality development is growing significantly among Southern Baptists. An increasing number are expanding their commitment to the penetration of society with the whole gospel of Jesus Christ. Communication of the moral imperatives of the gospel has been undertaken through a continuing output of sermons, articles, books, news releases, pictures and pamphlets.

Five areas of Christian social concern have been given the special attention of the Christian Life Commission. (1) FAMILY LIFE has been emphasized through conferences, in national meetings where a Baptist witness for Christ has been borne, and major addresses and guest editorials. (2) RACE RELATIONS has been emphasied by distributing study materials related to Race Relations Sunday and by encouraging Baptists to develop ministries across racial lines. (3) CHRISTIAN CITIZENSHIP was emphasized through the promotion of Christian Citizenship Sunday, dissemination of three books on Christian citizenship, Baptists helping celebrate the nation's

Bicentennial observance, and wide distribution of special Bicentennial materials. (4) ECONOMICS and DAILY WORK have received attention through articles written, messages delivered, and special emphasis on Christians and daily work at Labor Day. (5) SPECIAL MORAL CONCERNS have received attention through education and action on issues as immoral television programming, violence, obscenity, pornography, abuse of alcohol and other drugs, gambling, criminal justice, abortion, divorce, sexual morality, the ecological crisis, and hunger.

There is a growing number of court injunctions across the country against bar owners who are held legally responsible for drunken patrons. North Carolina law is too lenient toward abortion and needs changing.

We should continually magnify Christ in our lives in upholding temperance and public morals.

Respectfully submitted,
Robert Sullivan

CHRISTIAN LITERATURE

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge." Jeremiah also cried out, "Publish and conceal not."

As in old Testament days, communication still remains one of the most sensitive problems in our churches. How many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association and convention continue to show progress.

Each year more churches understand the importance of providing the BIBLICAL RECORDER for each family. Although nearly 1,100 churches in the state have the BIBLICAL RECORDER in their budget, at least 500 more churches should take this step. Baptists have made encouraging progress in recent years, and this can be traced to better-informed church members.

Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

W.A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of all people. The reward will be great."

Louie D. Newton of Georgia, said: "The investment any church can make in furthering the Kingdom of God is to put the Baptist state paper in the homes of the membership. These papers are the pack-horses of every phase of denominational life."

If this "packhorse", meaning the RECORDER, is not going to every family in your church, may this be the year for you to take this step.

HISTORIAN'S REPORT

We are indebted to our Superintendent of Missions for keeping before us some of the more important objectives and obligations of our churches. Among these we would mention the Cooperative Program; State Missions, especially as it applies to Fruitland Institute; Associational Missions, and the obligations of a church to its pastor in a financial way. His spirit of optimism is very evident as he mixes and mingles among the people of the Association.

SPECIAL MENTION: Under this topic, we would mention the fact that our Moderator, Dean M. Weaver, Pastor of the East Flat Rock Baptist Church, is receiving the congratulations of his friends upon his attaining the Doctor of Ministry Degree at Luther Rice Seminary, Jacksonville, Florida.

The West Hendersonville Baptist Church recently honored J.V. Queen on his ninetieth birthday, on account of his many contributions to the life of the church, both in a spiritual and a financial way. He was further honored when the men's Bible class was named for him.

At the recent session of the Southern Baptist Convention in Norfolk, Va., Allen R. Brown, formerly of Hendersonville, was chosen to conduct the congregational singing during the hour when the convention was addressed by the President of the United States. Allen was brought up in the Hendersonville Baptist Church, and is now at the head of the Virginia Baptist Convention Musical Department.

The Etowah Baptist Church recently gave a surprise recognition service in honor of Pastor and Mrs. Rymer for their twenty years' service. The pastor, the youth, and seven older members conducted a mission Vacation Bible School at German Village Church in Colombus, Ohio.

Early in the Associational year, the Refuge Church dedicated a $100,000 educational building and fellowship hall, this being the third major building improvement under the leadership of the present pastor, George Roberts.

The Holly Springs Church has recently redecorated the auditorium and built an addition to the choir loft, and two rooms for Bible study.

The Saluda Church has installed, and is now using a $8,959 Rodgers Jamestown Organ, which is already paid for. They also installed a public address system and carpet in the sanctuary.

The Fruitland Church has recently celebrated its Centennial with appropriate ceremonies.

The First Baptist Church of Hendersonville has sold within a week's time, bonds in the amount of $980,000 for expansion and improvement.

According to a recent report in the BIBLICAL RECORDER, the First Baptist Church contributed the greatest amount among the churches of the Carolina Baptist Association to the Cooperative Program, but the honor of contributing the greatest amount per member goes to the Fruitland Church.

Beulah Baptist church started construction on a new building in June. Plans are to be in the building by December of this year. They are relocating on a beautiful plot of ground some distance from the present site.

Mills River Baptist Church added two rooms, a bath, and two fireplaces to the Pastorium.

Mountain Page Church installed new carpet in the auditorium, hallway and nursery.

Oak Forest Church and Shaw's Creek Church built picnic sheds at their churches.

Miss Mildred F. Thomas, a member at Main Street Baptist Church, is a Special Projects Missionary to Taipei, Taiwan.

ORDINATIONS: Ray Ledford and Jack Gallagher were ordained at East Flat Rock Baptist Church. Allison Robinson was ordained at Fletcher Baptist Church. Bat Cave Baptist ordained three deacons.

LICENSE TO MINISTRY: Ivey Thomas, Lester Jones, Wayne Webb, and Phillip Capell at Mountain View Baptist Church. Jerry Fyre at Upward. David Sparks and Daniel McNeil at West Hendersonville Baptist Church.

IN MEMORIAM: We record with sorrow the passing of the wives of two of our former pastors, The Rev. N.B. Phillipps and the Rev. Allard Garren. Mrs. Phillipps had long been a member at the East Flat Rock Baptist Church, while Mrs. Garren had recently transferred her membership to Marietta, Ga.

In the passing of J. Seldon Osteen, there was removed from our membership one of our most valuable laymen. His chief associational interest lay in the realm of the Brotherhood. A member of the H'ville First.

RESIGNATIONS: Our records show the following resignations during the year: Jimmy Cox at French Broad, John Dickson at Pleasant Grove, Thad B. Keever at Barker Heights, Floyd Bridgman at Cedar Springs, Joe Harvey at Pleasant Hill, and Guy McCarley at Dana.

NEWCOMERS: Among the new pastors are Leon Nicholson at French Broad, Thurl Middleton at Brightwater, Jack Gallagher at Dana, Rudy Smith at Cedar Springs, and Bill Arrington at Jones Gap.

The following have shown themselves invaluable as interim pastors at various churches: Homer Baker, Ralph Banning, Afton Linger, and R.P. Hamby.

ANNUITY BOARD

Southern Baptist Churches depend on the Annuity Board to provide retirement and insurance protection to pastors and others in church related vocations. The Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire. These contributions, taken together, are considered as funds held in trust by the Annuity Board. They now amount to $401,135,261.

Darrel M. Morgan, president of the Board, described 1975 as an excellent year of recovery, growth and optimism for the agency. Income from the investment funds held in trust attained a one year record of $23,149,064. Benefits paid to retirees, widows and disabled in 1975 amounted to $15,734,003.

During the Annuity Board's 58 years of existence, it has paid more than $141,000,000 in retirement and protection benefits. A thirteenth check issued in December 1975 provided 8,222 annuitants with an extra month's income to help them combat the rapidly rising cost of living. The combined amount of this extra benefit came to $733,585. It is called the thirteenth check because it is over and above the twelve monthly payments.

The Annuity Board helps churches and Southern Baptist Convention Agencies get the best coverage at the most advantageous rates in life, health and disability insurance. In North Carolina, 2,667 staff members of 2,140 churches in associations are participating in the Southern Baptist Retirement Program.

In our own Carolina Association, we have 29 out of 53 churches taking advantage of these retirement benefit programs offered. The rest of the churches in our association need to consider coverage for their pastors and/or other church employees. The State Convention offers to invest up to $200 per year for each minister included in this program. Nothing should be closer to a church's heart than adequately caring for those whom God has called to lead and serve her.

James B. Richardson

FOREIGN MISSIONS

Looking ahead to the year 2000, a committee was appointed by the Southern Baptist Convention to evaluate our present program and issue a worthy challenge for the next twenty-five years.

Their report was given to the Convention in June of 1976, and should be thoughtfully studied, especially by our pastors and other leaders, and systematically kept before our churches. These objectives call for: 100% increase in missionary staff, missionaries at work in 125 countries, expanded efforts in evangelism, increase in lay involvement, ten-fold multiplication of churches, greater efforts in leadership training, massive use of media, and world relief responses. Executive Secretary Baker J. Cauthen said, "We challenge the Southern Baptist Convention to join in an all-out effort to see that every living person on earth at the close of this century shall have had the opportunity to hear the gospel."

In 1975, there were 265 missionary appointments recorded--the largest number of appointees in a single year since the Foreign Mission Board was organized in 1845. The net gain for the year was 61, resulting in a total staff at the end of 1975 of 2,667. This total includes 2,300 career missionaries, 206 missionary associates, 156 missionary journeymen, and five special project medical workers. Besides these, there were 1,239 persons who participated in volunteer involvement projects overseas. Included were evangelistic efforts, medical assistance, disaster response, touring choirs, teaching, business management, and agricultural projects.

In many cases inflation has greatly eroded the purchasing power of the foreign dollar. Total receipts by the Foreign Mission Board increased 7.57 percent to $52,006,639. In this total, $20,667,748 was given through Cooperative Program, or 48.8 percent of the total Cooperative Program funds distributed by the Southern

Baptist Convention in 1975. The Lottie Moon Christmas Offering reached an all-time high of $23,480,144. By the end of 1975, a total of $1,673,842 had been contributed for World Relief.

Baptisms on the mission fields increased in 1975 by more than 10,000--from 70,712 to 80,747 in 1975. Church membership grew by 66,191.

The challenge thrown out to us should be brought to the attention of every member of our churches. Without a fresh, attractive presentation, apathy and unconcern will prevail. Personal involvement from the youngest to the oldest member should be the answer.

Respectfully submitted,
Prudence A. Riffey

HOME MISSIONS

The Home Mission Board has a nationwide mission responsibility in helping move this nation in the direction it should go.

At the close of 1975, a total of 2,124 missionaries were under the Home Mission Board appointment, which was augmented by 1,208 student summer missionaries, 28 semester missionaries, and 34 So-journers.

During the year, the Board made 410 appointments to missionary service, and the number leaving the appointment rolls, including some by retirement or death were 480.

For the fifth consecutive year, the total number of baptisms reported by Southern Baptist Churches exceeded 400,000, indicating a continuation of interest in Christianity on the part of the American people.

In spite of the economical problems that have existed, the Annie Armstrong Easter Offering was up 4 percent. Receipts totaled $8,491,653, missing the 8.5 million goal by less than one tenth of one percent. The 1976 goal is 9.5 million.

Truly, we can say that God has blessed us, and it is encouraging to see God's blessings upon the Home Mission Board. We who know Christ and are committed to him have the opportunity of helping move this nation in the direction it needs to go.

Respectfully submitted,
Bill Evans

STATE MISSIONS

We are a state convention of 3,458 autonomous churches coming together "...to promote missions, evangelism, education, social services." (Constitution, Article II). The Convention was founded for missions. It is held together because of missions. And its future growth depends upon a commitment to missions.

Basic to that commitment is a strong program of State Missions. The state of State Missions strongly affects the state of Home and Foreign Missions. Mission programs in distant areas depend upon the strength of the "sending churches" back home.

State Missions has emphasized programs to strengthen church and association ministries. Two important emphases are Bible study and leadership training. The Church Program departments--Sunday School, Church Ministries and Training, Church Music, WMU, and Brotherhood--are wholly committed to these tasks.

State Missions promotes "direct mission" ministries. These include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries, and Inter-racial Ministries. The vast majority of Home Mission projects in North Carolina are financed 64 percent by State Missions.

State Missions is supported by the Cooperative Program and the annual State Missions Offering. The State Missions Offering is as vital to State Missions as the Lottie Moon Christmas Offering is to Foreign Missions and the Annie Armstrong Easter Offering is to Home Missions.

The 1976 State Missions Offering goal is $400,000. The distribution is as follows:
$175,000 Basic State Mission Budget

43,000 Fruitland Classroom Building
72,000 Caraway Conference Center
10,000 Special Mission Projects
100,000 Baptist Assembly (Casewell)

CHRISTIAN EDUCATION

Plans have been made and completed for a National Colloquim. The concern of the Colloquim is the Christian purpose for Baptist schools. The Colloquim will be an introduction to a three-year study of such considerations as the biblical and theological basis for Christian education, understanding the Christian purpose of a Baptist school, developing academic excellence, transmitting values and developing Christian citizenship, assisting the students to develop a Christian world view, and a new look at the Baptist schools' responsibility for training both professional and lay leadership.

Apart from academic excellence, no factor is more significant in a church related college than the quality of its religious life and commitment of its faculty and students. Historically, this factor has distinguished Mars Hill College and has constituted one of its most valuable assets. Many in this student generation are genuinely committed to helping build a distinctively Christian college of excellence.

Campus religious activities are planned and executed by the students and are an authentic expression of their religious faith and concern. In all areas of campus life, this year's student leadership has been the strongest we have had for many years. Weekend revivals and youth retreats have been led by student teams in more than twenty churches. Two-day training sessions were held at the beginning of each semester for the students planning to participate in weekend revivals.

These are some of the highlights, but do not include the staff work which is carried on the year-round for the Association of Southern Baptist Colleges and Schools and additional staff work for the following: the administration and disbursement in accounting for all funds of the American Baptist Theological Seminary and the Farmer-Robertson scholarship programs.

During a three-week term, students are encouraged to enrich their education by undertaking non-traditional projects which will enable them to test theory by practical experience.

Harvey N. Lance

DEDICATION OF MINUTES
In Memory Of

William Brookshire Sinclair was born in Henderson County March 24, 1887. He departed this life on May 11, 1977 for a glorious new body. He put on new clothes with far more beauty around him than the rose buds he wore so often or either the beauty of the nursery which he had and spent many hours beautifying.

He was a graduate of Fruitland Institute, Wake Forest College with an A.B. degree. He returned to Fruitland as a teacher of English. After serving in the army during World War I, he took up residence for two years in Concord, Ga. After which he returned to his native county and state and served as principal of Pleasant Hill School for a number of years. He served as Sunday School Director of the Pleasant Hill Baptist Church several years. After moving to Hendersonville in 1927, he moved his membership to the First Baptist Church.

It was here that he planted his life of service for good to mankind until his death. He took Miss Susie Smith of Concord, Ga. to be his help-mate, one he could not have found any more faithful and helpful. To this family was born two sons, James and Henry, both of Hendersonville.

He served as deacon for many years and was later elected as HONORARY DEACON FOR LIFE. His concern for people to know the Bible was seen in his serving as Sunday School Director for sixteen (16) years at the First Baptist Church, Hendersonville. A title of "Mr. Sunday School" was given to him.

His life was that of openness, loyal, loving and devoted to Christian principles. His influence shall never die in the hearts of those who knew him. Records of church and Sunday School attendance excels that of most people. The only person important enough to keep him away from church was his wife, and this was only when it was absolutely necessary. A friend to all who knew him is expressed by so many, and to know him was to love him.

Someone said "he stood at the door of the First Baptist Church for fifty (50) years to welcome those who came." Now he is at the door of heaven to welcome all who will enter there. Surely, he was a noble man.

DEDICATION OF MINUTES
In Honor Of

Chester Fred Jervis was born in Madison County, N.C. on August 7, 1891 to the parents, Rev. C.E. Jervis, and Alpha Tillery Jervis. His family moved to Leiscester, N.C. where he grew up.

He was educated in private schools, Asheville Teachers College and the University of North Carolina.

On July 21, 1914 he was united in marriage to Callie Myrtle Ramsey of Asheville. To this union God gave two children, Charles R. Jervis, now manager of the New Wales Chemicals, Bartow, Florida, and Mrs. Thelma J. Pittman, teacher at Bruce Drysdale, Henderson County. He has five grandchildren and five great grandchildren.

His life has been used in things that would build the community for good and righteousness. He has served as teacher at Round Hill Elementary School, Principal at Little Pine Graded School 5 years, Mt. Carmel High School, 4 years, Leiscester High School 8 years, Woodfin High School 4 years and Dana High School for 25 years, a total of 47 years.

His interest and concern has also been in spiritual things. He has served as Sunday School Superintendent, (now Sunday School Director) for four years in other churches before coming to the First Baptist Church in Hendersonville where he has served 16 years as Sunday School Director. After these years of service he started teaching and has taught Sunday School ever since. The church made him HONORARY DEACON FOR LIFE after serving for so many years. He has been the historian of his church for these many years. All this show the love and respect the church has for him.

His concern is beyond his local church field. He has been a strong supporter of missions around the world. He loves the work and ministry of the Carolina Baptist Association where he has served in many places of leadership along with 15 years as historian. He said, "I retired in 1956 and it was then when I really went to Work."

NINETY-NINTH ANNUAL EXTENDED SESSION of CAROLINA BAPTIST ASSOCIATION-April 25, 1977

1. A special called meeting of the Carolina Baptist Association was called to order by the moderator, Dean Weaver, April 25, 1977, at Mud Creek Baptist Church. The purpose of the meeting was to hear the report of the Camp-Retreat Committee and vote on purchase of the camp site for the association.

2. Rev. Latt Beshears led the devotional, reading Phillipians 2:1-8, and leading in prayer.

3. The moderator called for a roll call of churches. 24 churches were represented.

4. Dean Weaver recognized Bill Blalock, Chairman of the Camp-Retreat Committee, for his report.

5. The recommendation of the committee was that Carolina Baptist Association purchase Camp Bear Walla. The motion was seconded. Mr. Blalock then gave the following report.

6. The report on the Saluda property was checked out and then the Camp Bear Walla property became available. The committee felt that this was a better choice and made this recommendation. There is a lake on the property ready for use. The main building has two large front rooms, one of which is carpeted, there are kitchen and dining facilities, a fire place, and two dormitory section, with bunk beds ready for use. It would be necessary to tap for City Water. There is a six-sided Chapel with pews and a fireplace, usable now. There are 13 or 14 cabins on the property needing cleaning and repair because they have not been used

recently. They are not winterized. Camp Bear Walla is double the acreage of the Saluda property. The asking price is $200,000 but possibly $160,000 would be accepted.

7. Charles Magnet was recognized. He reported that the committee had traveled over numerous acreage. The Bear Walla property is tremendous. Nothing stimulates the response that a retreat does. There is a beautiful dormitory that would accommodate 75 to 100 people upstairs and 40 downstairs. It has good kitchen facilities. There is a separate facility for the Camp Director separate from the Dormitory area. There is also a house that could be renovated for the caretaker. There are two lakes and an Amphitheater overlooking the lake. The lake is clean and has a ramp ready for use. A lake 3 ft. deep in the middle is available for children. There is an appealing chapel, trails for walking, hiking, or horseback riding. A ball field and tennis court, also 14 or 15 separate structures which could be repaired by members of the association. The camp is 11 minutes from downtown Hendersonville, with a good road and easy access. This could be used by youth and adults alike. He recommended purchase.

8. Condred Pirkle was recognized. He reported that he is excited at the possibility of such a camp as this. He has participated in a camp program in former pastorates - in Fort Worth, Texas and in Georgia. He has had a camp retreat at Balfour. He felt this would tie our churches together and strengthen the individual churches and the association.

9. Mrs. Ruth Lancaster was recognized. She reported that at first she was not too enthusiastic, but after investigating the property she is now fully in favor and enthusiastic.

10. Mrs. Lucy Sitton was recognized. She reported that she had a camping background as a teenager and later was employed at a camp. So she had first hand information of what a camp could mean to a teenager. She could just see GA's and Acteens camping in sleeping bags before the fireplace in the chapel. She was fully in favor of purchasing the property.

11. Allen Jewett and Leonard Lemmons were not present.

12. Rev. Latt Beshears showed slides taken at the camp site. They were: Views of the lake, the Amphitheater, the kitchen facilities, the cottage, the chapel and a cabin on the other side of the lake.

13. Bill Blalock then asked for any questions or comments.

14. Jim Byrd was recognized. He questioned the utilization of such a camp and the cost of maintenance. Camp Truett was reported to have a maintenance bill of $20,000 per year. He asked if it was worth 8 to 10 thousand per year for an occasional camp use? Then the question as to how it would be paid for was raised. He felt that the association was just getting on its feet financially and could not afford this at this time. He suggested an alternative - joining with another association which did not have camping facilities and making this a joint project.

15. The comment was made that more emphasis was being made on the dollar than reaching the lost.

16. John Dickson asked how the downpayment would be raised? Blalock replied. A 1% binder of $2,000 and a 29% downpayment would be necessary. Down payment would be made from pledges. Pledge cards would be available. If 1500 resident members would pledge $10.00 per month for one year it could be paid for in 1 year. We have 90 days to raise the downpayment. If we should default, it would be up to the trustees to work out something with the realtor to get back the downpayment.

17. Roy Bradford was recognized. He thanked the committee for sharing their vision. Then he asked to share his burden. He had worked as a Law Enforcement officer for a number of years and as a pastor for some time. His concern was for the approximate 1,000 migrants and laborers that are here during the summer months. He was concerned about the living conditions about which, he said, nothing was being done. He had prayed and searched his heart before the

October Annual meeting and could not see the need for a recreation program when the need was spiritual. Multitudes were crying out for clothing, food, love and compassion. In his work he stated that no migrant knew Christ. He cannot support the effort to buy the retreat until something is done about the migrants.

18. John Rymer asked how the down payment would be raised and what would be the collateral. The reply was, World Changers, Inc. would finance at 6 or 7% the balance after the 1% binder and the downpayment.

19. Frank Carter was recognized. He stated that he will not obligate his church for X numbers of dollars for 10 years without more information. This was a new piece of property which cost more money. He felt that he needed more information and time to inform his members and learn their desires.

20. Kendall Taylor was recognized. He asked how would the Camp become self supporting? The reply: Groups would pay for using the facilities and this would take care of operating expenses after a length of time.

21. The question was asked about the binder, Blalock replied that they did not have the authority to make a binder.

22. Billy Dotson spoke of Camp Caraway Camp for RA boys. Boys taken to camp had been saved each year. We could use these facilities to reach others to Christ.

23. Charles Magnet was recognized. He referred to the maintenance bill at Camp Truett of $20,000 and stated that half of this amount was for maintenance of the swimming pool, which we would not have, and the salary for the caretaker was also included, we would not have a caretaker. Therefore he felt that $6,000 would be a more reasonable figure annually. This would probably even include some repair.

24. Jim Byrd asked, How could we operate without a Director to coordinate activities such as guards, lights turned on and planning of activities? The reply: It would be necessary to have a Camp-Retreat committee. It would require constitutional changes and appointment of a standing Camp Retreat Committee. Until then it would be the responsibility of the Director of Missions.

25. Forest Nash asked for the approximate cost to get it into shape for use for use for the first retreat, financially. The reply: The Health Department says if we use paper plates and cups, it could be used now. There is not a commercial dishwasher which is required if other plates and cups are used. There is a stove, refrigerator and an established kitchen. A tap fee of from $1,200 to $1,500 for City water would be needed. He asked for more specifics as to total cost.

26. Walter Taylor was recognized. He stated that he also had a burden that we are putting first things that should not be first. He referred to the church buildings in the association. He then referred to Haggai which referred to the people living in ceiled houses when other houses ought to be built. There are people here who have not heard and responded to the message of Christ. We are held responsible for that. When the request was made for the 2%, many responded. How can we depend on taking a $160,000 debt with only 24 churches present and we do not know what the others will do? We need to put first things first.

27. George Roberts stated that all who were present were interested and the Camp-Retreat could be useful in advancing the Lord's work. But if the question were put tonight, some would vote negative or not vote because they need more information. He then made the following motion: I make the motion that the motion be tabled until such a time as the churches could be properly informed after which another meeting would be called to vote on the issue. Charles Magnet seconded the motion. It was voted and carried.

28. Dean Weaver adjourned the session of the Carolina Baptist Association. It was adjourned with prayer.

NINETY-NINTH EXTENDED SESSION
of
CAROLINA BAPTIST ASSOCIATION - May 22, 1977

1. The extended session of the Carolina Baptist Association was called to order by Dean Weaver, Moderator, May 22, 1977 at 3:00 P.M. at the Bear Walla Baptist Camp site. The purpose of the meeting was to hear the report of the Camp-Retreat Committee and vote on the purchase of the property.

2. Joseph Godwin led in prayer.

3. George Roberts made a motion that the motion be taken from the table.

4. Dean Weaver recognized Bill Blalock who made a motion to accept the original motion with the following modifications: 1. To pay $160,000 with a $2,000 down payment to be made on or before August 13, 1977. (2) From the original tract, 10 acres will be excluded in front of the Robert Burt residence. 3. To request a three-fourths majority of those present in order for the property to be purchased. Dean Weaver asked that these modifications be accepted by common consent. They were accepted.

5. The Moderator opened the floor for discussion. Roy Bradford asked to read a letter from Samuel Padgett, association treasurer. Bradford had contacted Padgett to learn the financial status of the association. He was given a copy of a letter to Latt Beshears, Director of Missions, stating Padgett's views since he could not be present. While not disapproving the purchase, he pointed out that the association could not assume a $160,000 debt on the operating budget of the association. He expressed the need for a separate Treasurer and Finance Committee.

6. A roll call of churches showed 29 churches represented with 127 messengers and 47 visitors present giving a total of 174.

7. Shaws Creek reported that their response was yes all the way.

8. The question was asked will messengers not present be allowed to vote? The Chair ruled that if the messengers not present had instructed anyone to vote for them they could vote.

9. Joe Godwin was recognized. He requested that we be realistic and consider the financial struggle. He said we cannot lay aside stewardship in managing God's work. The association is not self-supporting. It receives about $100 per month from the Baptist State Convention. He felt we should be able to carry our own weight in our own situation before we assume a $160,000 debt plus interest and upkeep. With the total operating budget it would not be expedient or feasible.

10. The question of financing was raised. There would be a $46,000 down payment, but when would the other five installments be due? Reply: Annually. Bill Blalock stated that if 1500 resident members would pledge $10 per month for a year this would be $180,000. A question as to the upkeep was raised, and how long it would be needed. Reply: Upkeep would be based on $1 per resident member per year as long as the camp was owned by the association.

11. A question was asked about the number of resident members. Reply: according to the 1976 church letters there were 15,650 resident members.

12. Dwight Bennett was recognized. He stated that he had worked with various organizations in Henderson County for 41 years and that when they have a challenge they respond. When a project is started they take on the obligation. The youth should have the right kind of place to go, properly supervised. The churches have never met this responsibility. He was in favor.

13. Harold McKinnish was recognized. He stated that his church took no vote and might have needed to consider it more. He considered it the buy of a life time. We should weight the future and see the possibilities.

14. The question was asked about another committee being appointed. Reply: It would be recommended that a Development Committee be appointed.

15. J. V. Queen, West Hendersonville Church, stated that for 40 years he had paid tithes systematically and that the more he gave to the Lord the more he gave back. He felt that the association could buy the property and never miss it.

16. George Roberts referred to a song in which Baptists are referred to as "praying Baptists." The Missions Committee has for a number of years been praying about the matter of a Camp-Retreat. They did adopt as a long-range plan of the association to acquire when possible a suitable camp for developing of Christians. His church had discussed the matter thoroughly after receiving full information. His church was almost 100% in favor of it. He felt that this is the day, the time and the place. Several doors have been closed but he felt that if this door was closed it would not be God but us who closed it. He was fully in favor.

17. Question: Who would be responsible for development? Reply: A Camp-Retreat Committee would be appointed. They would ask the Baptist State Convention of N. C. for help to outline and develop it.

18. Allen Jewett suggested that a church take a cabin as a project to renovate. This would eliminate a lot of cost.

19. A question was asked about the lake. Reply: The lake had been checked by the Health Dept. and is safe. One would need to be drained, cleaned and refilled.

20. Question: Could the camp be used before August 13? Reply: Yes.

21. R. P. Hamby asked about taxes. Reply: Carolina Baptist Association is a tax exempt organization and no taxes would be due.

22. Latt Beshears expressed his personal feelings about the camp. He said, we are talking about people and not money. The biggest question is not how are we going to pay for it. It is not a matter of money. The question is "What will this do for people to carry the Gospel to the ends of the earth?" At the Annual WMU meeting we were told by a missionary that camps are the channel through which foreign missions are fed. More respond to Christ at Camp-Retreats than anywhere else. It is time for Carolina Baptist Association to do something. This is the first challenge in a long time. Let us commit ourselves to the will of God. Beshears challenged all today to give deep prayerful consideration to what this could do for the cause of Christ.

23. The question was called for.

24. The vote was taken with 92 voting for and 41 voting against. This was not a three-fourths majority. A question of churches who had abstained being able to vote at a later time was discussed.

25. Alex Booth rose to a point of order. Our denomination is organized on the basis of messengers, not delegates. At this meeting each person is free to vote his own convictions. For churches to instruct messengers how to vote would violate the Constitution since they would then be delegates and not messengers. Therefore the motion to allow delegates to be instructed to vote was out of order.

26. A motion to adjourn was not carried.

27. Joe Wray immediately requested a roll call of all messengers and a vote by those present.

28. Another vote was taken. Eighty-nine voted for and twenty-eight against. The motion was carried with a three-fourths majority of those present.

29. Charles Magnet made the following motion: "I move that this body grant the authority to the Association Moderator to appoint a committee of five (5) to serve as Camp-Retreat Committee to work under the direction of the Director of Missions until the new associational year and that this committee be appointed within the next ten days." The motion carried.

30. R. P. Hamby led in prayer closing the extended session of Carolina Baptist Association.

PROCEEDINGS
of
THE ONE HUNDREDTH ANNUAL SESSION
of
CAROLINA BAPTIST ASSOCIATION, INC.

1. The 100th annual session of the Carolina Baptist Association, Inc. was called to order by Dean Weaver, Moderator. Allen Jewett led in singing the hymn, "Forward Through the Ages." James Byrd led in the worship period. "Forward Through the Ages" was his theme and 1 Cor. 2:1-10 his text. He emphasized that "Forward Through the Ages" comes when we proclaim the person of Jesus Christ and the power of the Holy Spirit. He closed with a prayer of gratitude for those who proclaimed Christ in the ages behind us, for those who are charged with the responsibility of proclaiming Him today, and for those who will come after us.

2. Robert Couch, host pastor, welcomed those attending this historic occasion, the One Hundredth Anniversary of the organization of Carolina Baptist Association, at Double Springs Baptist Church, October 19, 1877.

will come later for Bethel to unite with the association. Those recognized who were not present were: Owen Duncan, Ebenezer; C. C. Billingsly, Mt. 7. Allen Jewett led in singing the hymn, "Blessed Assurance."

8. The Moderator recognized Jimmy Cox for the Church Training Report. He moved its adoption. The report was adopted. Jimmy Cox then introduced those who would direct different areas of work in Church Training. Adult Director, Phil Frady, said that a Questionnaire concerning A Seminary Extension Unit in Carolina Baptist Association, was on the tables. He asked that those interested fill out the forms to give an idea of interests and how to get started. More information will be given at "M" Night. This is for laymen as well as pastors, anyone who wants to know more about the Scriptures and how to apply them to their lives. Youth Director, Jimmy McKinnish, introduced the Youth Officers: Lynn Wise, treasurer; Bryant Smith, president; David Riddle, first vice-president; and Tina Rhymer, secretary. Each expressed a desire for God's help and the prayers of the people in undertaking this job. Children's Director, Mrs. Dan Blackwell explained the Children's Bible Drill. Participants are to learn 36 verses and 10 Key passages. She urged more participation by the churches this year.

9. Dean Weaver recognized Avery Simpson for the Brotherhood Report. He moved its adoption. The report was adopted.

10. The Moderator recognized Mrs. Dan Blackwell for the Woman's Missionary Union Report. She moved its adoption. The report was adopted. Mrs. Blackwell used posters to announce coming events. The Foreign Mission Book Institute will be held at Upward Baptist Church, November 3. This will be to teach teachers to teach the Foreign Mission Books. The World Day of Prayer will meet with the Mud Creek Association at Union Grove Baptist Church, November 7. She urged the Brotherhood to join with the WMU in observance of the World Day of Prayer.

11. Allen Jewell led in singing the hymn, "Rock of Ages."

12. Dean Weaver called for the report of the Committee on Enrollment. There were 154 messengers and 37 visitors giving a total attendance of 191.

13. W. W. Willingham presented the Missions Committee Report. He called attention to these recommendations in the report. (1.) As a follow-up of a recommendation of Sam Padgett at the last annual association meeting, the Missions Committee checked with the Henderson County Social Services Agency to determine the need and feasibility of providing a Children's Shelter Home. There is a definite need, however, finances would not warrant purchasing a centrally located home at this time. The Missions Committee recommended checking into the possibility of opening individual homes. This would be done on a volunteer basis in connection with the Social Services Agency. (2.) We recommend that Carolina Baptist Association, Inc. check into the desirability of opening a Mission on Seventh Avenue, East. Controlled by the Association, with the possibility that one of the churches closeby will take over the sponsorship. He moved the adoption of the report with these recommendations. The report and recommendations were adopted.

14. Mrs. Irma Roberts, Operator of the Mission Store, was not present. Latt Beshears moved the adoption of the Mission Store Report. The report was adopted.

15. Dean Weaver recognized Latt Beshears for the Director of Missions Report. He moved its adoption. The report was adopted. He expressed appreciation to the churches and individuals who have responded in the way of finances for the expenses of the association. We are not getting enough to meet the budget, but we are getting more than we ever have before. He urged the

churches to give at least 2 cents of each dollar of the regular offering to meet the budget. He called attention to the Calendar of Events. In referring to the Digest of Letters, he said, "The Sunday School is the key to the spiritual growth of your church. Through a wide awake Sunday School enrollment, more are won to Christ than those not enrolled in Sunday School." He pointed out that amounts given to Bear Walla Baptist Camp were not included in the Digest of Letters because many gave as individuals as well as through the churches. He suggested that everyone take the pamphlets on the tables, especially "Get Acquainted with Southern Baptists." He expressed appreciation to the Camp Finance Chairman, Wayne Wildes, and his committee, to Camp Development Chairman, Joe Wray, and his committee for faithfulness, support, and work toward raising money for Bear Walla Baptist Camp. He considered it a miracle that this much money had been raised in such a short time. To him, it said, Carolina Baptist Association wants something meaningful and helpful for every church and are willing to pay the price for it. He expressed sincere thanks to churches and individuals for support toward purchase of the camp property.

16. Dean Weaver recognized Joe Wray for the Bear Walla Baptist Camp Report. He moved its adoption. The report was adopted. Joe Wray recognized members of the Development and Finance Committees for reports. Wayne Wildes thanked everyone for their co-operation in raising the money. He said he felt he was in God's will in leading this campaign; a lot of prayer and work had gone into it. And that we were just one signature away from closing. The upadated finance report showed that $48,799.36 had been raised for purchase of the camp. Dwight Bennett commented that it was most fitting that this camp had been started during the 100th Anniversary of the Association. He stressed the need for volunteers to help develop the camp. Bill Blalock was called to share again the vision of the Camp Committee. He defined ministry as co-laborers with God. This applies to individuals, churches and the association. When you work together you get to know each other. We are not alone in this, but especially we are not alone in serving our Master and our King. Joe Wray mentioned the beautiful singing tonight on our 100th Anniversary and wondered how people will thrill 100 years from now to be singing in this camp that we are developing at Bear Walla. Joe Wray presented the following recommendations of the Camp Committee. (1) The Camp Committee be authorized to obtain a Camp Caretaker and provide lodging and utilities for the services of the Caretaker. (2) The Camp Development Committee submit their budget to the Executive Committee of the Carolina Baptist Association, Inc. for approval. (3) The Trustees of Carolina Baptist Association, Inc. be instructed to provide adequate insurance for the camp property. He moved the adoption of these recommendations. The recommendations were approved.

17. Dean Weaver called for the Historian's Report. C. F. Jervis, Historian for the past fifteen years, was recognized. Mr. Jervis said, "We are standing on Holy ground. One hundred years ago a group met here and organized Carolina Baptist Association. In 1944 I was on the program for the Centennial of Hendersonville, First Baptist Church. I was given 20 minutes to tell the accomplishments of 100 years. Twenty-five years later, I was given 10 minutes to tell what had been accomplished in 125 years. Tonight, with two songs and a speech, I have 5 minutes to tell what has been accomplished in 100 years." He went on to report that Carolina Baptist Association was organized October 19, 1877 at Double Springs Baptist Church. Six churches were represented with few members. These pioneer preachers were lacking in "book" education but knew the Bible, knew how to preach and pray. The first sermon was by M. E. Smith, also elected the first Moderator. His text was "Behold how great and pleasant it is for brethren to live in unity." He mentioned a number of pioneers in Carolina Baptist Association. He then reported that he could no longer serve as Historian for

Carolina Baptist Association. He had served 15 years. He wished God's blessings on his successor. He was given a standing ovation.

18. R. P. Hamby came to announce that a booklet of Minutes of the Carolina Baptist Association for 1877 were available for $1.00.

19. Allen Jewett presented the Special Music. He sang, "Ring the Bells, Ring the Bells."

20. Latt Beshears introduced the speaker, O. D. Martin, Jr., formerly a missionary to Brazil, now serving as the Director of the Division of Stewarship of the Baptist State Convention of N. C. He spoke on the Bold Mission Thrust, using Acts 1:8-9 as his text. He said Jesus gave specific, detailed instructions to his disciples and to us, about how to win the world for Christ. When the power of the Holy Spirit is come upon you, you will be my witness here and around the world - BOLD MISSION THRUST.

21. Dean Weaver called for prayer to adjourn the evening session of the 100th annual session of Carolina Baptist Association, Inc., to reconvene Tuesday morning at 9:00 A.M. at Tryon 1st Baptist Church. Larry Patton dismissed with prayer.

MORNING SESSION

22. Dean Weaver called the session to order. James Richardson led in singing the hymn, "Onward Christian Soldiers." A period of prayer led by Joe Godwin was observed in the absence of Leon Nicholson for the worship period.

23. Dean Weaver recognized the visitors. They were: Mr. and Mrs. Marse Grant, Raleigh, Editor of the **Biblical Recorder**; Hugh Starnes and Fred Loftin, Baptist Children's Homes; Mrs. Helen Huntley and Harrold Burrell of Tryon.

24. James Richardson, host pastor, extended a cordial welcome to Tryon First Baptist Church.

25. The Moderator recognized Raymond Byrd for the Migrant Report. He moved its adoption. The report was adopted.

26. Dean Weaver called for the Baptist Children's Homes Report. In the absence of Mrs. Lucy Sitton, Mrs. Dan Blackwell moved the adoption of the report. The report was adopted. Hugh Starnes, Baptist Children's Homes Representative, spoke to the report. He told of the four Emergency Care Homes. Twenty-five from this area have been given this care. At the present time there are five from this area receiving care. There are fifteen Foster Homes in seventeen western countries. The difference in these Foster Homes and others is the Christian couples who direct them. Another aspect of the Baptist Children's Homes in which individuals can be involved is the Thanksgiving Offering, the Cooperative Program, a clothing sponsor and including the Baptist Children's Homes in their wills. He challenged Carolina Baptist Association to join hands as individuals to care for boys and girls.

27. Condred Pirkle was recognized for the Baptist Home for the Aging Report. He moved the adoption of the report. The report was adopted.

28. Dean Weaver called for the Baptist Foundation Report. Harold McKinnish was recognized. He moved its adoption and then spoke to the report. The report was adopted. He defined the Baptist Foundation as your investment that will live on after you have changed your residence from this world to Heaven. It is your money working after you have gone to be with God.

29. Dean Weaver recognized James Richardson who introduced the special music. Harrold Burrell sang "Let There Be Peace on Earth" accompanied by Mrs. Helen Huntley.

30. Dean Weaver introduced Dr. Forrest Feezor, Interim pastor at Hendersonville, First Baptist Church, for the morning message. His Scripture was Isaiah 51:1-7. His text was "Look unto the rock from which you were hewn

and the quarry from which you were dug." He urged that we Baptists keep our Baptist heritage. Keep the heritage of the conviction that one must be born again, personally accept Jesus Christ, and that church members are baptized believers. He closed with prayer.

31. James Richardson led in singing the hymn, "Send the Light."

32. Dean Weaver called for the Treasurer's Report. Sam Padgett presented the Treasurer's Report. He noted that the Carolina Baptist Association and the Carolina Mission Store were incorporated and the report was a combined report. One item, $400 as an appreciation gift to the Director of Missions, should be added to the $988.46 listed under miscellaneous expenses, making that figure read, $1,388.46. This amount is included in the totals. He moved the adoption of the Treasurer's Report with this change. The report was adopted. He gave recognition to Mrs. Irma Roberts and Mrs. Hazel Duncan for their work during the past year. He then presented the Proposed Budget. Jack Gallagher made a motion that the salary of the secretary be raised $25.00 per week. It was seconded. In discussion, Latt Beshears pointed that the secretary was not full time but worked 20 hours per week and was paid $3.44 per hour and was paid for any overtime. John Rymer made a substitute motion. He moved that this matter be referred to the Finance Committee. The motion carried. A standing vote was then taken on the adoption of the Proposed Budget. The motion carried.

33. Dean Weaver moved the adoption of the Executive Committee Report as printed. The motion was carried.

34. The Moderator called for Miscellaneous business. The Committee on Membership Report was called for. In the absence of the chairman, Coy Harris, Dan Blackwell was recognized. He made a motion that Carolina Baptist Association, Inc. receive the Bethel Baptist Church, Route 2, Arden, NC, Pastor, Jack Holland, into full fellowship in the Carolina Baptist Association, Inc. Latt Beshears then recognized Jack Holland and members who were present. Dean Weaver gave Jack Holland and members the right hand of Christian fellowship into the association. James Richardson commended Holland for his attendance at the Minister's conferences during the past year and his spirit of co-operation.

35. Latt Beshears then reported that Roy Bradford, pastor of Bearwallow Baptist Church, was seriously ill, had been reported to have terminal cancer. He requested that all remember him, his family, and church in prayer. A period of prayer was observed, led by O. Afton Linger asking God's blessing and strength.

36. Dean Weaver stated that since this terminated his service as Moderator, he would preside for the election of officers. The floor was opened for nominations for the office of Moderator. James Richardson nominated Charles Magnet. It was seconded. It was moved that nominations cease and Charles Magnet be elected by acclamation. The motion carried. The floor was then opened for nominations for Vice-moderator. Frank Carter nominated James Richardson. It was seconded. It was moved that nominations cease and he also be elected by acclamation. The motion carried. Nominations for the Treasurer was called for. Charles Magnet nominated Mrs. Hazel Duncan. It was seconded. Dan Blackwell nominated Sam Padgett. Sam Padgett was elected Treasurer.

37. Latt Beshears brought this item for consideration. That the Treasurer assume responsibility of both treasuries, the Association and Bear Walla Baptist Camp and that he be given the books. He suggested an honorarium be paid the Treasurer. This would give the office more time to assist the churches. Charles Magnet stated that the Constitution calls for one treasurer to keep the books.

38. James Richardson led in singing the hymn, "Banner of the Cross."

39. Dean Weaver asked that Jack Gallagher, Jackie Stafford, and Larry Patton meet with him at the close of the morning session.

40. Dean Weaver recognized Harold McKinnish for the Evangelism Report. He moved the adoption of the report. The report was adopted. He then spoke to

the report. He recommended two things, (1) That churches have warm spiritual worship services and (2) a real Program of personal witnessing. Then churches will have a Bold Mission Thrust.

41. The Moderator called for the Sunday School Report. Charles Magnet moved its adoption. The report was adopted.

42. Dean Weaver announced that the Vacation Bible School Report had been moved to the afternoon session.

43. The Moderator moved the adoption of the American Bible Society Report in the absence of W. W. Willingham. The report was adopted.

44. Dean Weaver moved the adoption of the Christian Literature Report in the absence of Alex Booth. The report was adopted. Marse Grant, editor of the **Biblical Recorder**, could not speak at this time. The Moderator ruled that his report be heard later.

45. The Moderator called for the Temperance and Public Morals Report. Don Taylor of the Buncombe County, president of the Christian Action League, was recognized. He moved the adoption of the report. The report was adopted. He then spoke to the report. He stated that the job of the Christian Action League is to inform churches as to what are the issues. He urged that the people let the voice of the church be heard. He listed three ways in which this could be done: 1. Contact your legislator, 2. Sign the resolution regarding your stand on liquor-by-the-drink, and 3. Put Christian Action League in budget and support.

46. Dean Weaver recognized Marse Grant to speak to the Christian Literature Report. Mr. Grant reviewed the History of Carolina Baptist Association as related by Mr. C. F. Jervis at the night session. He remarked about the importance of Associations as a distinctive in Baptist life. There are 80 associations and seventy Directors of Missions in North Carolina. He saw more excitement in Baptist life today than ever before. He gave three reasons for this as: (1) The Cooperative Program , the financial lifeline for Southern Baptists in world mission work, educational and evangelistic; (2) The goal of the Southern Baptist Convention that every person be in reach of a Southern Baptist Church or Mission by the year 2000; and (3) The Mission Service Corp, whose goal is to have 5000 lay missionaries in 88 countries and all of the United States areas by 1982. He said that the **Biblical Recorder** had been in business forty-four years before Carolina Baptist Association was organized and probably covered that story. The 1977 Centennial story of Carolina Baptist Association, Inc. will be covered in the next issue of the **Biblical Recorder**.

47. James Richardson introduced the special music. Shelia Miller of Tryon, First Baptist Church, sang "People to People."

48. Jackie Stafford called upon Frank Carter to read his text. He read Matthew 28:16-20 and led in prayer. Jackie Stafford then brought the Centennial Annual Sermon. "The Church in Three Dimensions" was his theme. The church in the past, the present, and tomorrow. He began with a look at the apostolic church. The church was built on Jesus Christ using people. The churches of that day had similar problems to those faced today, however, the word of truth continues to be proclaimed by the faithful. Today statistics show that more people attend church in an average week than attend all the major sports - baseball, football and basketball - in an average year. Seventy-one percent of the population is affiliated with some religious organization. In reality many people are church affiliated for social purposes rather than for Jesus' sake, leaving a large number who need to be evangelized. In looking to the future, Southern Baptists are planning to reach out with the world as its target. The Foreign Mission Board has challenged us to have 5000 Foreign Missionaries in 125 countries by the year 2000 A.D. Our Home Mission Board anticipates increasing from 2200 to 3600 the number of Home Missionaries, and from 1750 to 6500 the short-term workers. Gifts to the Cooperative Program must increase to 330

million dollars if we are to continue what was done in 1975 when we received 126 million dollars. If we are to reach our goal of evangelizing the world by 2000 A.D., we must stop talking and start doing. The question each one must ask himself is, "How will the record read according to my part in the church of tomorrow?"

49. Dean Weaver asked everyone to stand for prayer and that this prayer serve as the blessing for the noon meal. Jackie Stafford led in prayer. The session was adjourned until 1:15.

AFTERNOON SESSION

50. Dean Weaver called the evening session to order. James Richardson led in singing the hymn, "All Hail the Power of Jesus Name." On behalf of Hugh Starnes, he thanked those who had brought items for the pounding for the Baptist Children's Homes. Ray Lineville led the worship period. Owen Duncan was unable to attend. He read Ephesians 4:7, 11-16. He said if we don't win this generation in which we live to Christ, we will never have another opportunity.

51. Dean Weaver asked that by common consent the order of business be changed. It was adopted.

52. Dean Weaver called at this time for the report of the Christian Education Report. The Moderator moved the adoption of the report. The report was adopted. Dan Proctor, Professor of Biblical Languages at Gardner-Webb College and supply pastor at Bearwallow, spoke to the report. He listed two ways for institutions of higher education to stay close to the people. (1) Call to support in a financial way through the Father's Day Offering, and (2) Send colleges your young people.

53. The Moderator called for the General Board Report. Frank Carter moved its adoption. The report was adopted. He then spoke briefly to the report. He stated that the Bold Challenge years were 1977 to 1980. This includes all phases of life not just one phase of church life. He urged pastors and laymen to attend the Baptist State Convention, November 14-15, at Charlotte, NC. The attendance goal is 6000.

54. The Moderator called for the Annuity Board Report. O. Afton Linger moved the adoption of the report. The report was adopted. He spoke to the report. He reported that 25 churches and the Director of Missions participated in the Annuity Program in Carolina Baptist Association. This is less than half the churches. He urged all churches which were not in the program to enroll their pastor now.

55. James Richardson led in singing the hymn, "Bring Them In."

56. Dean Weaver recognized Marvin Chapman, Director of Caswell Baptist Assembly. He brought greetings and spoke of the transition and evaluation period at Caswell Baptist Assembly.

57. Dean Weaver called for the Foreign Missions Report. Mrs. Prudence A. Riffey moved the adoption of the report. The report was adopted. Mrs. Riffey asked the audience to read in unison the objectives of the Total Mission Thrust. The goal of the Southern Baptist Convention is to take the Gospel to everybody by the year 2000. This would call for sending out 7,000 new missionaries. President Carter challenged Southern Baptists to send out 10,000 volunteers to work with Career Missionaries. Brazilian Baptist have a new field of missions in California. The Brazilian Foreign Mission Board sent out missionaries to Portuguese speaking people in California. Mrs. Riffey discussed several publications which would be helpful in informing people about missions. She stated that you cannot expect people to be interested if they do not know. She challenged those present by showing a Brazilian oil lamp and saying that our Mission Thrust is more like this Brazilian lamp than fluorescent lights.

58. Audrey Saunders present the Home Mission Report and moved its adoption. The report was adopted. Miss Saunders called attention to Volunteer Involvement for Missions, V.I.M.. It is a cooperative venture of the Home and Foreign Missions Boards, WMU, and Brotherhood. It is for lay people who wish to contribute their time, talent, and finances for short or long term mission projects, at home or abroad.

59. Frank Carter presented the State Missions Report. He moved the adoption of the report. The report was adopted.

60. Dean Weaver called for the Cooperative Program Report. R. P. Hamby moved the adoption of the report. The report was adopted. He made six recommendations which were read.

61. George Roberts presented an effective tribute to those who have gone on before and left their foot prints in the sands of time. He then read the names of the deceased as reported in the church letters. James Richardson led in singing the hymn, "In The Sweet By and By."

62. Dean Weaver called for Miscellaneous Business. Charles Magnet made the motion that the Camp Development and Finance Committee continue through next association year. The recommendation was adopted.

63. Dean Weaver recognized Alex Booth. He brought the recommendation from the Committee on the Constitution that the printed changes presented at the night session be adopted as printed. He moved the adoption of the recommendations. The motion carried.

64. Dan Blackwell made a motion that through the Executive Committee, the leaders and pastors do everything possible to become self-supporting in 90 days. The motion was seconded. In discussion, Latt Beshears said he was in agreement with Mr. Blackwell and that the Executive Committee would need to decide whether to request aid from the Baptist State Convention. One asked how we could do in 90 days what had not been done in two or three years? Marie Blackwell said, if we are going to have a Bold Mission Thrust, let's go all the way. George Roberts said we are only receiving back part of what we send to the Baptist State Convention. Larry Patton said if we are asked to request a smaller amount of aid each year this would take care of the situation. Frank Carter stated that there are few associations which do not receive some aid and that in view of the added expenses for the camp we might need that aid. John Rymer stated that he too was in favor of being self-supporting. He made a motion to table the motion until the November Executive Committee meeting. The motion was tabled.

65. John Rymer noted that recognition should be given C. F. Jervis and W. B. Sinclair for their faithful and long service. He moved that the matter be referred to the Executive Committee meeting. The motion carried.

66. George Roberts presented the Committee on Committees Reports. He moved its adoption. The report was adopted.

67. The Committee on Preacher and Place made the recommendation that the Night Session be at Mountain Valley and the Day Session at French Broad. The Preacher to be W. W. Willingham and the alternate, Jimmy Cox. The report was adopted.

He referred to the story about Dr. Courtland Davis in the Baptist Hospital Report and said this is just one of many true stories about him. He told of Bernie Johnson, an orderly, who worked overtime with no pay when a disaster occurred. He said this is an example of the dedication of those who work at the hospital. He brought thanks from the patients for help given through the Mother's Day Offering. He challenged each one to be part of people helping people.

GENERAL BOARD

The first meeting of the General Board in 1977 was in the auditorium of the new Conference Center at Caraway on January 25-26. The second meeting was on the Campus of Wingate College July 12-13. Our next meeting will be at Camp Caraway, October 11-12.

Among the many significant actions that were taken, I mention a few:

(1) The election of Officers - Rev. Bob Shepherd, President; Rev. Alton McEachern, Vice-president; Miss Ruth Williams, Secretary.

(2) Report on Car Fleet - The bid was given to Graham Chevrolet Company, owned by Mr. Ed. Love. Make - Chevelle Malibu.

(3) Mr. Fred Smith resigned as Manager of Caswell. Dr. Nathan C. Brooks to serve as interim.

(4) Dr. Cecil Ray reported that the Executive Committee hopes to pay off all Convention debts in a two-year period, if the State Missions goal of $1,385,000 is met this year.

(5) Dr. Ray presented the Challenge of the four Bold Years, 1977-1980. The climax year will be 1980, the 150th anniversary of the Baptist State Convention of North Carolina. A definition of the four Bold Years sets forth: a bold commitment by our people in all phases of church life; a major advance in mission support; encourage church growth; and to inform our people on our Baptist heritage.

In the July meeting a tribute was paid to Mr. Joseph O. Stroud, now deceased, for his work in North Carolina in the field of music. Dr. Cecil Ray presented a plaque to Mrs. Stroud in honor of the 21 years of distinguished service rendered by Mr. Stroud.

Here are several important things that were presented:

1( ) Recommendation concerning Wake Forest University.

(2) Budget program proposals.

(3) Chowan College's request to borrow up to $1,750,000 for construction of new Gymnasium/Physical Education Center.

(4) Gardner-Webb College's request to enter into a 10.5 million dollar financial campaign for the purpose of endowment, new construction, renovations, and annual operations.

(5) A recommendation was made for "Bold Attendance" at our annual Baptist State Convention, November 14-16, in Charlotte. An attendance goal of 6,000 Messengers was set. More emphasis is being placed upon more involvement by lay-Christians in our Convention work, which is good.

Respectfully submitted,
Frank Carter

EXECUTIVE COMMITTEE

In the November meeting we considered the need to assist those students who served among the migrant workers with remuneration for mileage. Fifteen cents a mile was determined as scale for payment, and ninety-six dollars was given toward their service.

An amount of four hundred dollars was allotted for added hours of secretarial help in preparation of the associational minutes.

The Billy Graham Crusade in Asheville, March 1977, was also a subject of concern but no definite plans were made for Associational involvement.

In the March meeting Sam Padgett reported that the number of churches

giving to the support of the Association had increased, and that finances were the best they had been in years.

A brief report from the Camp-Retreat Committee was given, stating that things were in order for Associational action. It was announced that a called meeting of the Association would convene at Mud Creek Baptist Church on April 25, at 7:30 P.M. Churches would elect messengers to this meeting as they had been accustomed to doing for the regular annual meeting.

Special emphases were noted concerning Music and the Brotherhood. A special program of singing would be promoted at Thanksgiving rather than at Christmas. A plea was made for an Associational R.A. Director to serve in the place of Preston Capps, who had passed away. Prayer was urged for local churches in Spring revivals.

In the June meeting, the committee on nominations submitted the name of Arthur J. Redden, Jr., to serve as a trustee of the Association. He was nominated to serve in the place vacated by the resignation of John Sinclair.

The financial report for the quarter was presented along with the proposed budget for the new associational year. After questions and qualifications the new budget was adopted.

Joe Wray, Chairman of the Camp Development Committee gave a brief report on the responsibilities of the committee. He outlined the preliminary plans for development, which included sub-committees (Finance, Long Range Planning, Program Development, Building and Grounds, and Communications), urging full support for financial hurdles ahead. Also By-Laws were presented and adopted as a guideline for the camp, to be studied by the constitution committee and made a part of the Carolina Baptist Association Constitution.

In the September meeting we decided to purchase an addressograph to replace the one now insufficient for service. The amount was not to exceed thirteen hundred and eighty dollars.

The Missions Committee was given the authority to investigate the possibility of sponsoring a mission station on Seventh Avenue in Hendersonville.

DIRECTOR OF MISSIONS

The books are closed in two ways for us in Carolina Baptist Association for the year of 1977. This marked our 100th anniversary as an association and also 1977 year's report. I do not have space to compare the growth year by year for the past 100 years. However, we can say, and it should be so, this is the best year we have ever had in so many ways. Financially and materially it has been the best year for our churches. Spiritually, we feel a warmth and closeness we have not felt before among our churches. I think we can say our churches are realizing that it is togetherness that we will get the job done that we are supposed to do. We just don't get much accomplished when we walk alone.

A perfect example of cooperation has been seen and experienced in raising over $48,000 to make a down payment on Camp Bear Walla. We urge you as an individual and as a church to be patient and much in prayer for the developing of the camp. It cannot be done in a year or so. What I mean, is to have a well-rounded program and adequate facilities in a short time. We can say this, that what we will have, will be on a high spiritual level.

This has been a busy year for your Director of Missions. It also have been an enjoyable one.

BROTHERHOOD

This year has been a fairly good year. Two new units have been organized and three have been reorganized. We hope that 1978 will be a better year.

We had a good camp out at Lutheridge December 3-4, 1977. Brother Frank Moore of Hot Springs, N.C. was our speaker.

Please men, we need your help if we are to have a strong witness for our Lord in our association.

ROYAL AMBASSADORS

We are not sure how many RA Chapters we have in the Carolina Association due to reports not being made regularly. We urge each chapter to send in a monthly report to the associational office.

We had some twenty-four boys grades 1-3, in camp in August at Bear Walla Baptist Camp. The week was a rich and rewarding experience for all. Various pastors of the association served as pastor for the day. The counselors were students from Fruitland Baptist Bible Institute, along with Avery Simpson, Brotherhood Director and Latt Beshears, Director of Missions assisting.

Mrs. Tilden Bridges, who has been appointed along with her husband to serve in Taiwan, by the Foreign Mission Board, was a great help leading the boys in music for the week.

Plans are being made for an over-night camp-out for boys grades 4-12 this fall. If we can be of help in getting R.A.s started in your church, please call us.

WOMAN'S MISSIONARY UNION

The year 1976-77 offered the Carolina Association the opportunity to attend the State Annual WMU Session in nearby Asheville Civic Center. We had at least sixty messengers from our churches that attended one or more sessions.

The Executive Committee met quarterly for planning, studied our Associational Manual, attended the Officers workshop at Fruitland, and worked toward our Leadership Diplomas.

A contribution was made to the Lottie Moon Christmas Offering in memory of our dear secretary's husband, Mr. Howard Sitton. We had several churches that called on us to help organize various organizations; namely, Mountain Page and Barker Heights for Baptist Women, and West Hendersonville for Girls-in-Action.

Baptist Women were offered specialized training in the fall in the Mission Study, Mission Action, and Mission Support areas. Also, Mission Book Institutes were offered for the Home and Foreign Mission Graded Series. The Brotherhood attended these with us.

The Baptist Young Women heard Miss Olive Lawton, retired missionary to China-Taiwan, at their banquet meeting. The Acteens heard Rev. Latt Beshears speak on Associational Missions, also, Miss Ruth Pace showed slides of the Holy Land.

In July, our G.A.'s grades 1-6, enjoyed Day Camping at Camp Bear Walla with 55 girls attending and eight workers, along with a camp pastor from different churches being with us for each of five days. Christmas in August was observed by the campers on Wednesday at the camp and a large box of suggested articles was sent to Lynchburg, Va. Some articles were given to our migrant ministry. Mission Friends had a good workshop with ten churches represented.

SUNDAY SCHOOL

One of the great needs in the Sunday Schools of our Association is for new enrollment. The only way to a higher average in Sunday School attendance is to have a higher enrollment. I would like to share some very interesting statistics concerning our Association and state in relation to enrollment. The basis for our statistics will come from the 1976 Annual. Let me say at the beginning that these statistics are not 100% accurate but they are close enough to give us a very good picture of our Sunday School situation.

In the Carolina Association we have 53 churches with a resident membership

of 11,898. The Sunday School enrollment in our Association is 8,619. We discover from these two figures that only 72% of our resident membership is enrolled in Sunday School. The average Sunday School attendance was 58% of our enrollment which means that only 42% of the resident membership of the Carolina Association was enrolled in the Sunday School program on a weekly basis. As you can see from these figures we have the opportunity of enrolling in our Sunday Schools of our Association 3,279 people who are already members of our churches but not of our Sunday Schools. I believe that this would be a good place to start - enrolling new members for Sunday School right now in our churches.

The Carolina Association is running behind the State Sunday School enrollment. We have 3,466 churches in the Baptist State Convention of North Carolina. The resident membership of these churches are 857,511 and Sunday School enrollment 707,685. This means that 83% of our resident membership of the Baptist State Convention is enrolled in Sunday School. From a quick glance we notice that Carolina Association is 11% behind the State average Sunday School enrollment in relation to resident membership. I believe that Carolina Baptists would do well to work this new Sunday School year in trying to enroll in Sunday School its resident membership. This I believe would be a worthy goal and a very gratifying one if reached.

VACATION BIBLE SCHOOL

It is with a grateful heart that I can say that Vacation Bible Schools have once again been a tremendous success. This year the V.B.S. Clinic was held at Ridgecrest. We had a team of workers who attended the Ridgecrest Clinic and then led our Assocaitional Clinic which was held at First Baptist East Flat Rock. The Associational V.B.S. Clinic leaders are to be congratulated for their interest and spirit of dedication in this area of work.

So far we have had 31 Churches reporting their Vacation Bible School. Totals are: Enrollment 2749; Professions of faith 29; Mission Offerings $1,167.92.

We appreciate the work of each person who participated in V.B.S. this summer and let us look forward to another good year in V.B.S.

To Carolina Association, may I say, "Thank You," for the privilege and honor of being your V.B.S. Director for the past ten years.

CHURCH TRAINING

"It has been said that if you fail to plan, you plan to fail." Much planning has been going into next year's Church Training. I cannot overemphasizing the importance of training in the local church. Without it, we move unprepared into the work of our Lord.

"M-Night" will prove to be an exciting event this year. The youth work in our Association will gain the priority it must have. Memorization of the scripture will be the emphasis of our children's work. Under the leadership of our Adult Church Training Director, a complete seminary extension program will be offered.

This year we are involved in three Church Training Clinics. A General Church Training Clinic will be offered for all Church Training Leaders and Officers. Two

special workshops will be conducted in our Association for Senior Adult Workers and the Mentally Retarded. Dates, details, for all these happenings in Church Training will be coming soon.

Together in one spirit, let us boldly move, well trained and in faith, into the future.

Jimmy Cox, Church Training Director

COMMITTEE ON ORDINATIONS

1. The committee on ordinations met on the Lord's Day, December 19, 1976, and examined Wade Thompson, a graduate of both Fruitland Institute and Bryan College, and Michael Norris, a senior at Furman University, Greenville, S.C. The First Baptist Church of Hendersonville ordained Norris on the Lord's Day, January 1977, at 3:00 P.M. Wade Thompson was ordained by the same church on the Lord's Day, January 16, 1977, at the evening hour of worship.

2. The committee examined Brother Marion Barnes, of Orangeburg, S.C., and he was ordained by the Mt. Moriah Baptist Church on the Lord's Day, July 10, 1977. He is a graduate of Fruitland Baptist Bible Institute.

3. The committee met and examined Brother Eugene Jones, on the Lord's Day, May 22, 1977. He was ordained by the First Baptist Church of Tryon on June 12, 1977. He attended North Greenville College in South Carolina.

4. The chairman of your committee had the privilege of preaching the ordination sermon for Brother Marion King, a student at Fruitland, on the Lord's Day, July 24, 1977. He is a member of the Enoree Baptist Church, Traveler's Rest, S.C., and has been called to a Church in Anderson, S.C.

REPORT OF THE MISSIONS COMMITTEE

The Missions Committee met four times during the year. These meetings were all centered around better ways to serve our Lord through our missions program. We feel that the meetings were highly profitable.

Following up on the recommendation of Samuel Padgett at the last Associational Meeting at Mount Moriah Baptist Church, the Missions Committee has checked with the Social Services Agency to determine the feasibility of our Association becoming involved with providing care and shelter for any boys and girls who come into our area with no place to go. Many of these boys and girls end up spending some time in jail. Mrs. Johnston at the Social Services Agency has indicated that there is a need. The Missions Committee gave consideration to the possibility of the Association securing a centrally located home to be staffed with qualified workers for this cause. Feeling that finances at this time would not warrant our doing this just now, the Missions Committee recommends that we check into the possibility of a number of our homes being made open to help relieve this situation. This arrangement would be on a volunteer basis, and each home would have to be thoroughly inspected and licensed.

The Missions Committee presented a recommendation to the Executive Committee meeting in September that a new addressograph be purchased for the Associational office. This recommendation met with approval, and a new machine was purchased through the Town Office Equipment Company at a cost of

$1,382.95.

The Missions Committee also makes the following recommendation: We recommend that the Carolina Baptist Association check into the desirability of our opening a mission on 7th Avenue. It would be understood that this mission would be under complete control of the Association, with the possibility that one of the churches closeby could take over the sponsorship.

We ask you to pray for and cooperate with a Christ-honoring Associational Mission Program, for we believe that this is both a responsibility and a privilege. Our Association can easily support such a program financially if all of our churches will do their part.

MISSION STORE

The Mission Store had a good year. During the three coldest months more was given than we sold. We gave 3,224 pieces of clothing ($1,550.10), 252 pots, pans and dishes $125.50, 34 sheets, 10 pillows, 20 pillowcases, 30 towels and wash cloths, 30 blankets, 5 spreads and 6 quilts for a value of $154.50. Also 4 couches, 6 chairs, 10 mattresses and 10 springs were given in the amount of ($210.75). Toys for Christmas came to $998.90. Some of these were new and some were big games for older children. Six meals for $7.50 were given. Rent for Kenneth Hall was paid, $140.00, assistance for Mrs. J. C. Anderson, whose husband was in Winston-Salem Hospital, was $200.00, help for the migrant family of James Noland was $10.00 and $103.00 was spent on the Migrant Ministry. The total value of items given during the year amounted to $3,039.75

CAMP BEAR WALLA REPORT

As Baptists throughout the world have sought to make this year of Bold Mission Action, the Carolina Baptist Association has boldly voted to develop an associational camp ministry and faithfully supported the founding of Bear Walla Baptist Camp. On May 22, 1977, the association voted at a called meeting held in the lake side Chapel of the camp to purchase the camp property.

The Camp Development Committee was appointed by the Moderator upon the direction of the association and began establishing by-laws and recruiting workers.

An aggressive Finance Committee with Wayne Wildes, chairman, began the fund drive to purchase the camp. Key persons were solicited from each church to share the camp story. By September 8, 1977, $53,450.09 had been contributed in cash and pledges by thousands of Carolina Baptists.

The first phase of the camp development had raised enough money to make the down payment, survey the property and begin a modest program of improvement.

Although the closing of the camp property has been delayed by legal complications of the seller in providing a clear title to the property, the continued development effort has not been halted. Many volunteers have devoted hours of labor to moving to the camp site from Fruitland hundreds of beds, mattresses, blankets and pillows as well as many plumbing fixtures. This generous donation from Fruitland Bible Institute will be worth many thousands of dollars to our campers.

Volunteers is the key to the success of our Associational Camp. To reclaim this beautiful sight from several years of neglect will take the combined efforts of the many talents our Baptist people possess.

Our plan is to recruit a camp care taker and many other workers for the camp. Since we are on a pay as you go financial policy, most of these workers will be volunteers. Weekend Retreats, Summer Camps and Conferences, Training Sessions and Recreation Programs will be developed to extend the ministry of each church of the association.

When our camp becomes a source of spiritual strength to the people of our area, then our prayers will be answered and our faithful stewardship of God's Trust of this mission will be rewarded.

October 11, 1977

We have examined the financial records of the Carolina Baptist Association, Inc. for the year September 31, 1976 through August 31, 1977. The examination included the banking and accounting of the consolidation of the records of the Carolina Baptist Association and the Carolina Baptist Association Mission Store May 31, 1977. Receipts totaling $36,946.23 and disbursements $34,747.64 were traced through banking account records. The examination finds the records of the Association are well kept and accurate and that they agree with the annual treasurer's report.

HISTORIAN'S REPORT

As an association, we have reached the age of one hundred. Today we celebrate our Centennial upon the same grounds on which we were organized on October 19, 1877 at the Double Springs Baptist Church. The organization began with the election of Elder E. J. Mullenax as moderator, protem and W. C. Ward as clerk, protem. The following churches with their messengers were enrolled:

Double Springs	W. C. Ward, G. B. Henderson and B. Ward
Mountain Page	Elder A. Heatherly, J. W. Middleton, M. Russell, J. J. Davis, R. W. Staton, C. Heatherly, Rufus Rhodes, and James Pace.
Gap Creek	Elders M. E. Smith, W. B. Johnson, T. W. Mullenax and L. B. Johnson
Mountain Hill	Joshua Pruett, E. Pruett and H. Pruett
Cross Roads	M. Heatherly and H. C. Ward
Oak Grove	T. E. Waters

The next item of business was the election of permanent officers, the result of which was Elder M. E. Smith, Moderator; W. C. Ward, Secretary and W. B. Johnson as Treasurer. This was followed by a sermon preached by Elder M. E. Smith from the text, "Behold, how good and how pleasant it is for brethren to dwell together in unity" (Psalm 133:1). On the following day various committees were appointed. A constitution and a set of Rules of Order were adopted. The treasurer reported $6.95 on hand as a minute fund and $5.05 received from a collection taken. The people of Double Springs community were thanked for their hospitality, and adjournment was taken to meet next year on Friday before the third Sunday in October at the Mountain Page Church.

GROWTH IN NUMBERS

In the period following the year 1881, it became the custom in Western North Carolina to organize County Associations. Thus the Henderson County Association was organized at Old Salem Church on October 19, 1882, according to Historian's report of the Rev. A. I. Justice in Carolina Association Minutes of 1924 on page 20, with the following eleven churches: Hendersonville, Hooper's Creek, Salem, Refuge, Ebenezer, French Broad, Mud Creek, Pleasant Hill, Mills River, Boilston, and Pleasant Grove. The report further states that the ministers of this organization were D. B. Nelson, W. C. McCarthy, F. M. Jordan, G. S. Jones, T. Bright and Joseph E. Carter, all men of ability. This was a small but active association. Yet as it and the Carolina Association covers the same territory, four years later it disbanded and united with the Carolina Association. By the blending of these two bodies, the Carolina Association became a strong one, both in number of churches and in membership. It may be added here, to the pride of the people of French Broad and also of our Association, that according to an intensive survey by Mr. Justice, the French Broad Church is the oldest Baptist Church west of the Blue Ridge, having been organized in the year 1789. Various churches have been added to those previously mentioned, so that now our association numbers 53 churches.

THE WESTERN CONVENTION

When the Baptist State Convention was organized, the western part of the state was completely isolated, having neither railroads nor highways, and almost no means of communication; therefore, a conference between brethren from the State Convention and from the west was held in 1844. The result of this conference was the organization next year of the Western Convention at Boiling Springs Campground, two miles west of Hendersonville, and now known as the location of Patterson's Chapel, the date being 1845-8-30.

For twelve years this organization was auxiliary to the state convention, but in 1857, it resolved itself into an independent body. It was stated that "The primary object of the convention shall be the distribution of the Bible among the destitute, the employment of Home Missionaries within her bounds, the sustaining of foreign, domestic, and Indian Missions, and also to educate poor young men called of God to the ministry of the Gospel, who may be approved by their churches." It was through this medium that the churches of the west made their reports and carried on their work until the year 1898. Better modes of travel must have contributed to the future action of some of the churches and associations, when they decided to withdraw from the Western Convention and to re-unite with the State Convention. So prevalent was this feeling among the associations that at the general meeting of the associations at the First Baptist Church in Hendersonville in 1898, a resolution for dissolution of the Western Convention was passed overwhelmingly. At the next meeting of the State Convention at Greenville, N.C., the churches of the west were cordially and joyfully received. Thus the Baptist hosts of North Carolina were re-united. It will be seen that the Western Convention was dissolved within two miles of the place of organization 53 years before.

On August 5, 1958, there was unveiled at the site of the organization of the Western Convention a marker, a five ton granite boulder from Hickory Nut Gorge with a bronze tablet bearing historical notes and a small bronze plate stating that the marker was erected by the State Convention. The unveiling was done by Roland Rickman, grandson of Merit Rickman, one of the founders of the Western Convention, and by Mrs. W. R. Case, granddaughter of another founder of the Western Convention, James W. Blythe.

JUDSON COLLEGE

The institution began as a female college and later known as Judson College had its beginning before the Civil War. Building was interrupted by the war, but as soon as possible after the war, work on building was resumed. Work had transpired so that the institution, Judson College, began its work on January 27, 1879. Under the guiding hands of such men as W.A.G. Brown, W.G.B. Morris, J. B. Boone and W. A. Nelson, Judson became the outstanding College of the western part of the state for the next thirteen years. However, under pressure of debt, the building was sold on March 7, 1892. Yet, Judson College had not existed in vain. Many of the men and women of that period pointed to "Old Judson" as a remarkable influence in their lives. The building was used later as a public school building, and also as an apartment house, until the year 1965, when it was razed to make room for a housing project. There was much agitation to preserve the building which stood at the corner of Fleming Street and Third Avenue West in Hendersonville, for historical reasons, but all efforts failed.

FRUITLAND AS A HIGH SCHOOL

Undaunted by the closing of Judson College, the people of the Carolina Association became interested in establishing a high school. Therefore, in the minutes of the 1896 associational meeting, we find a motion made and passed for a committee of five to be appointed to make the best arrangements possible in regard to the establishment of a high school within the territory of the association. The result was that seven prominent men of Fruitland signed a petition asking the committee to locate the school in their community, and pledging support and co-operation. Thus, under the leadership of Rev. A. I. Justice, with no asset except faith in God, Fruitland had its beginning of January 2, 1899, and for the next 36 years, it proved to be one of the most effective institutions ever set up. It was, and continues to be, a mark of distinction to have attended Fruitland Institute. The secular training was of a high order, and the religious training was unexcelled. Its students have gone to the ends of the earth and carried with them the Fruitland spirit.

It had as teachers and leaders, not only Mr. Justice, but also such outstanding characters as Dr. W. F. Powell, Dr. H. H. McMillan, Rev. N. A. Melton, Miss Martha Sullinger, and others. But the rise of state high schools and also debts hastened the closing of the institution in 1936. The annual reunions of Old Fruitland students make a high water mark for all who can attend.

FRUITLAND BAPTIST BIBLE INSTITUTE

The first spark in this institution was kindled in a conversation between Dr. M. A. Huggins, Secretary Baptist State Convention, and Dr. O. M. Seigler, a member of the General Board, about the future of Fruitland. The main topic was how to use Fruitland for the best interest of the Baptist cause. After reaching a conclusion based upon their experiences elsewhere, they drew up a set of resolutions to be presented to the General Board the following week. This plan was carried out, with Dr. Huggins presenting the resolutions and Dr. Seigler explaining them. The resolution was passed unanimously, and the Board set aside a fund of $125.00 to get the movement going. A committee was appointed to get matters started. This committee consisted of Dr. Seigler as chairman, M. L. Walker, and M. A. Huggins. Through the efforts of the committee, more land was bought, and dining room and refrigeration equipment secured. Thus, we have the

background of Fruitland as a Preacher's School.

Rev. B. G. Henry was secured as Manager and Dr. J. C. Canipe as Director. Both served efficiently, and Fruitland Baptist Bible Institute is one of our most valuable and prized institutions. Many able and consecrated teachers and leaders have had a hand in making it such, with Rev. Alex Booth as the present Director.

This institution has been a great blessing to many preachers and churches, so that all our churches have the privilege of a trained leadership. Hundreds of preachers who could not attend seminary have taken advantage of the training offered here, and thereby made themselves more effective in the Master's cause.

PIONEER PREACHERS

Not many of the preachers of the old days could be called educated men, but when it came to their knowledge of the Bible and their preaching the Word, great numbers of them were giants. No list of them could be complete, but according to historians A. I. Justice, Noah Hollowell, and W. H. Davis, the following are deserving of special mention: James Blythe, Humphery Posey, Nelson Bowen, D. B. Nelson, G. S. Jones, G. W. Mace, William Mince, Robert Jordan, Merritt Rickman, Joseph Blythe, Bailey Bruce, J. B. March, Joseph E. Carter, E. Allison, William Wilkie, J. L. Brookshire, W. B. Johnson, J. R. Rhodes, and John J. Slattery. Many most deserving men could be added to this list, including a long list of a more modern day, but it is dangerous to list names for the simple reason that so many most worthy names would be omitted. The accomplishments of the people of pioneer days are almost astounding to us when we realize something of their limited advantages as compared with ours. We owe them a great debt of gratitude.

BAPTIST PUBLICATIONS

Many attempts were made in the old days to keep the people informed by periodicals published locally. These were successful usually for a short time only, due to expense and other difficulties, even though the publishers were some of our ablest men, including W.A.G. Brown, N. Bowen, D. B. Nelson, T. J. Rickman, Joseph E. Carter, and J. D. Boone. It seems not out of place here to remark that we Carolina Baptists of the present day are blessed with the outstanding **Biblical Recorder**, and also **Charity and Children**. These publications should be in every Baptist home.

THE LORD'S ACRE

During the years of 1930 and 1940, the Lord's Acre movement occupied a prominent place in many of our churches. Following is a quotation by Noah Hollowell, 1941 Historian: "The Lord's Acre activity at Dana is recognized as one of the outstanding pieces of work in the United States, because it has pointed the way to more successful financing of rural church work. When about 100 members can build a nice church house and parsonage by the Lord's Acre plan, as the Dana Baptist Church has done, isn't this worth emphasizing? Calvary, Fruitland, and perhaps other churches in the Association have tried this plan with good result." However, this plan is no longer so prominently used, but more stress is put on the tithes and offerings.

THE 75-MILLION CAMPAIGN

In 1919, the Southern Baptist Convention, meeting in Atlanta, inaugurated the plan known as the 75 Million Campaign. The purpose was to enlarge the work of evangelism, both home and foreign. Suggested allowments of the amount to be raised were assigned to the different assocations. Dr. E. E. Bomar was named Director in our association. He did a noble work as leader, but was only partially successful, as some of the churches did not cooperate. A reasonable amount was raised, though not as much as should have been. The general verdict is that much good was accomplished. Most of our progressive churches now cooperate with the Cooperative Program, which undoubtedly is the best plan ever devised by any denomination for the spread of the Gospel. Quotation from A. I. Justice-Vol. 48, Page 27: "The greatest need of our inactive churches is efficient, aggressive and sincere leadership instead of the poison of retrogression and opposition to the Master's Cause."

A FORWARD STEP

Our association made a great forward step in 1939 when it elected as our first Associational Superintendent of Missions, Wade W. Worley. He did a noble work, and he was the first in line of efficient workers who have made the place indispensable in the work among the churches. They lead us, they keep us informed, they are ready at all times to lend assistance wherever it is needed. Listen to this statement from our Director of Missions, Latt Beshears, in the April Carolina Baptist News: "Things are looking the best in our association that they have been since I have been serving with you. More churches are giving and giving more than ever before. This says one thing to me, the churches are beginning to get concerned for a real program among our own people. If your church is not involved in mission work with us in our association, let me urge you to get started." He has just concluded his monumental and successful effort in leading the churches to raise the down payment for buying Camp Bear Walla.

CONTRASTS

We are living in a new day. We no longer do things in the same way we once did. An old-timer of 100 years ago would not recognize us. We are no longer satisfied with once-a-month preaching. We meet many times during the month, in fact, so much so that some of our churches appear to keep open house. We are no longer satisfied with an untrained ministry. Many of our pastors are seminary graduates. Many have completed the course at Fruitland. As a rule, our preachers do not butcher the English. Neither do Sunday School teachers. They must take the study courses. We are not satisfied with the one-room church house and it made of wood. We demand brick structures with many rooms or separate buildings for the several purposes. Instead of a one-man leadership many churches have a staff of one or more persons, and sometimes many. No longer does the pastor do janitorial work. No longer do we rely for music leadership upon one who knows only do, re, mi, fa, but we must have trained choir directors, pianists, and organists, as well as trained choirs. No longer is a dollar a month sufficient when the hat is passed (unless that is the extent of one's ability). We believe in missions in a great way, not only foreign missions, but even in home and associational missions. For our missionary interest, we are greatly indebted to our good women, who have labored in their missionary organizations for many years, day in and day out. I am tempted in this connection to mention the names

of Mrs. J. F. Brooks, Mrs. M. K. Sinclair, Miss Myrtle Bennett, and Mrs. Marie Blackwell as leaders, but there are so many others. For many years the men were interested observers, but no longer so. They are in the midst of the fight. Upon one occasion in a certain church, when the women had recommended a $4000 goal for the Lottie Moon offering, a man arose with a motion to make it $5000. The motion passed. Both work together now. The increased interest on the part of the men is doubtless due to the rise of the Brotherhood, of which Broadus E. Wall might be called the Apostle. There was a time in our churches when our youth sat still, but not today. Nothing was expected of them, but when they learned that there was something to do, they rose nobly to the occasion, and did it in a noble way. Now a great part of our work is done by our young people. They engage in many activities of the church and appreciate the fact that the older appreciate the younger. In connection with buildings improvements, there is this line by the historian of the year 1926: "The Double Springs Church is building the most handsome house of worship of any country church in the Carolina Association."

Next in importance to the pastor is the Educational Director. A good director is worth his weight in gold. He relieves the pastor of many responsibilities and takes the lead in planning the program of the church. Several of the churches of our association have learned the worth and importance of such a leader in their churches, and they realize that their progress is due to the leadership and planning of such an officer. Money invested in such activities as those planned by the director will pay off in many ways.

A LOOK AT THE PRESENT

As an association, we are made up of 53 churches mainly in Henderson and Polk Counties. Our Director of Missions is Rev. Latt Beshears, and our Secretary is Mrs. Roy Duncan. As we review the past 100 years, we realize that our forefathers have done a great work. With better advantages, we are obligated to do a bigger and better work. Let us go forward. Our churches are engaged in many activities. Mt. Gilead has constructed a new educational building. Liberty is adding Sunday School rooms, rest rooms, and a pastor's study. Tryon First has completed an extensive renovation of its Sunday School area. The Tryon Brotherhood is conducting services at a prison camp. Dana has remodeled the Sunday School class rooms and constructed a fellowship hall. French Broad is constructing a new sanctuary and educational building. Work on the Family Life Center at the First Baptist Church of Hendersonville is going on in a satisfactory manner.

SPECIAL MENTION

The Vacation Bible School Clinic was attended by 175 people. Fruitland Institute graduated 23 candidates, the speaker for the occasion being Dr. Cecil Sherman of the Asheville First Church. Mrs. Jeanitha Weaver of the First Baptist Church of East Flat Rock makes the plates for the Baptist Newsletter. At a special meeting of the association, it was voted to buy Camp Bear Walla and money for the down payment was raised within 75 days. It is somewhat remarkable that a small church like Bearwallow would raise its associational mission pledge from $300 to $600. The Baptist Brotherhood held a Retreat at Lutheridge. The W.M.U. conducted a Missions Book Institute at the Upward Church.

NEW PASTORS

New pastors coming into the association during the year are Johnny Redmond at Barker Heights, Gordon Corn at Brightwater, Owen Duncan at Ebenezer, Larry Patton at Fruitland, Sammy Cox at Jones Gap, C. C. Billingsley at Mt. Olivet, Billy Dotson at Pleasant Hill, Jimmy Cox at Naples, Ray Linville at Shaws Creek, Interim, Dan Holbert at Berea, and Dr. Forrest Freezor at Hendersonville First, Interim.

RESIGNATIONS

Resignations are as follows: Jerry Orr, Jr. at Berea, Thurl Middleton at Brightwater, Lamar Wakefield at Fruitland, Ian Walker at Hendersonville First, Clifford Williams at Liberty, W. A. Tinsley at Mt. Olivet, Paul Stroupe at Naples, Art Fore at Shaws Creek, W. W. Arrington at Jones Gap, Aubrey Edwards at Hendersonville First as Minister of Music and Youth, and John Gage at Etowah as Minister of Music and Youth.

ORDINATIONS

The following men have been ordained to the Gospel ministry this year: Wade Thompson, Michael Norris, Marion Barnes, and Eugene Jones.

IN MEMORIAM

We record with sorrow the passing of the following: Preston Capps, Minister of Music and Youth at Mud Creek. He did outstanding work with the R.A.'s, and a memorial fund has been set up in his honor for the R.A.'s. Mrs. M. L. Lewis, the widow of Rev. M. L. Lewis, who had served many churches of our association as pastor. W. B. Sinclair, four times Moderator of our association, and one of the most able and respected men ever to live in our association.

Today we stand upon sacred soil - soil immortalized by those heroes and heroines of October 19, 1877. We honor them and the Great God who led them so faithfully. We stand upon the threshold of a new century. Let us do a good work, ever depending upon Him Who is able to lead us.

"Lead on O King Eternal!
The day of march has come;
Henceforth in fields of conquest
Thy tents shall be our home,
Through days of preparation,
Thy grace has made us strong,
And now, O King Eternal,
We lift our battle song."

STATE MISSIONS

The theme for this year has been "Opening the Door to the Bold Missions." The Biblical setting for this theme comes from First Corinthians 16:6 - "For a wide door for effective work has opened to me, and there are many adversaries." As we look at out state we see many doors open to us for Christian service, and there are many adversaries; but through love, concern, and cooperation we can achieve much for our Lord.

Perhaps we need to answer the question, What is State Missions? State Missions is the working together of the people of God for the advancement of His Kingdom in every area of need.

Such areas consist of Pastoral aid, the sponsoring of conferences, workshops, seminars, and retreats, and specialized Ministries. In fact, there are 51 categories of State Missions in North Carolina through which we can have a part in ministering.

The major support for these Ministries are the Cooperative Program and the annual State Missions Offering in September. This year we are challenged to take a Bold Step in our State Mission Offering. Our goal is $1,385.000. The purpose of this goal is to help reduce the debt of our Convention ($1,754,000). In doing so we can save on interest and have more funds available for other much needed Ministries.

There is another area within the framework of State Missions that we ought to be deeply concerned about, and that is Evangelism. Last year we had 26,260 baptisms, which was 4,170 (0r 13.7%) decrease from 1975. Since we are the leading denomination in our State, we must share major responsibility for its spiritual growth.

This year as North Carolina Baptists, we face one of the greatest challenges God has given to His people. We must join hearts and hands in building God's Kingdom from the Mountains to the Coast of our State.

What State Missions can accomplish will be determined by the support of God's people. Won't you support this much needed Ministry with you witness, prayers and gifts?

Frank Carter

HOME MISSIONS REPORT

William G. Tanner named Executive Secretary-Treasurer, succeeding Arthur B. Rutledge who retired after 12 years service.

Annie Armstrong Easter Offering over the goal with a total of $9,600,000.00 given.

Missionary force increased by 104 for the year - the highest gain in eight years. At the year's ending there were 2,186 career missionaries, 1,282 summer workers, and 142 short-term adult volunteers.

Secretary William Tanner along with nine SBC leaders met for luncheon at the White House in June with President Carter.

"It was an impressive view of a Christian Layman - a person concerned with reaching our world for Christ.", Tanner reported.

President Carter urged Southern Baptists to develop the Volunteer programs more fully (1) seek Volunteers 19 years old and over with no upper age limit (2) enlist Volunteers for one year or two year terms (3) give Volunteers three months special orientation (4) expenses paid by Volunteers or their family or Church family.

SBC has initiated a Cooperative Plan of People using Volunteers in a more creative and effective way. The Volunteer Involvement for Missions (V.I.M.) is a cooperative venture of the Home and Foreign Missions Boards, Woman's Missionary Union and Brotherhood Commission.

The project is for Lay persons who wish to contribute their time, talents and financies for short or long term Mission projects at Home or abroad.

Those who wish to participate will be listed on the Home Mission Board Data System along with skills, talents, interests, concerns, availability and term of service. This information will be used by all four agencies for special Missions projects.

This cooperative effort of our Mission Boards, WMU and Brotherhood is a giant step in meeting Bold Mission Thrust - using Volunteers in areas needing additional workers. Helper and Helped are equally important in the Master's sight.

Many Mission opportunities will be offered Volunteers - teaching - nursing - construction - music - recreation - home-making etc.

Interested??? Write Volunteer Involvement of Missions - 1350 Spring Street, N.W. Atlanta, Ga. 30309 for more information and application forms.

Volunteer Involvement of Missions is a cooperative plan of people for Missions just as the Cooperative Program is a method of finance for Missions. VIM is a method of using lay people to further the Christians marching orders of our Christ to "Go - Preach - Teach - All People - Everywhere." "My Father sent Me - **SO SEND I YOU"**

FOREIGN MISSIONS

The boldest mission program ever set forth was that which Jesus gave his disciples as reported by Matthew, chapter 28:18-20 and by Luke in Acts 1:8. He sent them out as the Father had sent Him - to preach the good news - to meet every need of every man.

At the Southern Baptist Convention in 1975 a committee was appointed to pray, study, and set forth bold mission emphases to challenge every Southern Baptist for a Total Missions Thrust. This report adopted in 1976 set forth bold plans to provide every person on earth the opportunity to hear the gospel by the close of this century.

The following objectives support the primary challenge - Total Mission Thrust:

(1) 100 percent increase in Missionary Staff which will call for at least 7,000 new missionaries to be sent out.
(2) Increase in lay involvement which would include 10,000 yearly
(3) Missions work in at least 125 countries. (We now work in 88 countries.)
(4) Tenfold Multiplication of Churches which will include both the typical form used in recent decades and a return to house-churches like those of New Testament times.
(5) Expanded Efforts in Urban Evangelism with intensive coverage of a particular city with all churches participating.
(6) Special Efforts in Evangelism Toward Youth using highly trained student leaders who, in turn, will train local student workers.
(7) Greater Efforts in Leadership Training through such movements as W.I.N. and Theological Education by Extension (T.E.E.) which has

been used extensively in Brazil for many years.

(8) Massive Use of Media - radio, television and cassette tapes.

(9) Accentuated Attention to Human Need - physical, mental and spiritual.

(10) World Relief Responses which will be vigorous, appropriate and prompt to alleviate world hunger, and results of disaster, using our missionary personnel who will receive special training for such services.

We must prayerfully consider that the Lottie Moon Offering for Foreign Missions fell short of its goal of $29,000,000 by $236,190 in 1976. This figure includes one more month than the 1975 offering. Offerings to the Cooperative Program have also decreased from 10.11 cents per offering dollar in 1966 to 8.87 cents in 1974.

Our local churches must challenge each Christian to become involved, to read and study more about this co-operative agency, and to participate in the Brotherhood and the WMU organizations so that the bold challenge of Jesus so ably set forth in the Bold Mission Thrust may become his own personal goal.

Respectfully submitted,
Prudence A. Riffey

COOPERATIVE PROGRAM

1. The Cooperative Program is the financial life line for nearly 13 million Southern Baptists in our world mission work educational and evangelistic. While the Southern Baptist Convention was in session in Atlanta, Georgia, May 14-18, 1919, the President, Dr. James Bruton Gambrell, challenged Baptists to "adopt a program of work commensurate with the demands upon us." The convention adopted a goal of $75,000,000 to be raised in five years. The covention met in Washington, D.C. in May, 1920. The Director reported a total of $92,630,923 had been subscribed, and that $12,237.827 dollars had been paid in cash. In the final report of the 75 Million Campaign in Memphis, Tennessee, in May, 1925, Dr. Lee Rutland Scarborough reported that a total of $58,591,713.69 had been raised in cash.

2. The Cooperative Program was born directly out of the seventy-five million effort. Southern Baptists celebrated more than two years ago the fiftieth anniversary of this great movement, thus proving its thorough practicality. Many of the leaders in the 75 Million Dollar Campaign were well known to your writer in his early ministry, men like George W. Truett, Lee Rutland Scarborough, Issac Jacobus Van Ness, George Hays, Austin Crouch, James Edgar Dillard, Hight C. Moore, Thomas Bronson Ray, Baron DeKalb Gray, John R. Sampey and others. Some of the victories won were: (i) greater unification of Southern Baptists, (ii) an enlarged world vision, (iii) effective organization for promoting denominational work, (iv) increased liberality, (v) a stronger indoctrination of our people in Bible based faith. The total goal was not reached but the contribution of the Seventy-Five Million Dollar Campaign to Baptist life can scarcely be over estimated.

3. The Southern Baptist Convention theme for this year is "Bold Mission." We are His witnesses to the very ends of the earth, and to the last person in every nation. Acts 1:8. We earnestly recommend the following procedures: (i) Every church increase its co-operative gifts from 10% to 50%. (ii) Every church increase the percentage of the total budget income given through the Cooperative Program. (iii) Every church seek to develop Christian stewardship responsibility. (iv) Every church conduct a stewardship emphasis season this year. (v) That an Association Stewardship Conference be conducted in order to assist the churches

in planning and conducting their stewardship programs and budget planning. (vi) That every church double Cooperative giving and Associational Missions giving by the year 1982.

Yours for "Bold Missions" in a great and growing Cooperative Program.

BAPTIST CHILDREN'S HOMES

Baptists of North Carolina provide a ministry of love and care to children, young people, and their families. This care of children is missions... reaching out with a helping hand; it is evangelism... sharing the joy of life in Christ; it is love and affection... the giving of hugs and kisses and friendship; it is restoration... enabling families to function again.

Campuses at Mills Home, Thomasville, Kennedy Home, Kinston, Odum Home, Pembroke, and Broyhill Home, Waynesville serve in their areas.

Foster Home care, a statewide program of the Homes, is vital to many children needing special help throughout the state.

The Emergency Shelter at Forest City provides a ready resource for children during a period of one to ninety days.

The Maternity Home in Asheville since 1970 has proven a much needed service for more than three hundred girls from throughout the state.

Social Work and Family Resource Centers, which enable us to work with families, are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

The Child Development Center on the Mills Home Campus, Thomasville welcomes opportunities to assist churches any place in the state who want to develop day care, nursery school and kindergarten education.

The time for support through the Thanksgiving Offering for Children's Home is less than a month away. A study of the statistics above, showing a steady increase in Total Mission Expenditures and in Cooperative Program Giving, does not hold true of Designated Children's Home or State Missions Giving. Let each church study its own record.

Members of the Children's Home staff are anxious to have us visit Broyhill Home. To see, observe, and feel in person what it is like to live in a children's home is to appreciate our child ministry. Thank you for your dependable support in numerous ways.

BAPTIST HOMES FOR THE AGING

This has been an exciting year in the ministry of our North Carolina Baptist Homes for the Aging. The ground-breaking service for our Western North Carolina Baptist Home in Asheville, last October, was a very thrilling moment. There were more than a thousand people attended this great event. With the construction of this Home, which is now underway, we will have 6 homes to care for our beloved elderly people. This home will initially accomodate 50 people. Also, this fall the 4 duplex apartments at the site of Hayes Home in Winston-Salem will be ready. This will take care of 16 more people.

Our gifts through the Cooperative Program and the special offering on the third Sunday in February, supplies 35% of the total budget of the Homes. These are used to supplement the care of the majority of the residents who cannot pay the full cost of care. These love gifts are a life-line for those whose needs could not otherwise be met.

The future of our North Carolina Baptist Homes is as bright as the promises of God and in that future, the Lord, and these older people in our midst, are looking to us. Let us bind our hearts together in prayer, giving, working and pulling together to meet the needs of these dear loved ones. Jesus said in Matthew 25:40b, "...Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

EVANGELISM REPORT

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7 -9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

About 12,000 youth, pastors and adult leaders attended the 7th Statewide Youth Evangelism Night in August at the Greensboro Coliseum. Jim Wilson and Larry McFadden of Orlando, Florida were the guest preacher and soloist. All youth who made decisions for Christ were contacted by pastors and adults with regard to specific follow-up counseling.

Sixty-five Associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth and adults receiving lay witness training from 1,175 churches. More lay persons need to become involved in consistent witnessing to unsaved individuals.

Several thousand persons have attended evangelism clinics and conferences held in associations across the state. Good reports on revival meetings and city-wide crusades have been received.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, on February 6-7, 1978.

BAPTIST HOSPITAL

Our Baptist Hospital has three primary ministries; healing, teaching, and preaching. Its concentration; however, is obviously healing in which field we find competent, specialized, and dedicated men and women in every branch of

medicine. The Bowman Gray Department of Clinics and the Baptist Hospital's Outpatient department handled 158,863 visits, while 22,365 patients had to be admitted to the hospital for a total of 193,942 patient days.

In the way of a personal testimony, my wife, Mary Frances had a stroke on March 19, 1976 and had to be transferred by ambulance to Baptist Hospital on March 19, 1976. Although we arrived in the late evening, testing began at once, which revealed a blood vessel bleeding on the right lobe of the brain. After stopping the bleeding, brain surgery was performed on March 29, 1976, in which the vessel was encased in plastic; thus repairing the damaged vessel. This microscopic, computerized operation took 5½ hours. Dr. Courtland Davis, one of a team of three Neurosurgeons gave this testimony: "A lot of prayers have acended for this young lady, they have been heard, and you had better thank God." Having known Dr. Davis for many years, I know that this testimony came from the heart of a dedicated Christian doctor. My wife is doing fine, has been told that she will fully recover, and therefore, "TO GOD BE THE GLORY."

Mother's Day gifts for the fiscal year ending June 30, 1977 were $411,225.56 compared to a total of $405,946.52 for the preceeding fiscal year. Thirty-nine churches in our Association gave $5,065.46 during this past year compared to twenty-four giving $2,787.20 a year ago. This is an increase of 15 churches giving.

Our Baptist Hospital is growing in size, personnel, and competency, so let us match our giving.

BAPTIST FOUNDATION

The North Carolina Baptist Foundation, Inc. was approved in 1919 and chartered in 1920. The objectives were clearly stated in the charter:

1. To promote the making of gifts.....for Baptist causes.
2. To receive, own, hold, administer, and distribute gifts of any kind.

The Foundation continues to strive toward fulfilling the objectives stated in its charter.

Growth of assets have increased from the original $2,000.00 in 1920 to $3,696,612.00 in 1977. Total income paid out to Baptist causes through 1976 was $1,175,484 including the amount paid from the Graves estate to build the Yanceyville unit of the Baptist Homes.

The Foundation provides a unique channel for persons to provide tangible financial assistance for all Christian ministries fostered by Southern Baptists forever. The three prime methods utililized for this are the testamentary gift, the annuity trust and the chaitable remainder trust.

Future needs include constant training for personnel as tax laws change, closer relationship with Baptist institutions in understanding needs of the institutions and helping to train development staffs of the more direct management of funds by Foundation staff and the Board's Investment Committee.

Long-range goals call for assets of $5,000,000 by 1980 and $10,000,000 by 1985, an annual increase of testamentary gifts of $1,000,000 per year through 1980 and $2,000,000 per year, 1980-1985.

MIGRANT MISSIONS

We regret that more hasn't been accomplished toward ministering to the migrants this year. There have been some churches involved on an individual basis this year.

Last year we were able to serve several migrant camps effectively. We had each owner's approval to serve his camp. Several of the churches that agreed to help in the migrant work did so, while some that had agreed to help were unable to, for different reasons. If our association is to reach the migrants with the Gospel message, I believe that it will have to be through the church nearest each camp.

It is the Gospel message that will be most effective and beneficial to these people and not a social ministry. These people have many other agencies that look after their needs. May the Lord help us all to become more concerned and involved with these people.

ANNUITY BOARD

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a ROUTE 10 promotional theme, according to Darold H. Morgan, president of the Board.

The Board paid $17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid more than $158 million in retirement and protection benefits.

A 13th. check amounting to one month's income was mailed for the eleventh time to annuitants. The combined amount of this extra benefit came to $830,525.

Most members benefit from a decision to increase the interest rate for figuring retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling $472,218,669 for retirement benefits for the year ending 1976.

The Annuity Board also administers life, medical and disability insurance programs, which reflected increase in membership.

Additional information concerning the Annuity Board and its programs of retirement and insurance may be obtained from the state convention offices or by contacting the Annuity Board, SBC, 511 North Akard Building, Dallas, TX 75201.

In North Carolina as of March 31, 1977, 2787 staff members of 2196 churches and associations are participating in the Southern Baptist Retirement Program; 2491 in the Family Benefit Section; 1275 in the Age Security Section and 240 in the Variable Benefit Section.

In the Carolina Baptist Association, 25 churches, the Director of Missions, and 30 members are participating in the Southern Baptist Retirement Program.

TEMPERANCE AND PUBLIC MORALS

The N.C. Christian Action League has been engaged in a two-pronged attack on the moral front during the past year: An effort to curb the flow of pornography, and the liquor-by-the-drink issue.

In the legislative program of the League a questionaire was sent each candidate for the State Senate and the House of Representatives asking for views on the question of the disemination of hard-core pornographic materials. Another question went so far as to suggest a state-wide vote on the matter of regulating and controlling distribution of pornographic materials.

Senate Bill No. 539 was introduced by Senator I. Beverly Lake, Jr. of Wake County. It is hoped that this law will regulate and eventually do away with hard-core pornography in N.C. The bill was amended many times, but the strength of the statue remains intact. This new law will permit the solicitor or the attorney general to proceed against pornography.

Another bill has been enacted that will prohibit the display of pornographic magazines and other materials on racks in public places where they can be viewed by minors. Still another law was passed that will make it illegal to use minors in the production of pornographic materials.

The effort against liquor-by-the-drink sales would be authorized. This would have allowed a restaurant to have both types of permits - LBD and brown-bagging. This would have given North Carolina one of the most liberal systems in the United States. The bill awaits next year's Assembly.

This gives us time to organize our forces and to make contacts with our Representatives. You spoke loud and clear in opposition in the state-wide referendum in 1973, and we don't believe you have changed your minds. You are urged to contact your Representatives and either encourage him in opposition to the bill or request his support for the defeat of Senate Bill No. 735.

The Christian Action League appreciates the support given this past year, and reminds you that we can do only that which you enable us to do through your contributions.

CHRISTIAN EDUCATION

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from colleges and from the Council office.

Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledge to assist needy students financially in order to make available the educational experience at a Christian

college. An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the service of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital successful ministry.

CHRISTIAN LITERATURE

The Southern Baptist Convention has the best quality and the best variety of Christian Literature in the world. All program materials are Bible centered and denominationally oriented. Although the cost is comparable to other publishers, the profit goes back into the denomination through the multi-service provided by the Baptist Sunday School Board.

In addition to regular program materials, the best literature is provided for every special need immaginable. Adequate material is available for every position in a church, association and convention agency. All materials are constantly updated taking advantage of the latest proven scholarship under the scrutiny of the entire convention.

In addition to what is produced by the Sunday School Board and Broadman Press, each state convention produces materials for its own use. While most of this material is promotional in nature, much of it is instructive as well.

In the Baptist State Convention, the single most significant publication is the Biblical Recorder which should come to every Baptist home. A church can provide that Recorder for each family for about six cents (6 cents) per copy delivered. This is an inexpensive way to keep the membership informed concerning every important issue and aware of all vital activities.

As we all face what is perhaps the greatest challenge in all the history of our denomination in the BOLD MISSION thurst for the next twenty-three years, The Biblical Recorder and all promotional materials will be more important than ever.

If your church is not sending the BIBLICAL RECORDER to resident families now, this is the time to arrange for it in your church budget. If your church is not now using literature published by our own convention, this is the time to assess the importance of Bible centered and convention oriented materials for the total program of work. Let us draw near to God and everything else will follow in proper order. Then our fellowship will be sweeter and our service will be stronger.

AMERICAN BIBLE SOCIETY

The "Good News Bible" is here! The American Bible Society completed and published the "Good News Bible" in Today's English Version in the fall of our Bicentennial year. This makes available for the first time a faithful translation of the Scriptures in a style of language readily understood by most people.

The purpose of the American Bible Society has remained unchanged

throughout the years - the translation, publication, and distribution of Scriptures without doctrinal note or comment and without profit. Since 1816 the American Bible Soceity has been making God's Word available to spiritually hungry people everywhere. As of December 31, 1976, at least one book of the Bible has been translated into more than 1,600 languages.

A major item in the budget of the American Bible Society is translation of the Scriptures. The Bible Societies are giving help directly and indirectly in 560 languages at the present time. Fifty-two of these translation projects are in Europe.

Scripture distribution in the United States during 1976 reached a total of 114, 769,046 copies, an increase of 5,229,265 over 1975. In 1976 the American Bible Society produced 15,227,850 Scripture imprints, of which 4,636,000 were requested by various Southern Baptist organizations.

The American Bible Society thanks the Southern Baptist Convention for its support in 1976. Contributions from the Southern Baptist Convention in 1976 amounted to $275,631.

The American Bible Society asks for your continued prayers that, together with the Southern Baptist Convention and all willing Christians, we will be blessed by God in our combined efforts to bring His Word to all those who are in desperate need of it.

DEDICATION OF MINUTES
In Memory of

Reverend Roy. J. Bradford, son of Mrs. Alma B. Bradford, and the late Thomas K. Bradford, was born February 6, 1928 in Rock Hill, South Carolina. He departed this life December 17, 1977. He was educated in the public schools of Rock Hill, South Carolina, Woffard College, and Furman University all in South Carolina.

He was married to Elizabeth Faile Bradford of Rock Hill, South Carolina, now residing in Gerton, North Carolina, Their daughter, Mardi Bradford Manning, lives in Rock Hill, SC. His mother, a sister, Mrs. J.D. Lowry and one adopted brother, J.D. Bradford, also reside in Rock Hill, South Carolina.

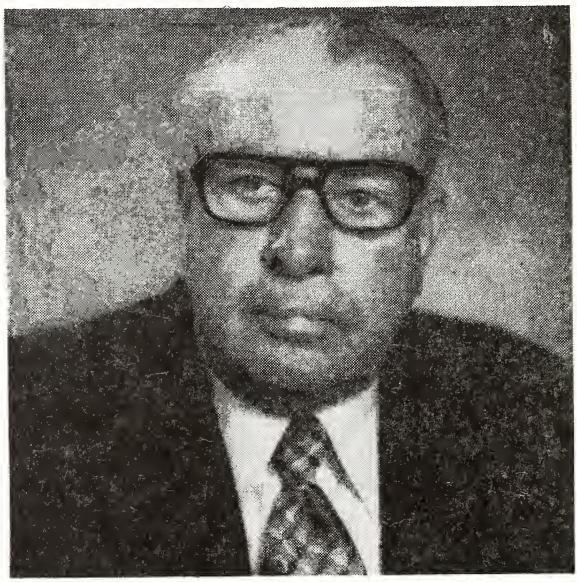
He served in both the Navy and Air Force. He was employed as a Police officer in the city of Rock Hill,SC and York County, SC Sheriffs Department. He also served as a Police Officer in the City of Hendersonville, NC during his first pastorate at Bearwallow Baptist Church.

His pastorates include: Bearwallow Baptist Church, Gerton, North Carolina, 1960-1968. Mt. Pleasant Baptist Church, Shelby, NC, 1968-1972. He served as Moderator of the Sandy Run Baptist Association during this time. Sylvia Circle Baptist Church, Rock Hill, South Carolina. He also attended the Pastoral School of Council and Clinical Training in Columbia, South Carolina during this pastorate. He served as Chaplain of Pre-release Center in Rock Hill for forty-nine inmates and their families. Bearwallow Baptist Church, Gerton, North Carolina, 1975 until his death in December, 1977. During this pastorate he was employed with the Henderson County Department of Social Services and was promoted to North Carolina Department of Resources in June, 1977.

Roy Bradford was a man called of God into His Kingdom's work. We were fortunate to have him with us. As Chairman of the Migrant Committee, he had a concern for the approximately 1,000 migrants and laborers who came to Henderson County during the summer months. He was deeply concerned for their spiritual need - many did not know Christ. He was also concerned about their living conditions - shelter, clothing, food and love.

In Memory of REVEREND ROY J. BRADFORD, Bearwallow Baptist Church, Gerton, North Carolina, these 1978 MINUTES OF CAROLINA BAPTIST ASSOCIATION, INC. are dedicated.

DEDICATION OF MINUTES
In Honor Of



Avery Simpson, son of William Thomas and Nora Margaret Hollingsworth Simpson, was born October 21, 1908. He attended school in Transylvania County. He is married to Eleanor McGraw Simpson. On June 30, 1978 he retired from Moland Drysdale Corporation after fifty (50) years, beginning January, 1928.

A member of Main Street Baptist Church since February, 1963, he has served as Deacon for six (6) years. He has served on the Buildings and Grounds Committee since 1964. He has served as Carolina Baptist Association Brotherhood Director since 1974. For the past four years he has been active in the Prison Ministry. He has traveled over much of the Southeast as a member of Baptist Laymen.

The title 'Mr. Bear Walla Baptist Camp' is very appropriate for him. He has given unselfishly of his time, energy and money to help establish Bear Walla Baptist Camp. He has spent more hours working at Bear Walla Baptist Camp than any other person in the Association. He took the rustic Chapel as his building. He has renovated the Chapel, landscaped around it, and installed a T-2 light, so that there will always be a light at the Chapel, for which he personally pays the bill each month. This Chapel has been named 'The Avery Simpson Chapel.'

Above all he is dedicated, committed Christian layman who is willing to give of his time and energy to carry out the work of the association and especially Bear Walla Baptist Camp.

GENERAL BOARD

Your General Board was confronted with several major issues this past year. Perhaps the greatest of these was the Wake Forest matter. This was taken care of when the Trustees of Wake Forest University agreed to spend $85,000 from the University funds, rather than accepting the federal grant from the National Science Foundation.

Among the many other things that were discussed and voted on favorably, I mention a few:

1.) Permission was granted to enter a one million financial campaign for the purpose of constructing a new wing to the Hayes Home in Winston-Salem.

2.) That a three-year pilot project be undertaken to establish one or more group homes for the mentally retarded under the direction of the Baptist Children's Homes of N.C.

3.) Number of Baptist Hospital Trustees be reduced from 32 to 24.

4.) That the six special offerings - Homes for the Aging (February); Hospital (Mother's Day); Heck-Jones W.M.U. (June); Education (Father's Day); State Missions (September); and Children's Homes (Thanksgiving) be combined into one State Missions offering in September.

5.) To increase Cooperative Program giving from $12 million to $24 million by 1982 and to $92 million by the year 2000. To double baptisms and enroll 150,000 new members in Sunday School by 1982.

6.) Approved five task forces to implement the 'Bold Mission' goals. They are: Sunday School, Baptist Heritage and Polity, Volunteers, Giving, and Evangelism.

7.) Approved a one million fund raising campaign for Fruitland Bible Institute for the

construction of a new cafeteria building, dormitory facilities and apartments for students.

8.) Approved a $15,507,450 budget for fiscal year 1979, a 14.87 per cent increase over the current budget.

9.) Approved reorganization of the Division of Missions.

From these things and many others, you can see it has been a very busy year for the General Board. Thank you for letting me be your representative.

Frank Carter

DIRECTOR OF MISSIONS

I thank God for the faithful, steadfast, unmovable people in the Carolina Baptist Association who are working, planning and serving in the Kingdom of our Lord. Are you in this number? You could be busy, but at secondary things. I want to thank those of you who care and work with me in such vital place of service. I must not call names, but you know who they are.

This past year has been an exciting one in so many ways, I have noted a stirring at the grass roots in our churches. As His people, we are becoming excited about the spiritual and moral conditions of our association. Now the devil would say about associational work, things are quiet and peaceable, just let things go as they are, after all we have been doing all right through the years, why get excited now?

There is a Topic in a Home Mission Board Publication, 'A Theology of Mission' I want to call to your attention. It says The Church God called and sent -- lives under compulsion of task and time. These two vital compulsions are joined in Acts 1:8-11. ---the risen Lord Challenges Christians to cross all frontiers of strangeness in evangelizing the world to 'its uttermost parts' and the promise of his return makes the church a Pilgrim People.

Time is running out on you and me. We need to get things in order. Phillip Brooks said, 'Shame on us standing on the shoulders of our forefathers if we do not see farther and reach higher.' Jesus said to all His people, 'look, the fields are white already to harvest.' This is true in Carolina Baptist Association. The spirit of cooperation has never been greater than now. I want to make myself available to our Lord for greater service this year. How about you? Will you forget some petty events of the past and join with us in a great and total mission program in Carolina Association? I believe you will. May His Spirit guide as we launch another year in His Name.

WOMAN'S MISSIONARY UNION

During the year 1977-78, The WMU of Carolina Baptist Association experienced several exciting happenings. A missionary reception was given for Rev. and Mrs. Tilden Bridges before they left for assignment to Taiwan. Mrs. Betty Gilreath, State WMU Director from Charlotte, attended the Focus Week Calling Tea, hosted by Mud Creek Baptist Church. We have enjoyed the Gordon Scruggs on several occasions as speakers from the Northwest. Also, Rev. and Mrs. John McGee, former missionaries to Africa.

The Executive Committee began their work with the study of the Associational WMU Manual in July. In August we attended the workshop at Ridgecrest. In March several of us enjoyed our trip to Fayetteville for the Annual State WMU meeting. We met quarterly for planning and worked toward our diplomas.

Congratulations go to Lucy Sitton, Fruitland; Ruth Pace, Refuge; and to Ann Condrey, Upward for completion of the requirements for their WMU Diplomas.

Our Acteens had a Prayer Retreat/sleepover at Bear Walla Baptist Camp in April which they enjoyed. Also, our G.A. Day Camp was held at Bear Walla Baptist Camp and registered 69 G.A.s this year.

If we can help you in your church in WMU work, please let us know.

WMU Director

MUSIC

As a part of the Associational Training School, held at Mud Creek Baptist Church, a course of study and experience was offered in conducting. This conducting of

congregational music and choir music was cut short due to the snow storm that came to the area.

An Associational youth choir weekend Music Festival was held at Bear Walla Baptist Camp. Steve Barton, minister of music at Etowah Baptist Church conducted the festival. A concert was given at the close of the festival by the combined choirs of the Association.

In looking ahead in the area of music for our association, we are planning to conduct a Music Workshop. The courses to be offered are as follows:

1. Conducting congregational singing
2. Choir Conducting - for all age choirs
3. Hymn playing - piano and organ - for present pianists and organists

The date for this workshop will be March 19-20, 1979.

SUNDAY SCHOOL

As we look back over the year 1977-78 we realize the most pressing need is for a larger Sunday School attendance, percentage wise. With 53 churches, the enrollment being 8,324 the weekly average Sunday School attendance of 4,999. The basis for these numbers came from the 1977 Minutes of the Carolina Baptist Association. This represents approximately 51% of our people of this association enrolled in Sunday School who are actually attending Sunday School. I believe that we, as Baptists, have the finest tools available when it comes to teaching the Word of God to our people. We have some of the very best writers for our Sunday School materials.

I also believe it should be the responsibility of each Sunday School Director of each church in this association to encourage the teachers to be in constant touch with each person enrolled, in each particular class. Working together for greater participation in the study of the Bible and the spiritual growth of each and every Sunday School member.

This means there is much to be done in the improvement of the Sunday School.

In our association, our goal for the year 1978-1979 should be at least 75% of our total Sunday School enrolled attending. This goal can and should be reached with the help of every member. This I truly believe would be a very worthy goal of the Carolina Baptist Association.

Respectfully submitted,
Herman Fisher,
Sunday School Director

CHURCH TRAINING

When people hear the words, 'Church Training,' they instantly think of the hours on Sunday evening from 6:00 to 7:00, but Church Training involves much more than a weekly meeting. It involves total education and training programs for our people.

Last year was a successful year on an Associational level. M-Night, held in November at West Hendersonville Baptist Church inspired and motivated us for greater work. Out youth held the largest associational meeting in March, with approximately 1,000 people in attendance. Paul Anderson was our guest speaker and we appreciate all the willing work our Associational Officers did. Our children again participated in Children's Bible Drills at Fruitland, along with three teenagers who were involved in our first Associational Youth Speaker's Tournament. We appreciate Phil Frady's willingness to conduct Seminary Extension Programs throughout our Association.

Next year is being planned in order to continue our work effectively. M-Night '78 will

be held on November 20, with Bobby Richardson as keynote speaker. Our youth are in the process of making plans for a Youth Crusade, to be held in the latter part of March. Our Children's Drill will certainly continue and we hope to have greater participation in our Speakers' Tournament.

May I encourage all our churches to be actively involved in the process of training. It has been said 'if you fail to plan, you plan to fail,' and I believe this is certainly true with training as well.

Respectfully submitted,
Jimmy Cox
Church Training Director

BROTHERHOOD AND R.A.

This has been a good year for the Brotherhood in Carolina Baptist Association. Eight different churches were visited by your Associational Brotherhood Director. We helped organize new Brotherhood organizations in three churches this year. Four Brotherhood organizations were activated and reorganized. There is a total of 15 Brotherhood organizations in the churches in Carolina Baptist Association.

Unfortunately we still do not have information on the number of R.A. Chapters in Carolina Association. However, this was a very successful year for R.A.s. First, we had an Associational Track Meet at West Henderson High School to form an Associational track team to participate in the state meet at Campbell College. At the state meet, Claude Mabry of Mills River Baptist Church finished first in the state in the mile run. Our congratulations to him! The trip to Campbell College was paid for from the Preston Capps Memorial fund.

This was also our first year for an Associational Little League for boys 9 - 12. Unfortunately it had a few rough spots due to my own personal inexperience. But the boys had fun and Naples Baptist Church ended up being the champions, with Barker Heights, Tryon, and Etowah also participating. Naples was presented the Championship trophy.

Another highlight of the year was R.A. Day Camp at Bear Walla Baptist Camp with 11 first to third graders attending. There was also a week long overnight camp for the Crusader and Pioneer groups. We had 45 to 50 fourth through twelth grade boys attending this event.

Recognition should be given to the Preston Capps Memorial Fund for making our participation in the State R.A. Track meet possible; and to Bobby Smith of Naples Baptist Church for his time in preparing and coaching the team. Also, a special thanks to all the pastors who patiently dealt with me in trying to get the Little League rolling. And again to Bobby Smith for his leadership at Bear Walla Baptist Camp.

The coming year will again present opportunities for young men to participate in an associational and hopefully state track meet. Next spring we will again have a Little League for boys 9 through 12, but we'll get started much earlier for a smoother operation. Also, Bear Walla Baptist Camp will be available next summer for a week of camp, dates to be determined.

I believe that R.A.s is not strictly for church members, but is also an opportunity for young boys surrounding your church who do not attend church, to have the gospel of the finished work of Jesus Christ shared with them.

All events, track, baseball, camp, etc., are open to all churches and their young men regardless of whether they have an R.A. Chapter or not. I personally pray and encourage your support and participation.

I am available and would love to help you in any way I can in starting a R.A. Chapter.

Avery Simpson, Brotherhood Director

COMMITTEE ON ORDINATIONS

The Committee on Ordinations, when requested by a member church assists with the examination and ordination of a candidate for the Gospel Ministry. Three candidates were examined by the committee during 1978.

1. The Committee on Ordinations met on Monday, January 23, and examined Landis Cannady, who is now a graduate of Fruitland Baptist Bible Institute. He was ordained by the Fruitland Baptist Church on Sunday, February 12, 1978, and has been called as pastor of the Pacolet Baptist Church.

2. The Committee on Ordinations met on Monday, May 22, and examined Jim Gore a student at Fruitland Baptist Bible Institute. He was ordained by the West Hendersonville Baptist Church on June 4, 1978, and has been called as pastor of Lily Branch Baptist Church.

3. The Committee on Ordinations met on Monday, June 5, and examined Jerry Tyre, a student at Fruitland Baptist Bible Institute. He was ordained by the First Baptist Church of East Flat Rock on Sunday, July 30, and has been called as pastor of the Double Springs Baptist church.

VACATION BIBLE SCHOOL

This year the state Vacation Bible School Clinic was held at Ridgecrest. A team of workers from our association attended this Clinic and then led our Associational Clinic which was held at First Baptist Church, East Flat Rock. Our Associational V.B.S. Clinic leaders are to be congratulated for their interest and spirit of dedication in this area of work.

Most of our churches in the association reported that they had a good V.B.S. Totals from the reports: Enrollment 1,724, Professions of Faith 39, Missions Offerings $683.25.

We are always grateful to every person who participates in V.B.S. It takes time, effort and dedication. I am looking forward to another good year in V.B.S.

Respectfully submitted,
Mrs. Alex Booth, V.B.S. Director

REPORT OF MISSIONS COMMITTEE

The Missions Committee met several times during the preceeding year. One of the topics discussed was the possibility of a mission Sunday School class in one of the areas of Hendersonville. Several items brought to our attention concerned themselves with the mission opportunities involved with the operation of Bear Walla Baptist Camp. We also kept in contact with Baptist Mission Store, its operation and the general condition of the Mission Store financially and as a mission outreach of the Association.

We are all excited about the mission possibilities as we begin the first year of existence for Bear Walla Baptist Camp. So much of the time was spent this year in getting the first summer program off the ground and I do hope that the Mission Committee of this coming year will be very much involved in implementing ways in which Bear Walla Baptist Camp can be truly a mission outreach for Christ. This can only be possible as the entire membership of our Association strives to visualize what great possibilities lie here at our doorstep.

To be involved in Christian missions is to be concerned for the welfare of others. One work of our committee has been to learn of people in financial, medical, or some other crisis and help these people as we are able. This is truly missions in the most real sense.

I know that we all pray for an active mission program in our Association. I feel that this is where we are able to put feet on our prayers and be an active Christian witness to the community. The years ahead are full of challenge and excitement as we see the birth of Bear Walla Baptist Camp and also the increased ability of the churches to give financially and spiritually to the work of our Association. Let us all pray that God will put a burden on our hearts to be more involved in mission work, not only on the associational level but in our individual churches in this area of the state.

James Richardson, Chairman

MISSION STORE REPORT

The yearly report for the Missions store is as follows:

$1,998.98 - toys, furniture, clothing
25.00 - Mrs. Carolyn Gordon
29.88 - Mrs. Frances Gordon
1,438.27 - Town Office Supply

The $1,998.98 was free to people in need, the $25.00 to Carolyn Gordon was to help pay her transportation to Duke Hospital where her daughters underwent surgery, the $29.88 to Frances Gordon was to pay for medicine not covered in any other way, the $1,438.27 to Town Office Supply was for an Addressograph for the Association office.

I would surely like to see more done in the way of helping deserving people. For an example, like the Gordons.

Mrs. Irma Roberts

MIGRANT MISSIONS

A source from one of our country agencies has said there are 2000 migrants in our area this year. Nearly all of these people are unchurched, unsaved, and uncared for spiritually. Our association has fifty-three churches and only three have responded in any kind of ministry to these people this year. Some churches are not close to a camp, but there are other ways to help in this ministry.

We appreciate the WMU of First Baptist Church, Asheville for preparing the fine health kits for us, even though they are not in our association. We also appreciate the WMU organizations in the churches in our association who have prepared health kits also.

The Migrant Committee drew up a map with twelve camps (approx. 320 people) to be ministered to. Forty to fifty of these people are Spanish-speaking. We are planning to have a better ministry to these next year.

We have contacted Ernest Upchurch, Director of City and Metropolitan Missions for some assistance in next year's work.

Some goals for a more effective Migrant Ministry next year are:

I. A camp Coordinator/Minister
II. A cooperating committee
III. Committed churches

Dwyre Stroup

BEAR WALLA BAPTIST CAMP

Our Association has accepted what could prove to be the greatest challenge in its history with the purchase of Bear Walla Baptist Camp. We have embarked upon a journey of faith and determination which will reap many souls in the Lord's work.

Our past year was a successful year in many ways. First of all, many of our churches are beginning to sense the potential and the importance of our Associational Camp. Evidence of this can be seen by the many visitors, as well as many churches placing the camp in their church budget.

Secondly, this year has been a year of preparation and discovery. As we prepared to open last summer, we discovered many needs and a great deal of work which had to take place. Through liberal giving and a great deal of voluntary labor, we claimed the promise that 'nothing is impossible with God.'

Thirdly, and most importantly, we praise the Lord for twenty-two (22) decisions for Christ and the many blessings that have been experienced at Bear Walla Baptist Camp this last year.

Just at time moves on, so do our efforts in carrying out the Great Commision. This next year will begin with a drive to raise $118,000 by December 31. 1978. We hope to be able to pay our total indebtedness and acquire needed funds for further expansion. Many people feel that it will take several years before our camp will truly come into prominence among our people but I am sure that the twenty-two people who were saved this summer have already placed Bear Walla Baptist Camp in a very high position in their lives.

Our Association must understand the potential as well as the challenge that is within our grasp. Just as we are in the palm of His hands, He has placed this in our hands. By faith and unity, let us accept it.

Respectfully submitted,
Jimmy Cox, Chairman

EVANGELISM

A significant goal in Bold Missions is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them in their spiritual development. Pastors and church leaders can use the notebook - Bold Evangelism Through the Local Church - to plan and develop an ongoing program of evangelism. Free notebooks will be available and training sessions will be held in associational evangelism clinics across the state. We plan such a clinic.

'The Evangelistic Church on Bold Mission' was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific witness training sessions. The emphasis also included vocational guidance and recreation.

About 12,500 youth, pastors, and adult leaders attended the 8th Statewide Youth Evangelism Night - August 18 - at Greensboro Coliseum. Bill Hogue, Director, Evangelism Section, Home Mission Board, Atlanta, was the preacher; Richard and Judy Bradford, Albuquerque, New Mexico, were the soloists, and other youth shared on the program. Follow-up work is always assigned to pastors with all youth who made decisions.

Churches are encouraged to become more involved in Renewal Evangelism. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Sixty-eight associations have participated in one week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving lay witness training from 1,245 churches. Consistent witnessing to non-Christians is essential.

Youth Evangelism Strategy can help associations and churches train their youth in witnessing to the unsaved and in personal discipleship. Also, YES equips adults to work with youth in evangelism.

There has been a good response to associational youth evangelism emphases which we want to experience in Carolina Baptist Association.

The 33rd Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, on February 5-6, 1979.

Respectfully submitted,
Phil Frady

STATE MISSIONS

Our State Mission Offering goal for 1978 is $1,200,000. $930,500 of this amount would be used to retire the remaining indebtedness of our Baptist State Convention. This is a bold undertaking inkeeping with the spirit of Bold Missions. The money saved in interest alone due to last year's State Mission Offering amounted to around $218,000. This is money that can be used for missions.

The first $201,200 of the 1978 State Mission Offering will provide for direct ministries. Any additional funds beyond the goal will be used in Bold Missions programs.

Thousands of migrant farm workers are summer residents in our area each year. Five thousand dollars from this year's State Mission Offering has been designated for migrant missions. North Carolina Baptists sponsor migrant ministries in twelve associations. We need to expand our efforts, both at the State and Associational levels, to minister to the migrant families among us. There are many who are willing to use their labor, but few who are willing to work for them. If Jesus walked through our County as He walked through Galilee, what would He do or say for these 'strangers among us' who harvest our crops? More to the point--what will we do?

Throughout history, societies have begun to decline when their families began to deteriorate. The Bible shows us the family as the primary institution in God's plan for nurturing and teaching each new generation. Today, we live in a society where families are breaking up under the intense pressures of our society's materialistic, competitive lifestyle. Parents are more and more looking to the schools and churches to teach and guide their children. Neither the educational nor the religious institutions in any society can do the work of fathers and mothers; but our churches can and must provide experiences that will help strengthen families. On May 5, 1979 our Baptist State Convention will sponsor an 'Affirming the Family Rally' at the Greenboro Coliseum. This rally is scheduled to coincide with Christian Home Week.

In the space of this report it is impossible to offer a full discussion on all the Mission activity carried on through our Baptist State Convention. Through our State Convention, we have a part in the work of Fruitland Baptist Bible Institute, aid to churches and associations around our state, ministries to the deaf, to those in prison. Pastors and leaders should share as much information as possible concerning the work of our Baptist State Convention, with the people of our local churches. People must be informed before they can be inspired.

Respectfully submitted,
Henry Mitchell

HOME MISSIONS

Two former Executive Directors of the Home Mission Board were called to the Heavenly Home during 1977 -- Courts B. Redford and Dr. Arthur B. Rutledge. These two men had shaped and molded the Home Mission work for more than two decades. Under their leadership the Southern Baptist Convention grew to 13 million members in 35,000 plus churches across our land.

Bold Mission Thrust is the Southern Baptist Convention's plan for reaching our nation and the world with the message of Jesus. Implementing Bold Mission Thrust is my task and yours.

During 1977 our churches reported 345,000 baptisms, the lowest total in several years. The falling off in the number of baptisms calls for soul searching examination. When did you talk to a person about their relationship with Jesus? It is every Christian's responsibility -- not just the Pastor's and Evangelist's.

Eight thousand persons enrolled in the Correspondence Evangelistic Bible Study in 1977. One hundred seventy-two Laypersons were involved in training 1,100 Laypersons in personal evangelism in their churches and associations.

The financial support of the work of Home Missions for 1977 was outstanding. Fifteen per cent increase in Cooperative Program gifts and 11.58 percent gain in the Annie Armstrong Easter Offering. These dollars from the Cooperative Program and the special offering made it possible to spread the Gospel message among the peoples in our nation. Cooperative Program gifts totaled $94 million plus $431,507 and the Annie Armstrong Easter Offering $10,745,968.

We have a total of 1154 missionaries serving among thirty-three ethnic groups. During the year 225 new congregations were started for ethnic groups -- people in our country speaking other than the English language.

The number of Home Missionaries increased by 338 during 1977 - bringing to 2830 the total persons under appointment by the Home Mission Board.

The Mission Service Corps has a goal of 5,000 Volunteers to serve one or two years in Mission service at home and over seas.

The work of the Home Mission Board is as varied as these United States -- we seek to give the message of Christ's love and salvation plan to all in 'the Melting Pot' -- these fifty states that make up our country. 'Onward, Forward' in the Home Mission task. Where He leads We must Follow.

FOREIGN MISSIONS

Southern Baptists continue in the Bold Missions Thrust to give the gospel to every person in the U.S.A. by 1982 and to every person in all the world by 2000.

There have been in many areas of our country new emphasis given to the ten-fold objectives of the Total Missions Thrust with gratifying results.

In several cities there have been appointment ceremonies for new missionaries, and these have contributed to a growing interest in Missions among those attending.

Lay involvement has met the challenge to such an extent that there are more volunteers than supporting churches or individuals.

In 1977 we had missionaries in 88 different nations, but Haiti recently became number 92 in 1978. Missionaries Jack and Doris Hancox will be leading the 90 churches in stewardship development and in a well-digging project.

Many new churches have been organized for example the churches along the Trans-Amazonica Highway in Brazil where for the third time groups of seminary students, pastors, and lay persons have worked in intensive campaigns.

Pilot programs of intensive urban evangelization were highly successful in many cities in Brazil, and in Davao City, Phillipines. These projects were based on visitation, open-air services, radio and TV programs and extensive distibution of literature.

There are urgent calls for people with experience in student work in great Universities of the world. These requests are often listed in Royal Service, World Missions Journal and the Commission.

Leadership training is being emphasized by promoting WIN schools and other programs of personal witnessing.

The use of mass media has accentuated the need for personnel, trained in radio, TV and publications. Recently a conference of 60 African leaders and missionaries met in Kenya to discuss an International Publication Center for Eastern and South Africa. This center should be set up by 1979.

Southern Baptists continue to give attention to human need in local situations and in foreign countries through disaster relief, volunteer service groups in medical units, well digging projects, education in improved nutrition, and the growing of crops which will help the people to ward off famine.

Baptist groups around the world are earnestly engaged in the Bold Missions Thrust, and we of the U.S.A. need more bold praying, bold giving and bold going to reach our goals.

COOPERATIVE PROGRAM

1. Southern Baptists have set for themselves a goal, in obedience to Christ's great Commission, to help every person in the world, over four billion people, to hear the Gospel by the year 2000 A.D. Providing resources to meet this important challenge will require fervent, importuning prayer, and sacrificial giving on the part of every Southern Baptist Christian. We must give our best as we minister through our churches, through local associations and through the Cooperative Program in bold support of missions at home and around the encircling globe.

2. Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Let us implore every church in our Association to demonstrate its commitment to this world mission endeavor through serving and giving. Every church is challenged to increase, on an annual basis, the percentage of its total budget income given through the Cooperative Program and through the missions budget of the Association. Churches should consider prayerfully the percentage increase suggested by the Baptist State Convention for this program and the increase suggested by the Association for Associational Ministries. The Bible provides insights for the development of Christian Stewards. The local church will want to provide Biblically based stewardship development activities for its members. Materials are offered to churches to help them in this all important opportunity. Tracts, activity guides, study course books, visual aids and budget programs are available from the Stewardship Commission, 460 James Robertson Parkway, Nashville, Tennessee 37219.

I. Every church in our Association giving something through the Cooperative Program for Bold Mission Thrust Support.

II. Every church in the Association increasing the percentage of the total budget income given through the Cooperative Program.

III. Every church in the Carolina Association increasing the percentage budget income for the support of Associational missions.

Yours in Christ's Service,
Robert P. Hamby

BAPTIST CHILDREN'S HOMES

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes.). This is a

wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

North Carolina Baptists have reason to be pleased with work that is currently in progress in western North Carolina. Broyhill Home foster home services, emergency care at Forest City, maternity care in Asheville, programs of crisis intervention, counseling and family education fill a particular need in this area of our State.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster homes parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over-and-above love offering to the Children's Homes at Thanksgiving time. As a part of the Bold Missions thrust, the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions Offering to be received each September thereafter.

To bridge the transitional gap next year, out trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

Mrs. Lucy Sitton

BAPTIST HOMES FOR THE AGING

North Carolina Baptists are committed to Bold Missions through the Homes for the Aging. The residents and patients of the Homes provide us with a challenging opportunity to serve the Lord. The services rendered and the love received cannot be measured in dollars and cents.

At present, there are 240 residents in the five locations of the Baptist Homes for the Aging at Resthaven, the Hayes Home, the Albemarle Home, the Hamilton Home, and the Yanceyville Home. The Nursing Care Unit in Winston-Salem serves all five of our Homes, offering long-term nursing care as needed. When the Western North Carolina Home in Asheville is completed, there will be accomodations for 300 people in all of our six Baptist Homes. By the end of 1980, the Homes hope to serve 500 people.

Baptist churches across the state provide vital support for the Homes. The Cooperative Program supplies about 8% of the total budget, while the Special Offering traditionally contributed 16%. As of February of this year, the Special Offering for the Homes has been discontinued, causing great concern that our churches continue, in an ever increasing effort, their faithful support of the Homes.

If the total goal of the State Missions Offering for 1978 and 1979 is reached, our Baptist Homes will receive $300,000. If the goal of $2,000,000 is not reached, the Homes will not receive the $300,000 which mean that we will most likely have to borrow money to operate the Homes for the Aging. The Western North Carolina Home in Asheville, which is scheduled to open around February, 1979, will require an additional (estimated) $100,000 to operate. As never before, Baptists of North Carolina must pull together on Bold Missions for the Lord, trusting him to help meet the needs of those aging persons who turn to us for help.

BAPTIST HOSPITAL

The primary task of Baptist Hospital is healing, with teaching and preaching as secondary ministries. Our hospital attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for analysis and treatment. Last year 206,507 visits were made in the hospital's Outpatient Department and Emergency Department, and the Bowman Gray Department of Clinics. There were 23,123 admissions to the hospital for a total of 200,296 patient days. These patients came from 90 North Carolina counties and from a number of other states and foreign countries.

In cooperation with the Bowman Gray School of Medicine of Wake Forest University, Baptist Hospital helped to train 1,377 students last year for careers in medicine and allied health fields. The School of Pastoral Care last year enrolled a total of 75 students in various levels of clinical pastoral education.

Worship services held in Davis Chapel four times a week may now be piped into the patients rooms through closed-circuit television, thus a new way of witnessing for our hospital. This new system is a teaching device also.

Our Baptist Hospital continues to find ways of enlarging and improving its care of patients.

During the past year, the Department of Family Medicine moved into new quarters in a new building. The Family Practice Center provides primary health care for 2000 families, but it is anticipated that with the larger area, the Center will provide primary health care for more than 5,000 families by 1980. The teaching program for resident physicians in Family Medicine will also increase from 16 to 36 positions by 1980.

The creation of a new Department of Patient Relations and the employment of a full-time director has also helped to improve the quality of patient care.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas, in determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Baptist Hospital received $405,719 through Mother's Day gifts from our Cooperative Program, down from the $411,225.56 of last year. Thirty-two churches in our Association gave a total of $4,382.96 this year, down from the $5,065.46 of last year when 39 churches gave to our hospital. The number of churches giving decreased by 7, while the amount given decreased by $682.50. Brethern, our Baptist Hospital is still growing in size, personnel, and competency, so may we support them by giving generously.

BAPTIST FOUNDATION

A survey in several counties representative of the cross-section of our state has provided interesting information regarding the seriousness, or lack of seriousness, to which stewardship of estates is considered. Court records and wills were carefully studied in these counties to determine the disposition of possessions for a specific time. Facts revealed were:

1. 30 percent of the decedents died without a written will.

2. Very little was provided for the church or any charitable cause through the wills that were probated (six-tenths of one percent was given to all charitable causes and only 65 one-thousandths of one percent was left to all Baptist causes.)

3. 45 percent of all assets were left either to husbands or wives. 37 percent, of all assets were left to children by parents and 27 percent was left to granchildren or other persons.

4. Projected to statewide basis for one year, two-thirds of one billion dollars is left in estates each year.

5. Based on resident Baptist population in the state, a tithe of the estates of Baptists that die each year would provide in excess of 10,000,000 dollar annually to the support of Christian missions and ministries carried on by our churches and denomination.

Baptists who believe in Bold Mission endeavors will:

1. Prepare a will or have a will updated;

2. Provide for their church pledges and commitments to be fulfilled through their will;

3. Seriously consider a tithe of their estate to a Christian cause.

During 1977-78 fiscal year, the Foundation has received $198,139 in additions to the trust funds being held. Twenty-seven new trusts were established.

ANNUITY BOARD

The year 1977 was one of contrasts for the Annuity Board.

The Board grew markedly in new retirement and insurance accounts, but investment earnings suffered due to poor stock market performance.

The year was also one of strong demands which resulted from servicing needs of new accounts, a complex asset allocation process, implementation of new church retirement program and accounting responsibilities of new investment funds.

Key statistics in 1977 included:

1. A permanent 8.33% increase in most annuitants checks.

2. A total of $19,085,316 paid in retirement and protection benefits. The increase was retroactive to January 1.

3. The enrollment of 545 new churches in the basic retirement plan. New pastors and church employees in Plan A numbered 2,169, and 3,000 members upgraded their programs.

Plan A members increased from 27,598 in 1976 to 29,142 in 1977. Enrollment in Plan B rose from 25,412 to 33,062 but Plan C's membership dipped from 5,987 the previous year to 4,885 for the year ended.

In 1977, premium income totaled $45,603,942 - including relief. Total assets climbed to $498,977,661, compared with $473,142,631 a year earlier.

Statistical Highlights, 1978

Retirement Plans	Total Members	Insurance	
Plan A (church-agencies) -Family Benefits-	29,142	**Health Insurance	18,043

In North Carolina as of March 31, 1978, 3,387 staff members of 2,257 churches and associations are participating in the Southern Baptist Retirement Program.

In Carolina Baptist Association 28 churches and 36 staff members are participating in the Retirement Program. Carolina Association is also participating for their Director of Missions.

AMERICAN BIBLE SOCIETY

Last year more people were reached with God's Word than ever before in the Bible Society history.

Since it was founded in 1816, the only goal of the American Bible Society has been to translate, produce, and distribute the Scriptures to people everywhere in a language they can understand and at a price they can afford. In this effort, the American Bible Society and its partners in the United Bible Societies distributed over 400,000,000 Scriptures in 150 countries in 1977.

In 1946 the American Bible Society published its first Scripture Selection, the 'Sermon on the Mount.' Scripture Selections have since become the 'seeds' of the Society. They can be shared more widely than New Testaments or Bibles because of their low cost.

Opportunities to distribute complete Bibles and New Testaments are limited in many areas of the world because the level of literacy is so low. The Bible Society's answer to this problem is the GOOD NEWS FOR NEW READERS program. This makes it possible for those just beginning to read to discover God's Word through a graded series of Scripture Selections. By the end of 1977 New Reader translations of the Scriptures had been undertaken in 328 languages, an increase of 42 languages over 1976. During the year three new countries -- Greece, Liberia, and Senagal -- were added to the list of nations in which New Reader programs have been started.

An average of nearly once every two weeks during 1977, somewhere in the world a group of people who had never had the Word of God in their own Language received a portions of Scripture for the first time. At least one book of the Bible had been published in a total of 1,631 languages, an increase of 28 languages, by the end of the year.

Total income of the American Bible Society from all sources in 1977 was $29,871,640. Income from churches totaled $1,545,634. The churches of the Southern Baptist Convention contributed $251,908 or approximately $.022 per member. This was a decrease of $23,723 from 1976.

In April, 1977, a National Advisory Council was held in New York. Carolyn Weatherford and Porter Routh represented the Southern Baptist Convention. One of the resolutions adopted by the Advisory Council supported the United Bible Societies goal of at least doubling income from local contributions by 1980. If the 12,733,124 members of the Southern Baptist Convention were to raise their level of annual support to $.04 per member, total giving to the Bible cause would reach $509,000 and help reach the United Bibles Societies' goal. This would help make certain that the Bible Society will be able to provide the Scriptures needed by the Southern Baptist Convention in its global ministry.

The Bible Society asks for your continued prayers so that together with the churches of the Southern Baptist Convention and all willing Christians everywhere, our combined efforts to bring His Word to all those who are in desperate need of it will be blessed by God.

William W. Willingham

CHRISTIAN HIGHER EDUCATION

Baptists of North Carolina support and operate, through elected trustees, six colleges and one university; Campbell, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. The seven colleges, currently, faculty and staff number 1,441. During the 1977-78 academic year, the full-time enrollment of the colleges was 13,000. The total enrollment, including summer school and special students, was more than 19,000.

Baptist Colleges serve Christ and Baptist people best when they are truest to their primary mission, Christian education. Christian education is education under Christian auspices for Christians ends. Christian education is Christianity operating in the field of enlightment. A Christian college is a college founded and maintained and conducted by Christian people in the service of the Kingdom of God.

Churches are urged to encourage their youth to attend a Baptist college. Most of the students attending a North Carolina Baptist college receive some form of financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist Colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptists a vital and successful ministry.

CHRISTIAN LITERATURE

With the multiplicity of printed material marketed these days, it is no wonder that mistakes are made by people and churches in selecting resource materials for the library and organizational use. Even personal reading material may prove worthless or worse. It can be tragic when a church is careless in selecting and using Bible related resources. It is no news to you that some of our denominational churches are using materials prepared by other denominations or by so-called non-denominational or inter-denominational publishers. Such decisions are often made when a pastor or church leader gets disillusioned with our own publishers for some reason. How much better it would be if that person or church would take the complaint to the proper source so that we can keep on improving our own literature.

It stands to reason that use of our own denominational literature is safer and more effective because it is oriented with the rest of our work. Few of us think it is perfect; but we all should have an interest in correcting flaws as quickly as possible. It is irresponsible to reject the total denominational supply because of a flaw or two without making a real effort to correct them.

We also have responsibility and should take interest concerning the literature of our community and world. The positive action includes making available the best resources possible for personal and organizational use through our churches. The negative action (also necessary) is to use our influence to hinder the peddlers of smutt in every legal way with a Christian spirit.

One of our best resources and channels of communications is the Biblical Recorder, our state paper. Every Baptist family should have access to this weekly publication. Wise church leaders will work for this in their churches.

Alex L. Booth, Jr.

TEMPERANCE AND PUBLIC MORALS

In 1978 Carolina Baptist Association and the N.C. Baptist State Convention have worked together to develop programs whereby the local churches can present a Unified front showing their opposition to the media, legislative bodies, sponsors and other organizations who present alcoholic beverages, pornography and homosexuality as an acceptable lifestyle. We have experienced a year of productivity in these areas of applied Christianity among Southern Baptists. Distribution of literature relating to temperance and public morals was sent to Baptist Pastors and other church leaders to encourage their membership to voice their opposition of the proposed legislation of Liquor-by-the-drink, also the airing on prime time of the ABC television's so-called adult comedy series, 'Soap.'

New areas of witness are being opened to Baptists across the state, as well as Carolina Association, to help people deal with grave moral issues. Carolina Baptists need to recognize the urgency to seize opportunities to bring about a change of direction for our county, state and nation. There are many areas of concern for our association, but the area of moral and social concern should claim a vital part of our efforts and our prayer life. All of our churches should seek to (1) help our people to apply Christian principles to moral and social problems, (2) help our people to understand the demands of the gospel, and (3) help us create, under God's leadership and grace, the kind of life that will be the most effective witness for Christ.

Only in this way will we be able to reverse the trends of our day.

Leon Nicholson

HISTORIAN'S REPORT

This has been rather a trying year for our Carolina Baptist Association. Our Associational Missionary retired the first of March, and to this date we do not have a Missionary on the field. Mrs. Duncan, the secretary, has done a wonderful job with the help of some of the Associational officers.

The Bear Walla Baptist Camp has been a big controversial issue in our Associational thinking this year. At this time we are trying to get enough money pledged to take care of our indebtedness.

CHANGES IN PASTORS: We did not have the big turnover in Church Pastors that we had last year. Phil Frady left Mtn. Valley. Joe Godwin left Main Street. Jack Gallagher left Dana. James Richardson left Tryon. George Holland left Bat Cave. Jerry Tyre left Double Springs. Charles Rollins left Mtn. Page.

NEW PASTORS: Horse Shoe called George Holland. Main Street called Allen Jewett. Dana called Ralph Banning as Interim. Mtn. Page called Victor Blackwell. Ebenezer called Jerry White. Some of our churches are without Pastors at this time.

SOME HISTORICAL EVENTS THIS YEAR: Hoopers Creek built a new church and dedicated it. Main Street sent Miss Mildred Thomas to the Baptist Seminary in the Philippines as Special Projects Missionary. Balfour presented their pastor and wife with a new car in December on Pastor Appreciation Day. Valley Hill paid off their indebtedness in December 1978. Dean Weaver, pastor of East Flat Rock First Baptist Church, received his Th. D degree. The church remodeled the entrance to the church and erected a new church sign featuring the Southern Baptist Symbol, the first to be erected in this area.

Mills River purchased three acres of land adjoining their church property. Barker Heights has a new educational building in progress. West Hendersonville built a new

recreational court. The church observed the Fifth Anniversary in their new building. Mr. & Mrs. George Denton were honored by having a class named for Denton. Hendersonville First Baptist dedicated their new Family Life Center, April 22, 1979. Etowah ordained Jimmy Pulliam. Mountain Home ordained Jimmy Justice on June 24, 1979. Oak Forest observed their first Home Coming with Alex Booth as speaker.

IN MEMORIUM: Our Association has suffered the loss of many of our members this year. Mr. J.L. Nanney, Deacon, Shaws Creek. Mr. Nathan Stepp, Deacon, Mtn. Home. Mr. Jess Freeman, Deacon, Bat Cave, Mr. Charles Israel, Sunday School Superintendent, Fletcher First Baptist. Mr. Guyton Jeans, Ordained Minister, Naples. Mr. Lathe Williams, Pleasant Grove.

Respectfully submitted,
Robert Bryson

The Associational Self-study and Steering Committee strongly feels that it is urgent that the Associational Missions Committee search and find a Director of Missions for the Carolina Baptist Association as soon as possible in order to implement these goals.

Allen B. Jewett

MISSIONS COMMITTEE

The Missions Committee has been meeting each month during the year. Since Brother Latt Beshears took an early retirement as Director of Missions of Carolina Baptist Association, it has thrown a lot of work on our committee.

Working with the State Baptist Convention out of Raleigh, Brother George Shore has helped coordinate a very important group study of the needs of the work here for the Lord within our bounds.

We have also been seeking God's man for the work of our Director of Missions. We pray that we will have that man in the near future.

Let's remember Bold Missions starts with each individual, and if it is to be, it is up to me. Do you really want every person throughout the world to have the opportunity to hear the Gospel by 2000???

Tom E. Capell

SUNDAY SCHOOL

An Associational Key Leadership Conference was held at Hendersonville First Baptist Church, August 20, 1979. As a part of this conference, Rev. Talmage Wall, Transylvania Baptist Association, led the Sunday School Conference. Approximately 15 attended this inspirational and informative conference.

The Self-Study Steering Committee of Carolina Baptist Association, took a long look at the records for the past 10 years. As a result, goals for 1980-82 were set and priorities determined in all areas of Associational work. The Sunday School goals are: 1980 - A Teacher Leadership Improvement Workship; 1981 - A Sunday School Enlargement Campaign or an Action Plan within Carolina Baptist Association; and 1982 - A Director-led Bible Venture Campaign.

VACATION BIBLE SCHOOL

In March a team of Vacation Bible School Workers from our Association attended the State V.B.S. Clinic at Ridgecrest. In April these workers led our Associational V.B.S. Clinic which was held in East Flat Rock First Baptist. We are grateful to this team of workers for their interest and spirit of dedication in this area of our Associational work.

Most of our churches reported that they had a good V.B.S. Totals from the reports: Enrollment 1,839, Professions of Faith 33, and Missions Offerings $1,123.00.

It takes time, effort, and dedication to participate in V.B.S. Thank you for doing just this. Let us look forward to another good year in Vacation Bible School.

Respectfully submitted,
Mrs. Alex Booth, V.B.S. Director

THE BROTHERHOOD REPORT

We find in Acts 1:8, Williams translation, the word of our Lord. "But you are

going to receive power when the Holy Spirit comes upon you, and you must be witnesses for me in Jerusalem and all over Judea and Samaria and to the very ends of the earth."

A person may be doing all kinds of church related work, and be doing more than anyone else for their community, but if he is failing in his witnessing he has fallen short of his Christian calling. You are going to receive power when the Holy Spirit comes upon you, and you must be witnesses for me in Hendersonville and all over Henderson County and North Carolina and to the very ends of the earth. "You must be witnesses for me."

What is the purpose and task of the Brotherhood? It exists for the purpose of assisting its churches. The Brotherhood exists to help churches inform, inspire and challenge their men and boys to new heights in missions. The Brotherhood is a service group, to help initiate the involvement of men and boys in missions. Helping in the developing of personal ministries, teaching missions, praying and giving to missions, undergirding the church and denomination.

God will and does use the willing! Men committed to bold praying, bold giving, bold witnessing, bold sharing, boldly ministering for the glory of God. Christ ascendded to the right hand of God, and left you and me in charge to carry out the mission of Christ, and the Church.

Let us make 1979-80 the best year that the Brotherhood has known.

Respectfully submitted,
Bobbie Arrowood,
Brotherhood Director

THE R.A. REPORT

After much thought and consideration, I have undertaken to write this report. It is not my intent to present a negative or pessimistic outlook for our R.A. Program, but rather state what I feel is the present condition of our Associational R.A. Program and create concern among our churches.

We had six churches to meet at our first organizational meeting - five churches to take part in our Associational R.A. track meet and three churches to meet for the purpose of organizing a baseball league. There were two churches that organized R.A. Chapters, Ebenezer and Double Springs.

I believe there are at least two things that must take place if the R.A. Program is to come close to meeting its potential. First there must be dedicated men, men who are willing to invest their lives in the lives of young boys. Secondly these men must be trained and educated in the possibilities that lie within the R.A. Program.

The young men that went to the State R.A. track meet, held at Campbell College, thoroughly enjoyed this time of fun and fellowship together.

The individual directors of our local churches must take time to come together and make plans if our Associational R.A. Program is to be a success. Our young boys deserve better than we are giving them.

Respectfully submitted,
Raymond Byrd
R.A. Director

CHURCH TRAINING

Church Training for this year has proved to be a year of excitement and blessing.

"M" Night at First Baptist Hendersonville welcomed some 300 people. Bobby Richardson was our guest speaker and the program was well received.

Youth Crusade with Albert Long was a great success, 150 decisions were made and hundreds of lives were touched for the cause of Christ.

Children's Bible Drill was conducted under the faithful ledership of Marie Blackwell. Four from our Association participated in the State Children's Bible Drill at Fruitland. Three were declared State winners: Paula Jackson and Clarence Blackwell, Upward, and Christina Byrd, Mills River.

Mrs. Georgia Condrey conducted the Youth Bible Drill and Youth Speakers' Tournament. Steve Blackwell and Linda McMahan, Upward, were Western area Winners and went on to Caswell to participate in the State Youth Bible Drill. Darlene Gasperson, Mt. Gilead, placed first in the Associational Youth Speakers' Tournament and represented the Association in the Western Area Youth Speakers' Tournament at Fruitland.

Next year brings a time of preparation. "M" Night will continue to be a time of inspiration. Dan Blackwell, our Adult Director, will conduct a Church Training Workshop. David Riddle, our Youth Church Training Director, will lead on Youth Night. Marie Blackwell will direct our Children's Bible Drill. It is also hoped that we might have a summer Youth Director for our Association, depending upon church participation. The youth officers are as follows: President - Dennis James, Vice-President - Lisa Smith, 2nd Vice-President - Bobbie McIntyre, Treasurer - Robert Kincade, Secretary - Jamie Whitaker, Reporter - Tammy Rhodes.

Remember our one purpose is to prepare and be led by the Spirit to the great task of winning and training.

Jimmy Cox

WMU REPORT FOR 1978-1979

Our WMU has completed another busy year, however it seems not busy enough. This is the first year in the last five that we did not make a Distinguished Association. We were rated Advanced which is next best and hardly an achievement to hang our heads over. Our WMU membership all across the state is loosing members. This should be of utmost concern to us. We need strong leadership to keep our attendance up. Make sure in your local churches that your nominating committee keeps this in mind.

At our annual May meeting this year we were blessed with Mrs. Robert Parker, SBC missionary to Rhodesia, as our guest speaker. Also this year the Baptist Young Women heard Mrs. Virgie Sorrells, Missionary on furlough from North Brazil. The Baptist Women enjoyed a Prayer Retreat. We had a group of Acteens from East Flat Rock that attended the National Acteens Conference in Kansas City.

Our Girls In Action have enjoyed a sleepover, a Father-Daughter Banquet, and Day Camping. If your church is not taking advantage of these opportunities, please start enjoying them. Your Council works hard to provide them and we feel you will be blessed by them.

As I close out a five-year term as your Director, let me say "thank you" for your prayers, support and fellowship. You have all been wonderful. I will always love Carolina Association Woman's Missionary Union. May God continue to bless us as we serve him together.

Respectfully submitted,
Mrs. Dan Blackwell
Asso. WMU Director 1974-79

MUSIC REPORT

The Associational music program this year has sponsored two Hymn Sings which were very successful. The first one was at Main Street Baptist Church. Ebenezer Baptist Church choir furnished some wonderful music along with other solos and trios. The church was full of people and a warm fellowship was experienced by all. The second Associational Hymn Sing was scheduled in three area churches - Ebenezer, Saluda and Mt. Gilead.

Every fifth Sunday a Hymn Sing will be scheduled in different areas of the Association. This is a time to join with fellow Baptists to praise God in song and praise Him through Christian fellowship.

As part of the Evangelism Conference, an Associational combined choir will practice and sing for the evening Evangelistic services. These dates are March 24 & 25, 1980.

MIGRANT MISSIONS

A new beginning! Surely these are the words for the Migrant Ministry of Carolina Baptist Association for 1979. Our camp Coordinator/Minister, Chuck Covert, has helped us this year as a "first" in several years. This is the first year the Migrant Committee has met regularly.

Our "Migrant Missionaries" have been few but faithful. Thirteen churches have participated in the ministry this year; 12 in Carolina Association and one in Buncombe Association - Skyland Baptist Church. We have had 25 "missionaries" going to the camps on a regular basis. These people represented only three of our churches. More churches need to plan a ministry for the coming year. A workshop is being planned for our Association to better equip us to minister to the migrants.

Materials and some money were donated this year. Bibles (English and Spanish), tracts, V.B.S. supplies, song books, clothing, health kits, first-aid kits and films are some of the items used.

Activities included puppets, Bible stories, witness games, music, recreation, films, fellowship meals and worship in local churches on Sunday.

Goals for next year's work are:

I. Combined Ministry with neighboring Associations
II. Coordinated Work - Baptist State Convention - Extension Department, Carolina Baptist Association, Migrant Minister
III. Class for Worker Training

AUDITING COMMITTEE

To: Treasurer, Carolina Baptist Association, Inc.
Hendersonville, NC
Date: October 17, 1979
Ref.: Audit Carolina Baptist Association, Inc. Records

- During the year of 1979 there has been a continuing audit of all records and record keeping at the Carolina Baptist Association Office.
- The continuous audit has resulted from our supervised goal to establish separate record keeping in the office for the Association, Mission Store, and Bear Walla Camp.
- The separate books of accounts for the three organizations have separated and prior year's balances forwarded and are now recorded and balanced separately. A much better control on expenses and more accurate reporting has been established.
- Due to periodic checks and supervision in setting up the new accounting records and an audit of the records by the Internal Revenue Service, it is our opinion that the records and accounting practices at the Carolina Baptist Association, Inc. are accurate and in accordance with generally accepted accounting practices.

GENERAL BOARD

Your General Board has had a busy and fruitful year under the capable leadership of General Secretary-Treasurer, Dr. Cecil Ray, and our General Board President, Rev. Duane R. Campbell.

Among the many things that were discussed and voted on favorably, I mention a few:

1. Duane R. Campbell, pastor of the First Church of Elkin, was elected as the new president of the General Board. Dewey Hobbs, pastor of the First Church of Marion was named vice-president.
2. $15.5 million budget approved. Includes 5% cost of living allowance for General Board employees; merit increases given in certain instances.
3. The Wake Forest issue is still pending. An attorney hired by the committee studying the convention and WFU relationship states that the convention has a legal right to elect the trustees of WFU. Some think that the "covenant Relationship" being studied is far more important than the legal opinion. Duane Campbell said he felt the final paragraph in the legal study was the most important part of the whole study - "that we will resolve our differences with Wake Forest on a trust level and not on a legal level." WFU is scheduled to receive nearly $937,000 (6.5% of the convention budget) in 1979. On January 31, 84 board members voted to put WFU funds for this year in escrow. However, in June the January Cooperative Program funds were released to WFU.
4. Special committee studying the selection of trustees has recommended by-law changes.
5. Campbell College became Campbell University on June 6. A three-year federal program exceeding 52 million was approved.
6. Approved up to $5,000 for assistance to new General Board staffer, with one-fifth of the amount to be paid annually, with interest, by the convention.
7. Okayed rate increases effective this summer for Caraway and Caswell.
8. New retirement policy approved - age 70 - mandatory
   age 65 - normal
   age 60 - permissible
9. Okayed recommendations by the Committee on Nominations for the General Board.

Frank Carter

EVANGELISM

Baptists in search of unsaved and unchurched persons, are joining together in a Statewide Evangelistic Crusade scheduled for 1982. It is expected that the effort will include Simultaneous Revivals with dates and other activities to be announced soon. The Joint Evangelistic Crusade Committee, composed of both white and black Baptists, is chaired by Mark Corts of Winston-Salem, and co-chaired by C.W. Ward of Raleigh. The Committee requests prayer support of the churches for this effort to reach every person in North Carolina with the gospel of Christ by the end of 1982.

The 33rd Statewide Evangelism Conference was held at the Cumberland County Memorial Auditorium, Fayetteville, North Carolina, during February 5-6, 1979. Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more in direct witnessing for Christ to the unsaved.

Many churches from different associations across the state have already participated in Bold Evangelism Clinics, using the notebook - *Bold Evangelism Through The Local Church* - with the emphasis related to on-going programs of evangelism in the local church. Every church in all our associations are encouraged to double baptisms by 1982 or sooner.

Pastors and lay persons participated in an important seminar on GROWING AN EVANGELISTIC CHURCH during March 26-29 at Caraway Conference Center. The seminar was co-sponsored by the Division of Evangelism and several of the staff of the Evangelism Section of the Home Mission Board. In depth training sessions placed an emphasis on long-range planning to develop an evangelistic local church.

The Division of Evangelism now has the TELLset and training cartridges to train small groups in direct witnessing. There will be a renewed emphasis on Lay Evangelism Schools with the use of new materials and TELL witness training.

The Carolina Baptist Association, Committee on Evangelism, gave $100.00 toward the expense of the Youth Crusade which was held in Hendersonville, North Carolina this year.

Decisions for Christ are being made by youth and adults as a result of the Youth Revivals led by four Summer Youth Evangelism Teams in one-week efforts among 36 churches across our state.

Churches and associations are now involved in Bold Revival Planning Clinics, using the *Revival Planbook for the Local Church, Counseling Guide, and the Follow-Up Manual for New Christians.* The Revival Planbook can help pastors and church leaders to plan for a more effective revival effort.

The 34th Statewide Evangelism Conference will be held in Greensboro during February 4-5, 1980.

Landis A. Cannady

NORTH CAROLINA MISSIONS

The year 1979 may well prove to be a historic year in the Bold Mission effort of North Carolina Baptists. For the first time, six North Carolina Missions Offerings were combined in a unified North Carolina Missions Offering. The 1979 goal for the unified North Carolina Missions Offering is $2,000,000.00 These funds are to be allotted as follows:

OFFERING	PERCENT	DOLLAR AMOUNT
State Missions	30%	$600,000
Children's Homes	30%	600,000
Hospital	15%	300,000
Homes for Aging	15%	300,000
Higher Education	5%	100,000
Heck-Jones (WMU)	5%	100,000

In order to insure that we reach this goal, our Baptist State Convention provided materials for a three-Sunday emphasis with Ingathering Sunday set for October 7. Complete graded Missions Study materials were prepared for use by the churches, including tapes and filmstrips on various areas of mission ministry by North Carolina Baptists. Before people will give boldly, they must be informed, and this year we have had a unique opportunity to teach our people about Baptist Missions in North Carolina.

North Carolina Baptists will not accomplish all the Lord has called us to do in our state with spare time and pocket change. Only when we begin to give to the Lord as freely and joyously as we receive, will the mission be done. A $2,000,000 N.C.

Missions Offering is only one small step of faith toward a walk worthy of our high calling in Christ Jesus.

Be sure your offering is clearly marked for NORTH CAROLINA MISSIONS.

Respectfully submitted,
Henry Mitchell

HOME MISSIONS

"Looking ahead to the 1980's, I see the fields and believe people called Southern Baptists are more ready for opportunities to evangelize and congregationalize than at any time in our history," says William G. Tanner, Executive Director of our Home Mission Board.

During 1978, we appointed 885 Career Missionaries, 615 Associate Missionaries, 64 -US-2ers. Through the Mission Service Corps we appointed 100 Volunteers, and about 21,700 served through the special Mission Ministries Department.

God has entrusted Southern Baptists with an abundant land, a "field white unto the harvest." We give Him thanks for the vision to use Volunteers in Missions. This could well become the decade of Volunteers in Missions as we follow the Lord's leadership and send out Laborers to reach lost people for Christ.

Cooperative Program giving for Home Missions totaled $11,025,801 during 1978, 14.8% increase over 1977.

As of August, the Annie Armstrong Easter offering is having the best year ever. Indications are that 93% of the 15 million dollar goal will come in by the year's end.

The staff of our Home Mission Board has been making an overall study of its task for the remainder of this century, earnestly seeking God's will and leadership for direction in its work. Eight objectives will serve as beacons to guide the actions of our agency for the next 21 years. These objectives are: (1) Evangelizing our Nation (2) Congregationalizing new churches to meet the needs of people (3) supporting and equipping missions personnel (4) short and long term Volunteers in Missions (5) witnessing for Christ in New Frontiers (6) providing leadership (7) leading Southern Baptists to a greater awareness, acceptance, and involvement in efforts which seek to accomplish Christ's purpose in the world (8) cooperating with state conventions and associations to provide leadership and resources to help the churches accomplish their task.

If these objectives are reached we, the people, must "keep our eyes on God," and remember the "battle is the Lord's (2 Chronicles 20:12-15)."

Will you pray? Will you give? Will you WITNESS EVERY DAY?

The people of this nation will have the opportunity to be His - salvation by grace through faith - if we are obedient to His command.

Respectfully submitted,
Audrey E. Saunders

FOREIGN MISSIONS REPORT

Since the launching of Bold Missions Thrust at Kansas City in 1977, Southern Baptists have undertaken many new projects - many have gone as volunteers on assignments for short periods of service in Win Schools, evangelistic crusades, health

clinics, re-construction of buildings destroyed by storms, and hunger relief programs, or as teachers or preachers where substitutes were needed in English speaking situations. Many have returned with hearts full of gratitude for this refreshing time of spiritual commitment. Some have gone out again and again to answer urgent calls. Many have brought back a "breath of fresh air" to their home churches that have been going on with "Missions as usual - nothing must change from the way we have always done it."

Although Bold Missions Thrust is old - as old as the coming of Jesus, as old as the work of those witnesses who were scattered abroad after Pentecost, it is also startlingly new. "The newness is of degree, not kind; it is found in intensity, velocity and quantity.

"The intent and purpose of Bold Mission Thrust is to take Southern Baptists' commitment to the Lord and to the world and to intensify and multiply efforts and resources so that the convention will break through barriers into new levels of mission endeavor.

"Bold Mission Thrust becomes reality as it throbs in the hearts, minds and souls of Southern Baptists; as it generates sacrificial giving of money and life, and as it involves lay volunteers by the thousands to reinforce the long-term work of increasing numbers of career missionaries."

This ministry must be intensified in our hearts, in our churches and in our Association. "These are objectives and goals all to one purpose; that the Christians known as Southern Baptists will have our part in sharing the gospel with everyone in the world."

The most urgent call on the foreign mission fields is for preachers, but 95% of our seminary graduates stay in the United States to minister 5% of the world population. Many of our comfortably located pastors in our own country need to be transplanted to new soil where the other 95% desperately need to hear the Good News.

After 26 years of distinguished service, our beloved, dynamic Executive-Secretary, Dr. James Baker Cauthen, is retiring at the end of 1979. Dr. Keith Parks, former foreign missionary, after many efficient years as associate in various capacities, will assume those duties, as our leader under the guidance of the Holy Spirit. Let us pray for him and ask ourselves, "Lord, what is my task?"

Respectfully submitted,
Prudence A. Riffey

THE AMERICAN BIBLE SOCIETY

The American Bible Society was organized in 1816. Its supreme concern is to get the Bible into the hands of those who do not have it and to do so in a manner to secure serious interest and a receptive mind. From its inception until the present time, the American Bible Society has distributed hundreds of millions of copies of the Scriptures. Its average annual circulation for a recent 10 year period has been somewhat over 12,000,000 volumes.

Its principal processes are four:

1. TRANSLATION: The Society constantly aids translators by counsel, supervision, and contributions towards expenses. Translation projects are going on almost continuously on every continent and the islands of the sea.

2. PUBLICATIONS: Long experience together with skillful and constant supervision results in the publication of readable, durable Scriptures at low cost.
3. DISTRIBUTION: Through the Society's own staff and dedicated colporteurs, hundreds of thousands of Scriptures are distributed worldwide. Many more go out through Christian workers, missionaries, pastors, and evangelists. Many thousands of copies of Scriptures are carefully given away without charge where conditions warrant. In addition, numerous copies are sold at subsidized prices low enough to be afforded by interested people.
4. PROMOTION OF BIBLE USE: Because an unused Bible is of no value the Society considers that it must encourage the use of the Scriptures. It seeks to accomplish this through the annual World-wide Bible Reading Program, from Thanksgiving to Christmas, including the observance of Universal Bible Sunday.

Southern Baptist contributions to the work of the American Bible Society in recent years have shown a decline. This is not good. Is it possible that we are not now as concerned about getting the Word of God into the hands of these who are yet in darkness?

The work of the American Bible Society must continue to expand:

Because the one hope for our fear-ridden, sin-sick world is the Gospel of Jesus Christ;

Because the great masses of people in the world do not have the Bible, do not even know of it;

Because, in present world conditions, the American Bible Society must provide hundreds and hundreds of thousands of Bibles and Testaments needed by churches and people in the underprivileged areas of the world;

Because American Christians are better able to bear the costs of the needed expansions than any other people in the world.

Will we do it?

Respectfully submitted,
William W. Willingham

ANNUITY BOARD
(A Banner Year)

The year 1978 was a "banner year" and a year of challenge for the Annuity Board in servicing churches and agencies of the Southern Baptist Convention, according to Dr. Darold H. Morgan, president.

Among the challenges he listed were extremes of market variations, staggering pressures of escalating costs, changes in personnel and organization, and the eroding presence of governmental regulations.

The banner side highlights included:

1. A "13th Check" equalling an additional full month's benefit and amounting to $1,036,914 was mailed to almost 10,000 annuitants in Board retirement programs.

2. A total of $25,558,637 was paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs topped $13 million.

3. An Endowment Department, designed to seek funds for undergirding protection programs, was established. A goal of $25 million by 1988 was set.

4. New churches in the retirement program numbered 630, a record enrollment. New pastors and church employees totaled 2,545, with 3,721 members upgraded programs.

5. Participants in the new Southern Baptist Retirement Program grew to 6,066. Family Benefit Section (Plan A) counted 23,986 members, and Age Security Section (Plan B) recorded a marked increase from 33,062 in 1977 to 44,324. Variable Benefit Section (Plan C) membership declined from 4,885 to 4,217.

6. Premium income reached $51,797,996 (includes relief). Total assets climbed to $569,734,471, compared with $498,977,661 a year earlier.

BAPTIST CHILDREN'S HOMES

Children in the care of the Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a reestablished family because the important relatives in their lives are served by the Childen's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

Western North Carolina families have ready access to all services of the Baptist Children's Homes through Broyhill Home, the Maternity Home in Asheville, Emergency Care at Forest City, a network of foster homes, social work services from Broyhill and Asheville offices and counsel from staff in the west or through other

resources in general staff located in Thomasville. A Family Services Center headquartered in Charlotte and serving eight surrounding counties has successfully piloted the concept of community based services and is another resource to West and Piedmont especially.

Every effort is being made to be a part of and cooperate with the Bold Missions program of advance fostered by the Baptist State Convention in Cooperation with the local church.

An in depth, comprehensive self-study of every segment of the Baptist Children's Homes is just being concluded by the institution's trustees. The study has taken two years and projects the future direction of the Homes over the next decades.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program, Special Gifts and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optimistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and Associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

Lucy Sitton

REPORT ON CHRISTIAN EDUCATION

1. Christian Education is the corner stone of our Western Civilization. Education with Jesus Christ at the center in the home, the school, the local church can be designated as Christian Education. An adequate system of Christian Schools is necessary to a complete spiritual program for Christ's people. In Christian Education there should be a proper balance between academic freedom and academic responsibility. Freedom in any human relationship is always limited by the rights of others and is never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, the authority of the sacred Scriptures and by the distinct purpose for which the school exists.

2. To some of us Baptists "the soul of education is the education of the soul." In our Church Convenant we agree to "religiously educate our children." Ignorance merits no premiums. Thomas Jefferson said: "If a people expect to remain ignorant and free, they expect what can never be." True education is never a finished product but a continuing process. Some one defined an educated person as "one who knows everything about something and something about everything." Not one of us has attained that goal as yet. The true purpose of education is to prepare us fully for life at its best on this earth and develop appreciation in the life to come. Over the entrance to Harvard University are written these words: "That a learned ministry might not perish from the earth." Of the first 119 colleges founded east of the Mississippi, 104 of them were Christian colleges. Our leaders must be possessed by trained hands, tough minds and tender hearts. One has said that "bricks, books and brains" make up a great institution. The last is the far most important of the three. Of the 50 men who signed the Declaration of Independence all but eight were college trained men. Of the 55 who drafted our American Constitution, 36 were college trained. Thomas Jefferson declared: "I have sworn upon the altar of God eternal warfare upon every form of tyranny over the mind of man."

3. North Carolina Baptists support meagerly seven colleges and Universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of the 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention. Of the 134,000 students attending the 53 Baptist Colleges in the Convention, almost 20,000 or 15% of the total are in North Carolina schools. Wingate college graduated its first four year class. Campbell, for some years a senior college, has changed its name to Campbell University. The Campbell Law School graduated its first class. Our churches are aiding in recruiting students. It is imperative that the churches elect and send responsible and informed messengers to the Baptist State Convention which meets in Winston-Salem on November 13-14, 1979. North Carolina Baptists have been supporting Christian higher education for nearly 150 years. Crucial decisions are in the making. Decisions our convention will make concerning the future relationship of Wake Forest University to our Convention will be far reaching and will affect the life and work of the Convention and Wake Forest for years to come. In my strategic position as interpreter of the New Testament in Fruitland Bible Institute for 20 years, though we operate under the Department of State Missions, I implore your prayers and support. Pray for all our work in Missions and Education involving some 13,000,000 Southern Baptists at work in God's world. Bold Mission through Christian Education is our watchword.

Prayerfully submitted for your adoption,
Robert P. Hamby

CHRISTIAN LITERATURE

There is little honest argument, if any, against the proposition that Southern Baptist literature is sound in doctrine and denominationally oriented. When an occasional error gets through (a rare thing indeed), plenty of people pounce upon the Sunday School Board immediately. This is our privilege and obligation. Rather than hurting our confidence in our own literature, such experiences should bolster our confidence.

Several years ago some pastors led their churches to drop Southern Baptist literature and start using non-Baptist materials. Some of them are still using it, and these churches are suffering in ways they do not realize. Perhaps the most significant hurt is in denominational integrity. Non-Baptist materials have nothing for denominational nourishment. While other publishers may offer good materials for many purposes, they cannot fill this need.

Several years ago the automotive industry was shaken when some people who had bought Buicks discovered that they had Chevrolet engines in them. The company was instructed to remedy the situation and left themselves open to considerable criticism and even law suits. It seems to me that we are guilty of lack of integrity if we claim to be Southern Baptist and are trying to operate with a non-Baptist Engine.

Every interested Baptist should seek to keep our literature as pure as possible. Every church leader should work toward the best use of the best materials in every church organization.

COOPERATIVE PROGRAM

The Cooperative Program is the method used voluntarily by individual Southern Baptists to carry out Christ's Great Commission.

The Cooperative Program is the voluntary financial link between the local Baptist churches and the Baptist State Convention.

The Cooperative Program is the voluntary financial link between the Baptist State Convention and the Southern Baptist Convention.

The Cooperative Program is the only known means whereby an individual member of a local Baptist church can personally assist in every phase of Christ's Great Commission in our own state and nation and all over the world.

It is the privileged duty of every Southern Baptist pastor and the other church leaders to make the Cooperative Program known and understood by the total church membership.

It is very doubtful that there is a member of a Southern Baptist church who is fully dedicated to Christ and who fully understands the Cooperative Program who would not voluntarily support God's Kingdom through it.

BAPTIST HOMES FOR THE AGING

The services which North Carolina Baptists render to the residents and patients of the Homes for the Aging cannot be measured in terms of dollars and cents. This is a Christian ministry of love and compassion for the older people who are in our care. Five out of every six people, who cannot pay the total cost of care, are supplemented by the love gifts of North Carolina Baptists.

One of the highlights of the year was the completion, dedication, and occupancy of our new Western North Carolina Baptist Home in Asheville on April 29, 1979. This new Home will accommodate 50 additional residents.

A total of 300 persons can now be accommodated through our Baptist Homes at Resthaven, the Hayes Home, Apartments, the Albemarle Home, the Hamilton Home, the Yanceyville Home, and the Western North Carolina Home. The Nursing Care Unit in Winston-Salem also serves our Homes, offering long-term nursing care as needed. The Homes hope to serve 500 people by the end of 1980.

Baptist churches across the state provide vital support for the Homes. The Cooperative Program supplies about 8% of the total budget. Since the Special Offering, which traditionally contributed 16%, has been discontinued, the Homes for the Aging found it necessary to move into their endowment funds because the usual $300,000 that they normally received from the Special Offering was delayed until the reception of the North Carolina Missions Offering in September. This Missions Offering will certainly be crucial in the support of our Homes for the Aging.

Two new men have been added to the administrative staff this year. Mr. Jack Hoyle came in mid-January as the Director of Admissions and Social Services. Reverend Jim Saul, who is filling the vacancy created by the retirement of Reverend Ralph Cannon in March, is the Director of Denominational Relations and Development.

It is essential that Baptists of North Carolina pull together on Bold Missions for the

Lord, trusting Him to help meet the needs of those aging persons who turn to us for help. Let us keep this vital ministry close to our hearts.

Larry B. Patton

BAPTIST HOSPITAL REPORT

In recent r yhs Baptist Hospital's oldest building "Old Main" has been torn down and a new six-story Focus Building is now rising on this site.

Bed capacity at Baptist Hospital has leveled off at just under 700 beds, however, there is continuing expansion of the hospital's services.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six-bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids providing results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team, consisting of physicians, nurses, a psychologist and chaplains, ministers to families during cancer diagnosis, when a child is terminally ill, and when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families, and to staff members, provide more than 15,000 hours of personal counseling annually, and conduct the largest program of clinical pastoral education in the world.

Our Baptist Hospital has actively participated in the Voluntary Effort to keep hospital costs as low as possible. Our hospital and several of its employees have been recognized and received awards for their cost-saving ideas and efforts. Patients benefit in that the hospital's room rate increase this year - despite continuing inflation - is only 5%, as compared to an annual increase of 6% in recent years.

Baptist Hospital staff members have been working to promote the North Carolina Missions Offering. The Hospital looks forward to receiving its share of this offering, as gifts from the churches in the fiscal year ending June 30 were $196,516, as compared to $388,122 in the preceeding fiscal year. In 1978 we had 32 churches contributing, as compared with 15 in 1979. Let's beat this record in 1980 by increasing the number of churches participating and through giving.

BAPTIST FOUNDATION

"Moreover it is required in stewards, that a man be found faithful. I Corinthians 4:2"

Since January 1, 1979, the Foundation staff with the assistance from Rev. James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensive effort has been made through conferences over the state to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through the denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The Foundation has been actively engaged in assisting individuals in not only having their Wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice(s) of Baptist missions work and/or institution. This method of giving provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries, as well as, taking advantage of the laws of our land in reducing taxation on resources - both income and estate.

A personal and private appointment with a Foundation staff member can be arranged either through your pastor, Association Director of Missions or by writing or calling the Foundation Office. The address is: P.O. Box 26508, Raleigh, North Carolina 27611.

TEMPERANCE AND PUBLIC MORALS

Moral Direction - lost by some, misread by others, and ignored by many. In order to help Southern Baptists develop with God's leadership and by His grace the kind of moral and social climate in which our witness for Christ will be most effective, the Southern Baptist Convention, the State Baptist Convention and the Carolina Baptist Association gave special attention to the moral imperative of the Gospel through sermons, articles, editorials, and pamphlets. Material was prepared and distributed on the current world hunger crisis. In order to help Southern Baptists relate the Gospel to family life, family denominational conferences were held. Steps were taken to improve social conditions which affect family life by a variety of actions, such as combatting pornography, opposition of alcoholic beverages and working to improve television programming.

There are still many areas for concern for our Association and Convention. We need to recognize the urgency of the hour and work toward a change of direction for our county, state and nation. The only way we will be able to reverse the trends of

our day is to apply the Gospel to our moral and social problems and to live the kind of life that will be the most effective witness for Christ.

Respectfully submitted,
Leon Nicholson

DEDICATION OF MINUTES
In Memory of
REVEREND CHARLES FRANKLIN (FRANK) CARTER

Rev. C. Frank Carter, a native of Colleton County, South Carolina, was born December 2, 1922. He was he son of Ernest J. and Ella Brabham Carter.

He attended schools in South Carolina and received his B.A. degree from Furman University. He also ttended Southeastern Baptist Theological Seminary, Wake Forest, North Carolina.

Mud Creek Baptist Church called Rev. Carter as pastor in July, 1961. He had served in this capacity until is untimely death as a result of injuries sustained in an automobile accident January 30, 1980 as he eturned from a Baptist State Convention General Board Meeting in Raleigh.

He was married to Carolyn K. Carter. They have two sons, Charles D. Carter of Easley, South Carolina nd Thomas W. Carter of Baton Rouge, Louisiana.

He had served on the General Board of the Baptist State Convention of North Carolina for four years and n the Committee of Evangelism for four years, serving as Chairman of that committee at the time of his eath. He was also on the Executive Committee of the Baptist State Convention of North Carolina.

Rev. Carter served as Moderator, Vice-moderator, Chairman of Finance Committee, and was serving as Chairman of the Evanglism Committee, Parliamentarian and Cooperative Program Representative at he time of his death.

Frank Carter had the friendship and respect of the pastors and people of the Carolina Baptist Association. His leadership and interest in the Association showed us his interest in working together to ccomplish greater things in our Lord's work. His associational and denominational work illustrates his wareness of this important fact. Frank Carter will be sadly missed in Carolina Baptist Association.

The Minutes of the 103rd Annual Edition of the Carolina Baptist Association, Inc. are lovingly dedicated

IN MEMORY OF REVEREND CHARLES FRANKLIN (FRANK) CARTER, 1922-1980.

DIRECTOR OF MISSIONS REPORT

Getting Acquainted The process of getting to know people in the Carolina Baptist Association has started. I have met many fine people and I am beginning to recognize more people as I meet them.

I have visited, or spoken, in over 40 of our churches so far and plan to complete visitation by mid-January. It takes a lot of time to visit 53 churches. When I need to be in some churches two or three times for different events, yet still reserve some time to go with my family to church.

It will help me if I could be given the opportunity to speak to deacons, church councils, Brotherhoods, WMUs, and other groups. This would allow me to make contact with the church at a time other than Sunday.

Foundation for Ministry The group I have worked most closely with so far has been the Missions Committee. This committee has presented a Director of Missions, looked for office space, evaluated office equipment, planned associational programs, handled sale of Camp property and transacted various other items of business during the past year. The committee has done an excellent job; although, at times, there was frustration with the amount of business that had to be handled.

From this came the realization that the work of the Association needed to be regrouped and spread out to more people. The committee and I have worked together to present a recommendation for regrouping our work on a trial basis of one year. If this seems to work well, the by-laws and constitutional changes that will be needed to accommodate the new plan will be presented at next year's annual meeting. We hope this will provide a broad foundation for effective ministry in our Association.

Camp Development Many attitudes toward the Camp situation have surfaced during the past year along with many expectations, some of which can be met and some which are unrealistic. The combined Camp Committees have worked with me to try to develop a plan to put the Camp to use. This plan recommends the building of one new bath house and improving two others. In addition to this, there needs to be improvements made on the swimming facilities. We hope this can be done so the Camp can be put into use next summer.

To give us money for this project there will need to be a sale of three more pieces of property. This would pay off the $59,000 owed on the property and give us approximately $15,000 of the money needed for development.

Planning for the Future We need to be attentive to three areas as we look to the future. The first of these is training. We can no longer afford to give God half-hearted efforts; this means we must spend time training in order to be as effective as possible. We as an Association must offer training events to equip our leaders to offer the best possible opportunities for study and growth in the individual churches.

The second area we nust be attenive to is ministry. There are still many areas that need a special effort to share our Lord's love. The alcoholic, youth in court, unchurched senior adults, individuals

involved in separation and divorce and people who move here from other cultural areas are just a few of the opportunities we have to share the Gospel. If we take advantage of these opportunities, we will need concerned Christians who are willing to spend extra time in discovering ways of ministering to these and other groups.

The key to the future effectiveness of the Association will be planning. I believe God is most happy with us when we plan and allow His Holy Spirit to work through different individuals to discover the course He would have us follow. This means that both short range and long range planning must continually take place in all areas of our Association and I dedicate myself to lead in this area.

It is a privilege to work with you. Please pray with and for me that we may truly find the excitement and joy of being on mission together right here where we live.

Respectfully submitted,
Ron Pinkerton
Director of Missions

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee met at the scheduled times in November, March, and June as provided for in the associational calendar. A good spirit of Christian fellowship and Christian concern seemed to be manifested at each meeting.

During the meeting on November 27, 1979, the purchase of a calculating machine for the office was approved. Pastor Ray Ledford of the Pleasant Grove Church was approved by the Committee for the purpose of receiving pastoral aid from the North Carolina Baptist State Convention. Brother Ledford has been an invaluable help in assisting with the repairs to the associational office and with activities among the migrants this summer.

March 11, 1980, found the Committee approving final plans for leasing our new office space and permitting the sale of some small land parcels at Camp Bear Walla, the proceeds of which were applied to the debt of the Camp. At this meeting, Mrs. Ruth Kearnes was appointed to serve on the Migrant Committee. She and the members of her committee have worked diligently in their ministry to migrants. A fuller detail of this work will be presented as a part of the program at the annual meeting.

The June meeting of June 17, 1980, was given over to the discussion and subsequent approval of a new structural plan for our associational work. It will be presented to the annual meeting of the Association for a one-year trial period. Mike Sheehan, our youth worker for the summer, gave a report of his plans for the summer. The Lord blessed that ministry among us in a very special way. We will be hearing more about it as a part of our program for the annual meeting.

I urge your attendance at the Executive Committee meetings. Each church is to be represented by the pastor and one layperson. The times of the meetings each quarter are designated in the associational calendar, which is a part of your Book of Reports.

Respectfully submitted,
John F. Rymer, Moderator

MISSIONS COMMITTEE REPORT

This has been a busy year but also a year of accomplishments for the Mission Committee. Our first task was to find a Director of Missions and the Lord was in the calling of Rev. Ron Pinkerton to begin work the first of December. We feel Ron is leading our association in new and solid ways.

To fulfill the purpose of association work the house next to Clifton's Cafeteria was found, redecorated and became the Associational Office. This was a wise move for the office is much more available to people of the churches of our association, and they are using it to the advantage of all our churches.

Printing equipment was purchased and is also being used by many churches for church bulletins, news letters and other mail outs. This is a service our association office can do to help churches.

The reorganization of the Mission Committee has been studied under the leadership of our Mission Director. This new structure spreads out the work of the association and this is needed for our missions committee has carried a heavy load of the associational work.

Respectfully submitted,
Allen Jewett

CHURCH TRAINING REPORT

Much has happened over the past year in Church Training. There is a freshness to approach that has not been present in a long while.
Last fall we held a Church Training Workshop and were blessed with 18 churches participating. "M" Night was the biggest and perhaps one of the best. Youth Night was observed at West Henderson High School and our guest speaker was John West. We must express appreciation to Marie Blackwell for her hard work with the Children's Bible Drills. Special thanks go to Mrs. Ann Condrey for her work in conducting Sign Language Classes for the Deaf.
A new paragraph must be donated to Mike Sheehan for the ministry he conducted as our Associational Youth Director. Mike proved the value of such an effort and I feel sure we will have another next year.
Under the new Associational Organization Sturcture I will be serving as Youth Ministries Director. We will welcome another as Church Training Director. It has been a privilege working with you and Rev. Ron Pinkerton. Thank you so much for your support and I pray you will continue in the future.

Respectfully submitted,
Jimmy Cox, Church Training Director

Most of our churches reported that they had a good Vacation Bible School. Totals from the reports:

It takes time, effort, and dedication to participate in Vacation Bible School. Thank you for doing this. We are looking forward to another good year in Vacation Bible School.

BROTHERHOOD REPORT

The men of the Baptist churches of North Carolina have a task to interpet the North Carolina Mission Offering for the 1980 offering. This as well as all the other tasks that are to be done for the glory of the Lord cannot be accomplished by just a few men alone. I was pleased to see the response of our good women of the WMU to train interpeters for this task. God is richly blessing the work of the North Carolina Brotherhood. The Baptist Men are involved in mission work all across the United States, North America, South America, England, Australia, where ever there is volunteer mission work to be carried out. Building missionary homes in Alaska, carrying out disaster work in South America, where there is a need look around and you may see a North Carolina Baptist. The Royal Ambassadors are involved with travel and sharing in mission work where there can be a helping hand given. Mexico, Alaska, and around their homes.

This next year begins a tremendous work for North Carolina Baptists. In co-operation with the West Virginia Baptist Convention, there are seven churches to be built. This great project has been given to North Carolina Baptist Men to sponsor and carry out this work with the West Virginia Baptists. Do you want to be a part of this great task?

Disaster work, the ability to see the world needs, the needs around home allows men the opportunity to do Volunteer Mission work (John 9:4) " I must work the works of Him that sent me, while it is day: the night cometh, when no man can work."

Respectfully submitted,
Bobbie Arrowood, Brotherhood Director

WOMAN'S MISSIONARY UNION REPORT

This has been an exciting year in WMU. For the last two years Woman's Missinnary Union has shown decreases. This year we are having slight increases in some areas. Because of this, we have added two new officers to our Council. A new Young Bapt. Women's Director and a Mission Action Director have joined our Council. This Council has held all quarterly meetings. They have had periods of study for improvement of self and work. Until August, newsletters were written.

Council members have taught the Graded Series books to many churches. The Wmu Director has visited some thirty churches to personally meet with and encourage pastors and WMU leaders in mission work and giving. Several church groups have gone on Volunteer Mission trips.

We have ask all our churches to evaluate their work as they study the 95 Shocking Facts. The Calling Tea was at Dana Baptist Church. Weeks of Prayer were promoted. We participated at the Reception for the Rev. and Mrs. Pinkerton and their family.

A goodly number of our ladies attended the Annual Meeting in Winston-Salem. Miss Nancy Curtis, Raleigh, spoke at our Annual Associational WMU meeting in May. Several from here went to Baptist World Alliance in Toronto, Canada. Your Director was at the Key Leadership Conference, Wake Forest dinner, WMU Week, and the Associational Officers Workshop at Ridgecrest. She was also at the Southern Baptist Convention in St. Louis.

Catherine E. Capell, WMU Director

They returned to the Fellowship Hall for a service of songs and a sermon by Rev. & Mrs. Larry Maze, retired missionary to Bolivia, in Spanish. Each person was given a Spanish New Testament and shown how to use it. Sixty-five persons received clothes and a blanket. Total number ministered to on these Sundays was an average of fifty. Migran Relations Sunday was October 12 at First Baptist Church. The service was in Spanish and all Spanish converts were baptized by evangelist Roberto Pag

V. Evangelistic Services - Spanish - A two day Revival was held August 15 and 16. Rev. Roberto Pagan preached. Rev. Ronell Owensby directed the music. Two church busses transported the migrants to Edneyville Primary School. Three Saturday visitations were made to the camps preceeding the Revival. There were thirty professions of faith.

VI. Bible Study - Spanish - A Tuesday night Bible study was organized for follow-up with converts. Rev. Willingham and others transported migrants from camps to Mt. Moriah. Rev.& Mrs. Maze taught two classes. More than thirty attended.

VII. Why a need for Material things? - The migrants were youngest of any year Very young boys from the mountains of Mexico. They told missionary they sen their money home for families to have food.

VIII. Goals for 1981 - Involve black churches in ministry.

SENIOR ADULTS

Who are Senior Adults? First of all they are God's creation. "God created man in his own image, in the image of God created he them, male and female created he them." (Gen. 1:27) Secondly they are people with great potential. They are a large segment of our population today. One in seven, 28,000,000, are age sixty or older.

There is a great source of knowledge and service stored up in the minds and hearts of our Senior Adults that needs to be topped. We also need to meet their physical nad spiritual needs.

One of our major projects is to develop our churches in majoring in Senior Adults.

We are planning several things for Senior Adults. The first Senior Adult Day is planned for Sept. 23, 1980 at First Baptist Church Saluda. In 1981, we are tentatively planning three Adult Rallies, March 24, June 23, Sept. 22.

We are also planning a Senior Adult Service Club, a Senior Adult Choir, and sereral Tours during the year.

Respectfully submitted,
A. W. Coppedge

PRAYER TASK FORCE

Jesus Christ is not only our Supreme Sacrifice, He is also our Supreme example in word and deed. The Son of Man was a man of prayer. For Jesus prayer was not only preparation for the battle, prayer was the battle itself. Jesus not only prayed before great decisions and conflicts but after the battle.

Jesus taught His disciples their first lesson in prayer by His own practice of prayer. That which awakened in their hearts a desire to pray was not what He said about prayer, but what He did about it. His first lesson in the Lord's Prayer is the right conception of the one to whom we pray. Our God is the perfect father. He is perfect in love. He is perfect in His ability. He is our own perfect father.

We need to pray for the churches in our Association, that God's grace will abound. That His Spirit will prevail. Let us pray for all the pastors in their labor of love to protect and feed the flock. Remember our Director of Missions and office staff in his great contribution to our area.

One vital part of our associational ministry is the work with migrants. Continue to pray for this ministry. In view of the successful Evangelistic Crusade, pray for continued ministry and the follow-up Bible study. Pray for the Churches actively involved in the Migrant Ministry. Pray for Carolina Baptist Associations' total ministry and the work of the churches through cooperative efforts.

Respectfully submitted,
Ralph Banning

TEMPERANCE AND PUBLIC MORALS

The Pastors of Henderson County led by Rev. Rich Liner, Pastor of First Baptist Church, vigorously fought the Liquor-by-the-Drink bill that was voted on in August 26, 1980. Apathy on the part of Christian people was attributed as part of the cause of this bill being passed.

We heard arguments pro and con over radio and in the local newspaper. We saw the Chamber of Commerce and the Times News come out in favor of L.B.D. as a way of regulating liquor.

If there was ever a time for Carolina Associational Baptists to take a stand and be an influence to combat the evils in our society, it should have been in the recent referendum.

When we consider that:

1) Alcohol continues to be the number one drug abuse problem in America bringing misery to millions
2) 15% of the 400,000 patients in State Mental Hospitals have alcohol or alcohol related problems
3) Alcohol kills 85,000 each year, being the fourth major cause of death (exceeded only by heart disease, cancer and strokes)
4) We have over nine million alcoholics and problem drinkers, with an increase of 200,000 new alcoholics annually
5) One out of twelve social drinkers becomes an alcoholic

The issue of L.B.D. has not been put to rest by this vote. If the statistics prove to be accurate, we will have a greater responsibility to the families of those whose lives are being affected by alcohol.

The Church has a great opportunity in the months and years ahead to minister in the areas of alcohol related problems. My prayer is that Carolina Baptist Association will meet the challenges of the future.

Respectfully submitted,
Leon N. Nicholson

GENERAL BOARD REPORT

I am proud to represent Carolina Baptist Association on the North Carolina Baptist General Board. The Board has met three times this year. The first was in Raleigh and on the way home from that meeting we lost our dear friend and fellow pastor, Rev. Frank Carter. I was unable to attend this meeting because of surgery.

I appreciate the spirit of bold venture that permeates the meeting as the reports from the different committees are given. I am the vice chairman of Church Programs Committee. This committee hears reports from the State employed persons in the areas of Church programs such as Sunday School, Church Training, Women's Missionary Union, Brotherhood, Music, etc.

West Virginia Baptist have asked North Carolina Baptist to help them in establishing 100 new churches and missions in West Virginia, in the next five years. North Carolina Baptist churches are encouraged to get involved in sponsorship. This sponsorship may be described as primary and supportive sponsorship. If a church is interested in this program of partnership contact our Associational Missions Director for further details.

The Wake Forest situation is behind and this allows the Board to look at ways that our Baptist may work together to win the lost to Christ.

The Cooperative Program Budget looks something like this for 1981:

Southern Baptist Convention	6,737,500.00---35%
Christian Higher Education	4,235,000.00---22%
Convention General	5,788,475.00---30.07%
Christian Social Services	1,919,225.00---9.97%
Convention Building and Debt	192,500.00---1%
Special Missions Allocation	377,300.00---1.96%
Grand Total	$19,250,000.00

Respectfully submitted,
Allen Jewett

NORTH CAROLINA MISSIONS REPORT

There are approximately 5,604,000 people living in North Carolina. In order to witness and minister effectively for Christ to these our neighbors, North Carolina Baptists have set a $2,500,000 goal for the 1980 North Carolina Missions Offering. That amount will be allocated as follows:

MINISTRY	PERCENT	DOLLAR AMOUNT
Children's Homes	30%	$720,000
Mental Retardation		30,000
Baptist Hospital	15%	375,000
Homes for Aging	15%	375,000
Christian Education	5%	125,000
WMU	5%	125,000
N.C. Baptist Men	3%	75,000
State MIssions	27%	675,000

Our Baptist Children's Homes provide a broad program of child care, including emergency care, educational camping, foster family care, and group care on campus. Children's Homes also operate Family Services Centers, a Family Resource Center in Thomasville, as well as a Child Development Center. A broad range of referral services are also provided.

Baptist Hospital is one of the 125 Teaching hospitals in the U.S. Over 21,000 patients are admitted there each year. All of the funds received from the North Carolina Missions Offering are used to meet costs for patients unable to make full payment.

Each of the 6 homes for the aging is fully licensed by the state, and provides medical help on call twenty-four hours a day. A 70 bed addition to the Nursing care Unit at Winston has been planned, as well as a new apartment complex at Asheville; but this new construction must wait until increased funding is available.

The Christian Education allocation is used exclusively to provide financial assistance for Baptist youth from North Carolina who are attending a North Carolina Baptist college or university.

The Woman's Missionary Union uses their portion of the North Carolina Missions Offering to provide gifts and aid to North Carolinians in mission service, to minister to more than 2,000 girls each summer at Camp Mundo Vista, to provide scholarships for students at Fruitland Bible Institute, and a variety of other important ministries.

Baptist Men promote Mission education, challeanging individual churches and laymen to become involved in mission projects. They provide staff and scholarships for Royal Ambassador camping. They contribute to disaster relief, and are engaged in a number of outreach efforts, including camping and resort ministries.

State Missions funds will go to support Fruitland Baible Institute, will provide pastoral aid to churches, finance cooperative ministries with General Baptists, provide seminary extension programs for hundreds of N.C. Baptist pastors, as well as camping programs, chalplaincy programs, ministry to migrants, language groups, and others in our state who have special needs that Baptists can meet in Jesus' name.

Respectfully submitted,
Henry Mitchell

EVANGELISM REPORT

All Baptists are urged to participate in the Joint Statewide Evangelistic Crusade in 1982. The theme will be "Here's Hope". Interpretation Meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 Joint Crusade effort, which is co-sponsored by the Baptist State Convention of North Carolina and the General Baptist State Convention. The Simultaneous Revival dates for the three areas of our state are: Coastal-March 14-28; Piedmont-April 4-18; and Mountain-April 25 - May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

"Bold Witnessing Churches" was the theme of the 34th Statewide Evangelism Conference, February 4-5, 1980, at First Baptist Church and War Memorial Auditorium, Greensboro. Eight practical Evangelism Conferences, related to helps for growing churches and discipling members, were held during the first afternoon sessions at the First Baptist Church, Greensboro. About 2400 pastors and lay persons heard inspirational speakers at War Memorial Auditorium.

Recently the Executive Committee of the General Board approved the department name change from Department of Youth and Renewal Evangelism to Department of Personal Evangelism. Richard W. Everett is director of this department. His department work now includes various phases of witnessing training for youth and adults.

New materials on Lay Evangelism Schools prepared by the Evangelism Section of the Home Mission Board, are now available for use by our churches. The Lay Evangelism School is a one-week effort to train youth and adults to become more effective witnesses for Christ to the lost.

Thousands of youth were involved in the 10th Statewide Youth Evangelism Conference at Greensboro Coliseum on Friday, August 15, 1980. A Discipleship Seminar was held during the afternoon session at Immanuel Church. We thank God for the hundreds of youth who have made various decisions for Christ during this ten year period.

The 35th Statewide Evangelsim Conference will be held in Asheville during February 2-3, 1981.

BIBLICAL RECORDER REPORT

Faced with the same inflationary pressures that every family has these days, the Recorder has managed to get through another year without an increase in subscription rates. A church can still send the Recorder to resident families for only 7¢ a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the Recorder is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptists and the Recorder has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the Recorder informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the Recorder are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the Recorder to every church family. See that your church makes this move in the coming year.

BAPTIST CHILDREN'S HOMES REPORT

The Baptist Children's Homes of North Carolina, Inc. is an Institution of the Baptist State Convention and provides a Christian ministry of Child care and family services.

During the Past three years, members of the Board of Trustees and members of the administrative staff of the Homes completed an indepth evaluation of the Institution's total program of services. We share three significant statements from that report.

"The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, (6) and the confidence and support of an informed and devoted constituency."

"At this time the Baptist Children's Homes of North Carolina, Inc. is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of His people engaged in this ministry."

"This is not a time for complacency in child care and family services in North Carolina. It is a time for rigouous study, reflective planning, earnest prayer, and courageous action."

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help anywhere in the State.

Nine Family Services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville, and Ahoskie.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

This is the 60th birthday for the North Carolina Baptist Foundation.

Chartered in 1920, it was born out of a need to provide a channel for gifts and bequests which would be held in trust. Thus Baptist people were enabled to have a continuing part in support of every mission effort, every ministry of Baptists, even after their own deaths. Through these sixty years, your Baptist Foundation has received, administered, and distributed gifts to Baptist colleges, Children's Homes, Homes for the Aging, foreign and home missions, state missions, Baptist Hospital, churches, associations, the Cooperative Program. The Foundation receives no money for its own use-it only serves as trustee for all these Baptist causes.

Born of a bold idea, it fulfills its mission today giving each Baptist the opportunity to be a part of Bold Missions now - and forever!

The Foundation accepts gifts for Baptist causes in a variety of ways. The most frequently used method is a testamentary gift. A second way the Foundation receives gifts to support Baptist causes is through charitable trusts. Trusts have been established through Will, through purchase of gift annuities and through establishment of annuity trusts.

A fund to assist Fruitland Bible Institute has been created. Gifts of real estate for the support of Southeastern Seminary, local churches and foreign missions have been received.

BAPTIST HOMES FOR THE AGING REPORT

Our six North Carolina Baptist Homes, the Nursing Care Unit, and the apartments have a total capacity for 300 people. The list of applications for those persons waiting to enter continues to grow each year. In 1979 a total of 141 persons were added to this list.

Seventy-one persons were admitted to the Homes and Apartments in 1979. Statistically, these are listed as follows:

Albemarle	5
Hamilton	2
Hayes	4
Resthaven	2
Western North Carolina	47
Yanceyville	6
Apartments	5

North Carolina has a unique ministry to older persons, a ministry which North Carolina Baptists began some thirty years ago. We are fortunate, indeed, to be one of the few state conventions with a state wide ministry to older persons.

The 1979 North Carolina Missions Offering and the Cooperative Program have provided the Baptist Homes with approximately $485,000 of an over 2.6 million dollar budget.

William A. Poole, Executive Director of the Baptist Homes, said: "Had it not been for both the undesignated portion of the North Carolina Missions Offering and the designations within the offering, as well as those designations that have come directly to the Homes, we would not have met the goal of 15% of $2,000,000--namely $300,000."

There is an immediate need for a 70-bed addition to the present nursing care unit. Plans have already been drawn for this nursing care unit. Hopefully, construction on this unit will begin this year, along with further additions and renovations at Hayes Home.

Our churches stand as a vital link in sharing the ministry and needs of the Baptist Homes for the Aging. Let us all be involved in supporting the Homes through the North Carolina Missions Offering and our personal gifts. Let us pray daily for this ministry.

Larry B. Patton

BAPTIST HOSPITAL REPORT

Our Baptist hospital has again received accreditation for the maximum period of two years, by the Joint Commission on Accreditation of Hospitals. Only about one-third of the hospitals in the nation receive the full two-year accreditation.

Staff, facilities and equipment are constantly being upgraded. Recently a carbon dioxide surgical laser has been added which emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lungs. It has potential, also, for surgery of other internal organs.

New ultrasound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to the staff to help patients recover functional skills lost through accident or disease. A new instrument has been acquired for testing infants with suspected hearing loss.

The financial counseling section is now better prepared to assist those who need its services.

Our hospital recently became a charter member of the Sun Alliance, and organization of twenty-two large hospitals in nine southeastern states, whose primary purpose is to keep operating costs (and consequently, patient charges) as low as possible through group purchasing of capital equipment, the development and sharing of comparative data and management information, and possible group arrangements with specialized consultants.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families.

Construction on the Focus Building, on the site of the Old Main Building which was torn down two years ago, is almost complete. Several departments of the Medical Center will be occupying this building in the near future.

The hospital staff is grateful to the Baptist of North Carolina for continuing financial support. During 1979, the hospital received $400,500.00 through the Cooperative Program, and $357,517.00 through the North Carolina Missions Offering and designated gifts.

Respectfully submitted,
John H. Dickson

HOME MISSIONS

Our Home Mission Board of the Southern Baptist Convention is committed to sharing the Living Gospel with ALL people in our land.

Our Nation and its people need a touch from God. Two-hundred Fifteen Million people in the United States----140 Million do not know God's love expressed in Jesus Christ.

The gospel must be presented in ways that meet the needs of individual persons---those in ethnic and social groups and at all economic levels.

Two Thousand eight hundred and five (2,805) missionaries express Christ's love and seek to win the lost in our fifty states, Puerto Rico and American Samoa.

Home Missions is exciting! Our missionaries and staff members become "Equippers"----training and using volunteers to extend their Ministry.

In one year 21,600 persons volunteered for mission work and one hundred persons were serving in the Volunteer Mission Service Corps.

The goal of the Mission Service Corps is to place five thousand volunteers on Home and Foreign Mission fields by 1982.

The Cooperative Program and the Annie Armstrong Easter Offerings make possible the work of the Southern Baptist Home Mission Board.

Much is accomplished when Christian people in more than 35,000 Southern Baptist Churches PRAY, WORK, AND GIVE that Christ may be known. It begins in the local church and the circle widens to include our state, our nation and even the Wide World.

WE will PRAY

WE will GIVE

WE will GO

That OTHERS may know HIM.

FOREIGN MISSIONS REPORT

The 1979 annual report of the Foreign Mission Board bears the title Bold Growing. It reflects the reported results of our continuing cooperative effort to witness to everyone in the U.S.A. by 1982 and everyone in the world by 2000. Reports from many of our 94 foreign mission fields reveal boldness in personal witnessing, in concentrated evangelistic efforts in strategic cities and regions, in church olanting, in hunger and disaster relief, in mass media, in the work of volunteer groups, and in individual commitments for short term projects.

The following questions, quoted from the News Letter of Steel VAlley Association, Ohio, are pertinent to our Foreign Mission program:

Did you know....?

...That at the end of 1979, we had 3,008 foreign missionaries?

That there are 11,083 churches and 12,334 mission points on foreign fields?

That in 1979, 96,376 persons were baptized by them?

That we have and support 382 seminary training centers?

That we have 569 schools in which our missionaries work?

That we have 21 major publication centers, in which literature is prepared in the language of the people?

That we have 77 book stores around the world?

That we have 40 radis and TV studios and that we use 329 other stations?

That we have 57 missionaries in radio and TV work and 40 who follow-up with correspondence courses via the media?

That we have 20 major hospitals and 120 clinics?

That we have 59 missionaries as physicians and 78 nurses?

That we have 64 missionaries in orphanges and centers?

That we have 29 missionaries in agricultural work, including veterinarians?

That there are 8,027 national pastors,922 nationalmedical workers, including 837 national nurses we have trained?

That there are 4402 teachers and administrators in our schools?

That there are 109 nationals working in T.V. and radio and 54 in correspondence courses?

That in 1979 Southern Baptists gave a total of $3,090,523.00 for world hunger and disaster relief in 40 countries?

Each item of information should incite us to be more faithful in our giving to the Co-operative program and the Lottie Moon Christmas offering for foreign missions. Each fact should remind us that together by the Co-operative program we can reach more people with less expenditure for administration and can assure 3,008 missionaries that we are supporting them by our tithes and offerings, our prayers and personal involvment in our local churches.

REPORT ON CHRISTIAN EDUCATION TO THE CAROLINA ASSOCIATION-1980

1. Christian Education still remains the corner stone of our western civilization. Christian Education places the Lord Jesus Christ at the center of the educational process. This writer had the privilege in recent years of visiting the house of worship of Cartledge's Creek Baptist Church in Richmond County where the N.C. Baptist Convention held its session in November, 1833, and voted to establish Wake Fore Institute. Samuel Wait (b.1789-d.1867) of New York State, then a pastor in New Berne, N.C. was chosen the first Principal. The N.C. Convention purchased a farm of 615 acres, for the sum of $2,000.00, in Wake County, 16 miles North of Raleigh, and established a manual labor school, under the name of Wake Forest Institued. In the first year 72 students were enrolled, 4 of whom were preachers. John M. Crenshaw, son of William Crenshaw, at whose home Samuel Wait had been residing, was the first student to matriculate. He died in 1910.
2. Rhode Island College, or Brown University, was founded in the year 1765, as the first institution of the Baptist faith on the American Continent. Philadelphia Association was organized in 1707, the first in America. The Charleston Baptist Association, of South Carolina was organized in 1751. The first Church Charleston was organized by William Screven, of Kittery, Maine, in the year 1682 or 1683. Under the leadership of Oliver Hart, (b.1723-d.1795), Richard Furman, (b.1755-1825) John Roberts and his Academy 1800-1810, Christian education was promoted faithfully in South Carolina. Furman University founded in 1826, is our oldest Baptist College for higher learning in the South. Ministers were trained for their work under the leadership of other ministers.
3. Southern Baptists (13,000,000 of us) now own and operate six major, and vigorous theological seminaries as follows: (i) Southern, in Louisville, Ky., (ii) Southwestern, Ft. Worth, Texas, (iii) New Orleans, at New Orleans, La., (iv) Mid Western, Kansas City, Kansas, (v) Golden Gate, at Strawberry Point, Cal., and (vi) Southeastern, in Wake Forest, N.C.
4. North Carolina Baptists now maintain seven colleges and Universities, six of which are of senior status as follows: (i) Campbell University, Buies Creek, N.C., (ii) Chowan College, Muffreesboro,N.C., (iii) Gardner-Webb College, Boiling Springs, N.C., (iv) Mars Hill College, Mars Hill, N.C., (v) Meredith College, Raleigh, N.C., (vi) Wake Forest University, Winston-Salem, N.C., and (vii) Wingate College, Wingate, N.C. The total and composite population of these schools is as follows: (i) Teachers and Officers, 1,607, (ii) College 13,995, (iii) Special students, 581, (iv) Summer School 3,744, (V) Ministerial Students, 341, (vi) Church vocational 439, (vii) Graduates 1978-79, 2,588, (Viii) Jr. College. 168, and (ix) grand total enrollment, 18,320. Let us pray for and support our Baptist Educational Institutions.
5. Last, but not least important, is our ouwn Fruitland Baptist Bible Institute of Hendersonville and Carolina Association under the direction of the Department of State Missions in North Carolina. Pray for us who live and labor in and for this school in the training of full time ministers and workers.

Yours For Christian Education,
Robert P. Hamby

CHRISTIAN LITERATURE

Wise Christians are concerned about what people read about what they use in education. We are most responsible for what is used in our churches in the teaching and training programs.

Some church leaders have acted irresponsibly upon erroneous information to forsake our own denominational literature for the use of interdenominational or nondenominational publications.

In such a move there must be departure from denominational integrity in at least two ways. (1) The make-up of our denomination makes all church leaders responsible for all denominational actions, including the publication of our literature. Simply turning elsewhere when there is any dissatifaction with our own denominational literature is not living up to our denominational responsibility. If anything is wrong with our literature, it is the responsibility of the one who knows it it do something about it. And (2) Churches who wear the brand name of the denomination lack denominational integrity when they are not denominational, including the kind of literature they use.

Good attention should be given to church libraries. Our Christian influence should be felt in all areas where morals are affected by the choice of literature. It is not the responsibility of believers to control the public library, school system, or news media; but we must be constantly aware of our personal and coporate influence in these areas.

One of the most important single pieces of general literature available to North Carolina Baptists is the BIBLICAL RECORDER. It is the one best way to keep denominational people informed for concern and action. Every Baptist family in the state should receive and read it.

THE CHRISTIAN LIFE COMMISSION REPORT

The events of the last year have dramatically highlighted the moral challenges of our day. The taking of the American hostages in Iran, the Soviet invasion of Afghanistan, the resurgence of the Ku Klux Klan, recurring violence, worsening energy problems, the crisis in family life--all these speak to the need for a fresh word from the Lord for our day. During the year the Christian Life Commission has been about the task of trying to help Southern Baptists proclaim that word with clarity and power.

There have been some especially significant developments related to applied Christianity during the year. Executive Dirctor Foy Valentine has been asked by the President of the United States to help define our national priorities by serving on the President's Commission for a National Agenda for the Eighties. The Commission promoted the Observance of World Hunger Day, Race Relations Sunday, and Christian Citizenship Sunday by the churches, and distributed hundreds of thousands of pieces of literature on current moral issues. Consultations were held dealing with the unresolved problem of television immorality and with the current crises in economics and energy.

The Commission enlarged its efforts to deal with the difficult problem of world hunger by working with the Sunday School Board, the Foreign Mission Board, and the Home Mission Board to produce a packet of materials on world hunger which was distributed to every Southern Baptist pastor, minister of education, and director of missions. This packet of materials was designed to inform readers about hunger and to help churches plan for the 1980 World Hunger Day obervances.

Finally, the Commisssion has expanded the size, circulation, and frequency of publication of its periodical LIGHT. LIGHT is mailed without charge to interested Southern Baptists; and it contains timely articles about the most pressing moral issues of our day.

The Christian Life Commission is deeply concerned about the moral climate of our society, and seeks to work faithfully in the task of helping Southern Baptists in family life, race relations, economics and daily work, Christian citizenship development, and special moral concerns.

AMERICAN BIBLE SOCIETY

In every missionary advance, the Bible goes forward first.

This principle has been demonstrated throughout the whole course of Chistian missions. If people of the world are to know Christ, the one hope of man and nation, they must have the Bible. It is the one primary source of knowledge of Him. Providing the Bible for worldwide missions is an essential missioanry work.

Every man must have the Bible in his own native tougue if the Word of God is to speak to his heart. Someone must translate it into his language, publish it, and send it to him wherever he may live. In most countries of the world, the income of the people is so low that they can not afford even the bare cost of the printing. Someone must help those who can pay only a small part of the cost, or, in some cases, nothing at all. The American Bible Society, a missionary non-profit organization supported by gifts, serves as that "Someone." Working in cooperation with the churches and the denominational missions boards, the Society serves every form of the Southern Baptist work at home and abroad.

Southern Baptists recognize the American Bible Society as an essential part of their own worldwide missions program. Sonce 1975 gifts from the SBC have been as follows: 1975 -- $238,554; 1976 -- $275,631; 1977 -- $251,908; 1978 -- $309,204; 1979 ---$286,200.

This year the Carolina Baptist Association provided Bibles for Spanish speaking migrant workers. Bilingual New Testaments have also been made available. All of these materials have been secured from the American Bible Society.

So much more needs to be done and could be done if Southern Baptists would just increase their per capita giving from $0.022 to $0.04 annually.

William W. Willingham
